Indore Institute of Sciences & Technology (IIST), Indore conducted one-day expert lecture for faculties and students of IIST on "Research Methodology & Data Analysis for Research". Dr. S. Jain briefly discussed about the Research Methodology & Data Analysis for Research. This session was to sensitize and erudite the participants about the various Research methodologies to be adopted and the appropriate Statistical-tools and package to be used in their research works and further the interpretation of the results obtained from such analysis, thereby helping the present as well as future researchers to evolve an understanding of the research tools and statistical packages that meet both the current and future needs. The session was ended with vote of thanks by Ms. Margi Patel.
