#### **Expert Lecture:**

Our institute honored with the presence of "Dr. V. R Raghuveer" for an expert lecture on "Entrepreneurship and Innovation". In his lecture he explained entrepreneurship a driving force behind economic growth in recent years. Some of the world's most popular products and everyday items were created by entrepreneurs. They started as simple ideas that needed a well-organized plan and funding to see it off toward success. There are wealthy business owners that started off with an idea and little or no money. It is a matter of studying your competition and willing to make mistakes in order to make your concept even better. Organization, planning, and use of unique resources in one's reach can make a difference in getting one idea off the ground. We have been experiencing a boom in the start-up culture for a while now. Everyone wants to solve a problem, be it economic or social. The vote of thanks was given by Mr. Shantanu Roy.

the competition under Entrepreneur Development Cell . The plan for the Hackathon was to "Revamp college website with artistry and elegance" where all the participants designed the website and tried to crack a predetermined challenge within a given period of time. A total of 32 teams participated in the Hackathon that started at 12:30 PM on 19 Feb 2018 and ended on 12:30 PM on 20 Feb 2018. Participants included students from first year to fourth year and were open for all branches.

The goal of this Hackathon was to provide a competitive platform to students that embrace the opportunities of digitalization among students. The announcement of the competition raised a lot of interest, with over 104 participants on 32 teams.

Before Hackathon, two days' workshop were organized in which the delegates from industry gave hands-on training to students in order to brush up their designing skills so that they can participate in the competition. The entire competition was judged by Mr. Ankit Gupta, Mr Devendra from Syscraft and Mr.Sudarshan Verma from Ideavate. Each team presented their newly designed website to a panel of judges on February 20, 2018. The winners of the competition were given cash prize of Rs. 18000/- . "The Hackthon is an excellent opportunity to create new services and operating models," says Director, Dr.Joy Banerjee.

Director General, Mr. Arun S Bhatnagar congratulated the winners for and said, "Your triumph will ring through the history of our institute. We are proud of you!"
