On 12th November 2021 at the Indore Institute of Sciences & Technology (IIST), an expert lecture was held on research methodology Topic "Various types of Research". The program began at 7 pm, with the welcoming of guests and participants with Saraswathi Vandana and virtual Lamp Lighting.

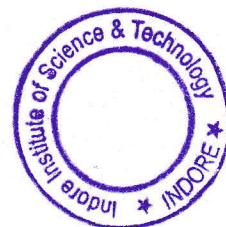

The welcome address was given by the Dean CS Dr. R. K. Jain, Principal, IIST Dr. Keshav Patidar emphasized the importance of uplifting the academic carrier through research and importance of the research development process.

The invited speaker Dr. Sanjay Singh, Asst. Professor, IIT-BHU, Varnasi was welcomed by, Dr. Namrata Kaushal -HOD- Engineering Science and Humanities department. Dr. Sanjay Singh briefly discussed about the experimental as well as theoretical research and covered application part of various measurements. He also discussed the various types of research area, which will enhance the research skills of all participants.

Dr. Sanjay Singh quotes:

Types of research can be classified in many different ways. some major ways of classifying research include the following.

- Descriptive versus Analytical Research
- Applied versus Fundamental Research
- Qualitative versus Quantitative Research
- Conceptual versus Empirical Research
