

Indore Institute of Science and Technology

Activity Report

Academic Year - 2019-2020 Session: July 2019 - Dec 2019

Name of Event: Two Days Workshop on "ROBOTICS" (Guest Lecture/Seminar/Workshop)

Date of Event: 11-12 Oct 2019 Topic: ROBOTICS

Organizing Dept.: Dept. of EEE, Event Coordinator: 1. Mr. Ankit Jain (HOD-EEE)
2. Mr. Atul Singh Kushwah

Name of Partner / co-organizer (If Industry is involved): E-Yantra IIT Bombay

Address: IIT Bombay

Contact No.: 9980402770, Email Id: support@eyantra.org

Name of Industry Representative: Mr. Aditya Banwar, Mr. Arjun Sadananda, Mr. Vikrant Fernandes

Contact No.: 7977628948, Email Id: support@e-yantra.org
vikrant.fern@gmail.com, aditya@e-yantra.org, arjun@e-yantra.org.

Name of Expert/Guest: _____

Institute / Company: _____

Designation: _____, Department: _____

Address: _____

Contact No.: _____, Email Id: _____

Details of Participants:

No. of Institutes Participated	No. of Students Participated	Department	No. of Industry Representative	Remark if any
		CSE/IT/EC/ME/CM/ESH		
10	36	EC	3	

*Please enclose a detailed list.

Also enclosed following details:

1. Approval Letter
2. Invitation card/Brochure / Leaflet (if printed by Institute or Organizing Partner) print/Social
3. Detailed summary on event. (Outcome)
4. Media Report (attach copy of newspaper)/ write-up for media/ FB write-up
5. Certificate / Letter (if printed by Institute or Organizing Partner)

Principal

DATE:03/10/2019

Approval Letter

Department of Electronics & Communication Engineering interested to organize Two Days workshop in association with eYantra, MHRD under the national mission on education through ICT program IIT Bombay from 11th to 12th Oct 2019. Kindly approve for organizing the workshop in the department.

Proposal and Budget enclosed herewith.

HOD ECE

V.K. Nair
PRINCIPAL

DATE:03/10/2019

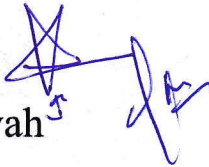

NOTICE

This is to inform you that Department of Electronics & Communication is going to organize Workshop on **Robotics** organised by IIST Indore in association with eYantra, MHRD under the national mission on education through ICT program IIT Bombay from 11th to 12th Oct 2019. Respected Faculties can participate actively in this event so that they will get benefits from that event. The event will be held at Computer Center A Block VLSI Lab from 09:30AM to 5:30PM. To register for this event kindly contact to following coordinators for confirmation for your presence:

Faculty Coordinators:

a) Mr. Ankit Kumar Jain

b) Mr. Atul Singh Kushwah

So, I invite all the interested Faculties to attend/participate the workshop and get the advantages.

HOD ECE

20-11-2019

Accommodation and Commuting charges for the eYantra Workshop Held at IIST Campus From 11-12 Oct 2019

S.No.	Date	Particulars	Rate	Quantity	Total
1	10-10-2019	Travel from Airport to IIST	10 Rs per Km	21 KM	210
2	13-10-2019	Travel from IIST to Airport	10 Rs per Km	21 KM	210
3		Accommodation and food on campus= 1500 Rs per day one room x 3 days			4500
4	11-10-2019	Lunch	160	55	8800
5	11-10-2019	Breakfast	30	55	1650
6	11-10-2019	Evening snacks with Tea	20	55	1100
7	12-10-2019	Lunch	160	36	5760
8	12-10-2019	Breakfast	30	36	1080
9	12-10-2019	Evening snacks with Tea	20	36	720
Total					24030

Note: Lunch, Breakfast and dinner was finalized before the workshop as per the telephonic discussion with eYantra team. So quantity of First day food was 55 fixed and paid and prepared already but on next day food is adjusted to 36 person as per the attendance of first day and discussion from the eyantra team.

Two Days FDP(Workshop) on Robotics

for Diploma & Engineering faculty

11th-12th (Fri-Sat), Oct, 2019

Venue - VLSI Lab, Computer Center A Block
IIST Campus, Rau

Faculty Coordinator:-
Prof. Ankit Jain | Prof. Atul S. Kushwah
for Registration-(+91-82240 52940)
ec@indoreinstitute.com

e-Yantra is a project sponsored by MHRD, Government of India, under the National Mission on Education through ICT (NMEICT).

Workshop Schedule

Day 1:

8:30 AM to 09:15 AM	Registration + Tea
09:15 AM to 09:45 AM	Inauguration -- Lighting of lamp; Overview of e-Yantra
09:45 AM to 11:00 AM	Introduction to Fire Bird V robot
11:00 AM to 01:00 PM	Introduction to AVR Micro-controller and Programming environment
01:00 PM to 02:00 PM	Lunch Break

Hands on Session

02:00 PM to 03:30 PM	Simple Motion Control using I/O ports
03:30 PM to 03:45 PM	Tea break
03:45 PM to 05:15 PM	Robot velocity control using pulse width modulation

Day 2:

Hands on Session

09:30 AM to 10:45 AM	Introduction to LCD interfacing
10:45 AM to 11:00 AM	Tea Break
11:00 AM to 01:00 PM	Analog sensor interfacing using Analog to Digital conversion *Interfacing with white line sensors *Interfacing with Infrared range finder sensor
01:00 PM to 02:00 PM	Lunch Break
02:00 PM to 03:30 PM	Interrupt programming *Closed loop position control of robot using position encoders
03:30 PM to 03:45 PM	Tea break
03:45 PM to 04:15 PM	Robot programming for white line following

Feedback Session

04:15 PM to 05:00 PM	Quiz and feedback
05:00 PM to 05.30 PM	Concluding session

Please note: Schedule subject to change depending on the material we cover.

COORDINATOR

Workshop on Robotics

Objectives of Workshop

The aim of the Two-day workshop is to train teachers in the basic concepts of embedded systems and Micro-controller programming as the first phase of training through e-Yantra Lab Setup Initiative (eLSI).

- Face-to-face training workshop conducted at a coordinating college for teacher team from a given region.
- Team of 4 teachers from colleges learns to program Firebird V robot and get certificates upon successfully completing the workshop.

Outcome Of the workshop:

- Knowledge and understanding of fundamental Robotics paradigms, architectures, possibilities and challenges, both with respect to software and hardware, A wide competence from different areas of technology, especially from computer
- Engineering, robotics, electronics, intelligent systems. Learn the basics of Robotics and its applications.
- What "Robotics" means and how it relates to Embedded system concepts.
- How open platforms allow you to store your sensor data in the Controller.
- The basic usage of the AVR studio environment for creating your own embedded projects at low cost. How to connect your AVR controller to your computer.
- How to send data to the other robot.

COORDINATOR

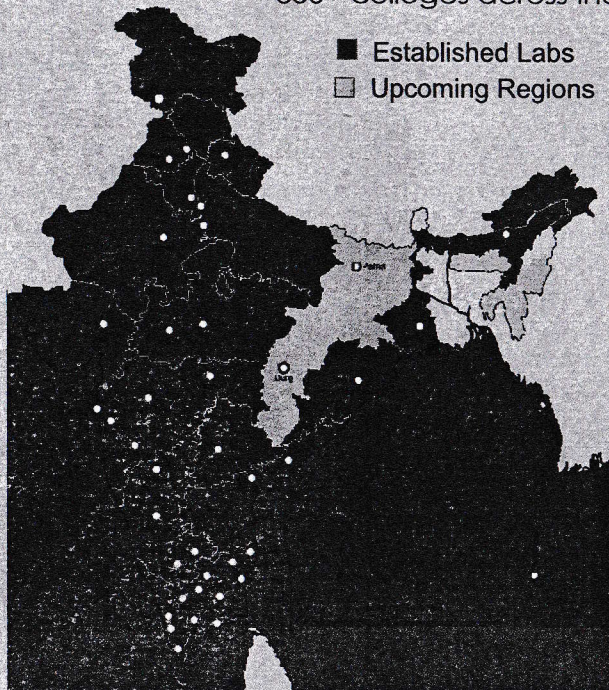

Growth of eLSI:

Labs Established as on July 2019

e-Yantra labs established in 350+ colleges across India.

Interested in setting up a Robotics Lab under eLSI ?

Yantra Competitions:

For Students:

e-Yantra Robotics Competition (eYRC):

Engages students using Project Based Learning (PBL) to implement a solution to a real world problem. Robots, accessories, training material, and rulebook are given to the teams selected for participation, free of cost. Winners get exciting prizes and an opportunity to get internship at e-Yantra, IIT Bombay.

For Teachers:

Task Based Training (TBT):

Engages teachers through hands-on experiments in a step-by-step manner with exciting prizes and certificates.

For Students, Teachers and Colleges:

e-Yantra Ideas Competition (eYIC):

eYIC is the basis for e-Yantra to build a startup ecosystem around a college e-Yantra lab. We solicit ideas from student-teacher teams from eLSI colleges as the basis for innovative projects and for sustained use of Robotics labs set up through eLSI.

eYantra

Engineering a better tomorrow

e-Yantra Lab Setup Initiative (eLSI)

A project sponsored by MHRD through National Mission on Education through ICT (NMEICT)

Department of Computer
Science and Engineering
IIT Bombay

Two Day Workshop

e-Yantra Lab Setup Initiative (eLSI)

e-Yantra is a project hosted by IIT Bombay to spread education in Embedded systems and Robotics and is sponsored by Ministry of Human Resource Development (MHRD) through the National Mission on Education through ICT (NMEICT).

e-Yantra Lab Setup Initiative (eLSI) supports infrastructure creation at colleges by providing a platform for inducting teachers in Project Based Learning or "Learning by doing". We train teachers in theory and applications of Embedded systems and Robotics, in addition to providing guidance in setting up an Embedded Systems and Robotics lab at the college.

eLSI enables colleges to teach Robotics and Embedded Systems by:

- Training team of 4 teachers from a college in basics of Embedded Systems theory and Micro-controller programming through an on-site (at a local centre) 2-day workshop.
- Engaging teams through Task based Training (TBT) – where teachers are trained to implement experiments on a robot over a period of two/three months. Each college team is given a Robotic kit along with tutorials and accessories and is taken step-by-step through hands-on training by the e-Yantra team.

Providing support and advice to set up a Robotics lab so that by the time the teachers are trained, the lab is ready at the college for the teachers to get their students involved through projects.

How does the college Benefit?

Benefits:

The main benefit of engaging with e-Yantra is to empower teachers and students and to create a culture of innovation and entrepreneurship in a college through e-Yantra initiatives. We not only help set up infrastructure and provide training but also through our considerable network identify resources in industry and alumni to help realize these goals in colleges hosting our labs.

More specific are the following outcomes:

- Better Final year projects in the area of Embedded Systems and Robotics.
- Access to a vast resource of open source projects and tutorials.
- Sustainability of the established lab through participation in the e-Yantra Ideas Competition (eYIC).
- An opportunity to setup an agriculture based IoT-testbed through the e-Yantra Farm Setup Initiative (eFSI).
- Better prospects for a college to gain visibility and attract local industries for internships and placements.

e-Yantra Ideas Competition

Online Lab Inauguration Ceremony

- Integration of hands-on experiments with regular theory sessions through teacher manuals shared via a resource portal.
- The established lab along with its sustainable ecosystem helps a college during accreditation.

How does a college participate?

It is in the interest of the college to invest in creating infrastructure – a Robotics lab where students have an opportunity to explore interdisciplinary skills and to prepare them for either industry or startups.

- A college needs to commit the following to participate in this initiative:

1. Funds to equip a basic Robotics lab (in addition to space and other infrastructure for a lab)
2. A team of 4 teachers to be trained by e-Yantra.

e-Yantra Symposium (eYS) at IIT Bombay

The Program Education Objective (PEOs) of the electronics & communication Engineering department is

PEO-1

To develop the ability to demonstrate technical competence in the fields of electronics and communication engineering and to develop solutions to the problems in core as well as inter disciplinary areas.

PEO-2

To develop graduates with sound academic background and industrial exposure which gives them capability to make a productive contribution to society through lifelong learning.

PEO-3

To produce competent professionals with moral values, ethics to build an efficient team with soft skill capabilities Participants Faculty of the A.I.C.T.E. approved engineering college and polytechnics.

Important Dates

- Last date for registration: 04/10/2019
- Please note the participation is limited to 40 seats only.

Registration

- There will be no registration fee for attending the workshop.
- No T.A & D.A will be paid from the college side.
- This programme is open to all disciplines.
- Only limited seats are available in this workshop.
- The candidate will be selected on the first come first serve basis.
- ONE team of 2-4 teachers from a college can attend this workshop.

Objectives of Workshop

The aim of the Two-day workshop is to train teachers in the basic concepts of embedded systems and Micro-controller programming as the first phase of training through e-Yantra Lab Setup Initiative (eLSI).

- Face-to-face training workshop conducted at a coordinating college for teacher team from a given region.
- Team of 4 teachers from colleges learns to program Firebird V robot and get certificates upon successfully completing the workshop.

What is e-Yantra?

Project e-Yantra is an initiative to spread education in embedded systems and Robotics by IIT Bombay sponsored by Ministry of Human Resource Development through the National Mission on Education through ICT (NMEICT). This project was conceptualized by Prof. Kavi Arya and Prof. Krithi Ramamritham of the Department of Computer Science and Engineering at IIT Bombay.

What is eLSI?

One of our initiatives, e-Yantra Lab Setup Initiative (eLSI) supports the infrastructure creation at colleges by providing a platform for training teachers both in theory and applications of Robotics, in addition to providing guidance in setting up a Robotics lab at the college. eLSI aims to enable colleges to teach Robotics and Embedded systems in an effective manner by:

- Training teams of 4 teachers from colleges in a region, in the basics of embedded systems theory and Micro-controller programming through a 2-day workshop.
- Engaging the teams through Task based Training (TBT) – where teachers are trained to implement various experiments on the robot over a period of three/four months. Each college team is given a Robotic kit complete with tutorials and accessories and is taken step-by-step through hands-on training by the e-Yantra team.
- Providing support and advice to set up a Robotics lab so that by the time the teachers are trained, the lab is ready at the college for the teachers to get their students involved through projects.

How does the college benefit?

Training students through hands-on projects is imperative in producing successful innovators and entrepreneurs. Creating the infrastructure with labs and trained teachers provides the competitive advantage to colleges in attracting talented students. e-Yantra facilitates the infrastructure creation by sharing its experience and expertise. Benefits include:

- Increased enthusiasm amongst students
- Better BE projects with help from e-Yantra Resource
- Development Center (eVRDC)
- Better trained and motivated faculty
- Robotics club
- Opportunity to receive Embedded Systems Course from IIT Bombay
- Better prospects for engaging with other NMEICT projects such as 10k teacher training, Spoken Tutorials, e-Kalpa, FOSSEE
- Better visibility for college nationally

What is the Participation procedure for setting up lab?

It is necessary for the college to invest in creating the infrastructure – a Robotics lab where students have an opportunity to explore interdisciplinary skills. A maximum of 20 colleges will be chosen from each region for participating in the initiative on a First Come First Serve (FCFS) basis. A college needs to commit the following to participate in this initiative: Funds to equip a basic Robotics lab (in addition to space and other infrastructure) A team of 4 teachers who can be trained through the initiative.

About IIST:

Indore Institute of Science & Technology (IIST) established in the year 2003, is amongst the Top 5 Engineering Colleges of Indore. The Institute is approved by AICTE, New Delhi and affiliated to RGPV Bhopal offering Bachelors and Master's Degree in Engineering.

At IIST, we are committed to Enhance the Employability Quotient of the Students along with Holistic Development.

The Institute has tie-up with premier IITs (Delhi & Bombay) for Academic Excellence in the areas of Virtual Labs, e-Yantra, etc. We have well-qualified faculty team, mostly with Ph.D degree in the latest technological domains. Our Technology enabled Flipped Classroom pedagogy enhances the student engagement in the classroom and make them focused on the practical aspects of the subject. The institute has created, dedicated Special Interest Groups (SIGs) to enable the faculty and staff to work on the latest technologies in the newly established State of the art Lab Infrastructure for Internet of Things (IoT), Apple iOS application development, Cloud Computing, Data Analytics, Artificial Intelligence, Robotics, Aero Modelling, Waste Water Treatment, Water Harvesting, etc.

ECE has played a key role in the fast changing era of modern life. It has penetrated in every field of our existence. The department of Electronics and Communication Engineering offers undergraduate and post graduate courses, that keeps in pace with the latest developments in the field of ECE. We have excellent infrastructure, well experienced faculties and technical staff which collectively ensure dynamic and vibrant environment in the department. Our department produces electronics and communication engineers having strong theoretical foundation, good design experience and exposure to research and development.

The Department of Electronics and Communication Engineering was established in the year 2003 with B.E (ECE).

Department of ECE got NBA accredited twice in year 2013 and 2016. The department also conducts PG programme M.E (Digital Communication) from year 2009-10 with an intake of 9 students.

The vision of the electronics & communication Engineering department is To produce globally competent electronics & communication engineering students with knowledge of core as well as inter discipline domains.

The Mission of the Electronics & Communication Engineering department is

- Our efforts are dedicated in educating the students in field of electronics and communication engineering to create competent professionals with moral values, social ethics and pursuing higher education.
- Our efforts are dedicated in understanding technical competence in the fields of electronics and communication engineering and implementation of theoretical concepts in practical multidiscipline scenarios.

IT Bombay, e-Yantra Lab Setup Initiative (eLSI): Itinerary Details for Two Day Workshop at Indore Institute of Science and Technology, Indore on 11th & 12th October 2019 (Friday & Saturday)

Vikrant Fernandes <vikrant@e-yantra.org>

Wed, Oct 9, 2019 at 11:30 AM

From: atulsingh.kushwah@indoreinstitute.com

To: e-Yantra Helpdesk3 <aditya@e-yantra.org>, e-Yantra Helpdesk 10 <arjun@e-yantra.org>, e-Yantra Support <support@e-yantra.org>

Respected Sir,

Greetings from e-Yantra!

This is to inform you about the details of Engineers who will be visiting your college for the workshop as well as requirements for the workshop.

The names and contact details are mentioned below:

Name: **Mr. Aditya Panwar**

Contact Number: **7977628948**

e-mail ID: **aditya@e-yantra.org**

Name: **Mr. Vikrant Fernandes**

Contact Number: **9769885543**

e-mail ID: **vikrant.ferns@gmail.com**

Name: **Mr. Arjun Sadananda**

Contact Number: **9980402770**

e-mail ID: **arjun@e-yantra.org**

We will be arriving at **Devi Ahilya Bai Holkar Airport (IDR)** by **Air India** flight **AI635** on **10th October 2019, Thursday, 08:25 AM**. We request you to arrange the transport for all 3 from Indore airport to the college as they will be carrying 3 large suitcases with Robotic Kits for the workshop besides other luggage. We would like to go directly to the workshop venue as they have to make sure that the Desktop Computers have the required drivers.

Workshop team will leave from college for Indore airport on **13th October 2019, Sunday, 3:00 PM**.

For the purpose of their stay, we understand the rate of stay is Rs. 1500 per night sharing basis. It is our request that you book for 3 members for 10th, 11th and 12th and acknowledge the same.

The following are the minimum requirements for the workshop:

- 20 Desktop Computers / Laptops with Operating System Windows 7, 8 or 10 (No Linux based system)
Processor: Intel Core i3 and above
RAM: 2 GB and above
USB Port required for programming
Additional power sockets for robots and laptops
Computer with Administrator login
- Internet Access/Wi-Fi Access
- White Board, Marker and Duster
- Projector, Screen and Slider
- Microphone and PA system

Please inform all the participating teams to carry laptops, so that all installations will be done during the workshop and will save time for the teachers to continue working.

Workshop requirements document is attached with this mail for your ready reference.

Feel free to contact us on support@e-yantra.org or call us on 022 2576-4986 in case of any query.

Respected Sir/Madam,

Congratulations from e-Yantra!

This is to confirm your registration for the Two Day Workshop at Indore Institute of Science & Technology, Indore, Madhya Pradesh (Friday & Saturday).

1. Please carry at least one (Windows 7 or above) laptop between a team of four teachers.
2. Carry your College Id Card.

Note: Please download the "ATMEL_STUDIO_6-6.2.1563" and install it on your laptop before attending the workshop.

The Venue, Coordinator details and Schedule are as below:

The Venue & Coordinator details are as below:

Venue : First Floor, A Block, Computer Center
Department of Electronics & Communication Engineering
Indore Institute of Science & Technology
Opposite Indian Institute of Management,
Rau Pithampur Road Rau, Indore (M.P) 453331

Coordinator : ,Mr. Atul Singh Kushwah, Mr. Ankit Jain
Contact Number : +91-8224052940, 07314010656

e-mail : atulsingh.kushwah@indoreinstitute.com, ec@indoreinstitute.com

Date : 11th & 12th October 2019 (Friday & Saturday)

Time : 9:00 A.M. - 06:00 P.M. (Friday)

9:00 A.M. - 06:00 P.M. (Saturday)

Here are the modalities of the workshop:

1. No fee will be collected from any participant. Tea/Lunch will be provided on both the days of the workshop.
2. **All travelling expenses of the team members attending the workshops are borne by their respective colleges. Regarding Accommodation please read below.**
3. Each participating college team member has to give the attendance at the venue on **both the days of the workshop** and registration will happen on the second day of the workshop.
4. Teachers will be given a participation certificate from e-Yantra upon successful participation on both days of the workshop. For partial attendance or teachers doing a refresher course, only attendance certificates can be provided upon request for the dates attended.
5. Teacher teams from colleges that have given LoI (Letter of Intent), who have successfully participated on both days of the workshop, will receive a **robotic kit** at the end of the workshop. These teams will participate in the Task-Based Training (TBT).

workshop?

Teams from colleges participating in eLSI by giving the LoI will participate in Task-Based Training (TBT) to solve assigned tasks designed to include hands-on experiments using the robot, over a 3-4 month period. Teams participate in TBT online. No travel is required.

2. Colleges set up their labs during this 3-4 month period.
3. Certificates and 2 additional robotic kits are awarded to colleges at the end of TBT, during the valedictory function when all the labs in the region are inaugurated simultaneously.
4. No substitution of team members will be allowed during TBT. Teachers who are trained through the 2-day workshop will participate in TBT.

Please click on below link to find the detailed schedule for the 2-day workshop:
Workshop Schedule

The format for the Letter of Intent (LoI) can be downloaded from the following link:
Letter of Intent

Two brief video tutorials on "**Embedded C Programming basics**", which will provide quick review for teachers before attending the workshop, is included in this mail.

Video tutorials outline all the essential concepts which will aid the teachers to better understand the contents of the workshop. Please find their video links below:

Basics of Embedded C (part 1) : <https://youtu.be/yxq-xCq1Gg4>

Basics of Embedded C (part 2) : <https://youtu.be/k4fcKgiYsZk>

We look forward to meeting you and your team at the workshop.

Feel free to contact us at 022-2572-0184 or email us at support@e-yantra.org in case of any query.

Personal Information

Name	Amidesthwar Brajan
College	FPS Academy IES
Topic	Two-day e-Yantra workshop on Robotics (Firebird V)
Date	11-12 Oct 2019

- The presenter/lecturer/trainer/facilitator(s) was/were knowledgeable
 Very Satisfied Satisfied Good Average No Answer
- The presenter/lecturer/trainer/facilitator(s) was/were well-prepared
 Very Satisfied Satisfied Good Average No Answer
- The content of the workshop/training/seminar was useful.
 Very Satisfied Satisfied Good Average No Answer
- The content of the workshop/training/seminar/course was well-planned.
 Very Satisfied Satisfied Good Average No Answer
- The materials provided were relevant.
 Very Satisfied Satisfied Good Average No Answer
- The knowledge and skills I acquired from the workshop/training/seminar/course are of relevance to my work/are applicable to many aspects of my work.
 Very Satisfied Satisfied Good Average No Answer
- Broadly educated and will have an understanding of ethical responsibilities.
 Very Satisfied Satisfied Good Average No Answer
- Clearly understanding the value of updating their professional knowledge to engage in life -long learning.
 Very Satisfied Satisfied Good Average No Answer
- Demonstrate the ability to apply advanced technologies to solve contemporary and new problems.
 Very Satisfied Satisfied Good Average No Answer
- Awareness to apply engineering solutions in global, national, and societal contexts.
 Very Satisfied Satisfied Good Average No Answer
- Ability to participate as members of multidisciplinary design teams along with mechanical, electrical, Computer Science and other engineers.
 Very Satisfied Satisfied Good Average No Answer
- The duration of the workshop/training/seminar/course was just right.
 Very Satisfied Satisfied Good Average No Answer

COORDINATOR

13. The workshop/training/seminar/course has met the stated objectives fully.
 Very Satisfied Satisfied Good Average No Answer
14. I would be interested in attending a follow-up, more advanced workshop on this same subject
 Very Satisfied Satisfied Good Average No Answer
15. What rating would you like to rate for the event?
 Very Satisfied Satisfied Good Average No Answer

Please rate the following:

	Excellent	Very Good	Good	Fair	Poor
a. Visuals	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
b. Acoustics	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
c. Meeting space	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
d. The program overall	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

REQUEST-ID :- BREG-12088

Dear Sir,

I/We wish to submit my/our bank details which should be used for making electronic payments towards goods or services supplied / received by 'INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY'.

Details of Indian Ext.User / Vendor are provided below :

Ext.User / Vendor Name	INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY
PAN Number	AABAS3763Q (Service Vendor : No, TDS_Rate : N/A)
GST-IN Number	GST_NOT_REG
Contact address	OPPOSITE IIM, RAU PITHAMPUR ROAD, RAU, INDORE, Madhya Pradesh, India, Pincode/Zipcode - 453331
Telephone no	8224052940
Authorised Contact Email-ID	ec@indoreinstitute.com

Bank Account Details

Company Bank Acc Name	INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY
Account No.	50200032357825
Account Type	Current
IFSC Code	HDFC0003855
Bank Name	HDFC BANK LIMITED
Branch Name (Code)	SIYAGANJ INDORE (502000) 3855
MICR No	452240016
Branch Address	25 M G ROAD OPPOSITE DISTRICT COURT SIYAGANJ INDORE

It is confirmed that the bank account is in an RTGS enabled branch. I/We hereby declare that the particulars given above are correct and complete.

Following documents have been attached to validate my/our bank details.

1. Cancelled cheque (bearing bank account number, bank IFSC code) or Online Account statement endorsed by bank and
2. Self-attested photocopy of PAN Card

I/We understand that bank details given above shall be registered only if attached documents are found to be in order.

Regards,

for INDORE INSTITUTE OF SCIENCE & TECHNOLOGY

Report

IIT Bombay e-Yantra team is going to organize two days FDP on Robotics on 11th -12th October 2019 in Indore Institute of Science & Technology (IIST) Indore. The main objective of this workshop is to enable colleges for teaching Robotics and Embedded systems in an effective manner. IIST is a partner institute of eYantra project. Under this project, e-Yantra Lab Setup Initiative (eLSI) is designed as a scalable and sustainable approach that addresses infrastructure creation and teacher training – to create an eco-system at the colleges to impart effective engineering education. Representative from different engineering colleges will be participating in this E-yantra robotics workshop cum FDP.
