Title : "Application and Visualization of Data Structure"
Date of Event : 18/07/2022
Speaker Expert : Mr. Pankaj Wadhvani

Summary:

We have total number of 62 students and all of the got benefitted with this one week training
Feedback: 1. This Work is really good and very much useful to develop and teach data Structure and other technologies.

2. We are able to Share knowledge among ourselves.
3. We need this type of real time training.
Eminent resource persons Mr. Pankaj Wadhvani sir from real time application Development Company from Indore.
We received good feedback and response for conducting this training in AIML.

Addon Course on Advance Java, Module – 1 by Programming World Pvt. Ltd.

Indore Institute of Science and Technology

Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal

Department of Information Technology

Title : Advance Java
Faculty Coordinator : Mr. Jitendra Kulaste
Date of Event : 12/10/2022
Speaker-Expert : Mr. Pankaj Wadhvani

Summary:

The Department of Information Technology organized SIG on Advanced Java. The event was taken by Mr. Pankaj Wadhvani. The event was started by making the participants aware of object oriented programming concepts to make a revision of basic java. After that all the modules regarding advance java such as multithreading, networking, RMI etc. were thoroughly discussed. The expert also gave detailed programming insights to students. Students also learned to apply and validate input in a java program. Identify and fix defects and common security issues in code. Document a java program using javadoc. Use a version control system to track source code in a project.

“AI Bases Product Development”

<i>Title</i>	:	AI Based Product Development
<i>Date of Event</i>	:	02/01/2023 to 10/01/2023
<i>Trainer</i>	:	Mr. Shivang Trivedi
<i>Coordinator</i>	:	Mr. Umesh Kumar Sahu

Summary:

The AIML department organized a training program on “AI Based Product Development” for 35 hours. The Training has been taken by Mr. Shivang Trivedi. He gave training on Machine Learning and Deep Learning techniques from scratch and he explains so many important concepts of EDA, PCA, basic models from training to testing the entire dataset. The technology is very demanding and has a great potential to accelerate the career of students. The main purpose of this training was to enable students to get detailed insights of AI with hands-on to some models. This Training was very beneficial for students looking towards the industry point of view and to make decision about their career prospect in AI product development. So that

Date of Event : 02/01/2023 to 10/01/2023
Trainer : **Mr. Ankush Saklecha**
Coordinator : Prof. Megha Birthare

Summary:

Information Technology department organized training cum certification program on “SQL using Data Science” for 35 hours. The Training has been taken by Mr. Ankush Saklecha. He gave training on Machine Learning and Deep Learning techniques from scratch and he explains so many important concepts of FDA, PCA, basic models from training to testing the entire dataset. The technology is very demanding and has a great potential to accelerate the career of students. The main purpose of this training was to enable students to get detailed insights of AI with hands-on to some models. This Training was very beneficial for students looking towards the industry point of view and to make decision about their career prospect in AI product development. So that we cover the main tagline of our institute that is employability quotient and holistic development of students this kind of training proves that we work for the development of students to make industry ready.

Certificate Course on Applications of data science for chemical engineer through SPSS

Indore Institute of Science & Technology, Indore

Department of Chemical Engineering

Event Summary

Department of Chemical Engineering of IIST Indore has successfully organized the certification course on the applications of data Science for chemical engineers through SPSS. Students have learnt about the coding performed through the software SPSS that are learnt in the Petrochemical Industries as well as in Chemical Industry. A total of around 30-35 students were indulged in the certification. Ms. Palak Shah have evidently shared their experiences with the students and taught them how to solve the chemical engineering problems using SPSS software and get the appropriate results.

Certificate Course on Prestressed Concrete Structures

Indore Institute of Science and Technology

Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal

DATE: 30/01/2023

NOTICE

This is to inform you that Department of Civil Engineering is going to organize Certificate course on Prestressed Concrete Structures from 3rd - 11th Feb 2023. The students of IInd year of Civil Engineering Department will have to participate actively in this course. The event will be held at Civil Department from 10.00 AM - 3.30PM. The Coordinator for the above event is Mrs. Poonam Bagora, Assistant Professor, Civil Engineering Department.

So, I invite all the students of Civil Engineering to participate in the Certification course and get advantages.

Summary/Report for Training on "ADVANCE JAVA"

Title	Advance Java
Date of Event	20 Feb- 28 Mar 2023
Trainer	Mr. Pankaj Wadhvani
Coordinator	Mrs. Praveena Joshi

Summary

Information Technology department organized training program on "Advance Java". The Training has been taken by Mr. Pankaj Wadhvani. He gave training on Advance Java and web Application. So students can Design and develop Web applications and make a reusable software component, using Java Bean. The technology is very demanding and has a great potential to accelerate the career of students. The main purpose of this training was to enable students to get detailed insights of JAVA with hands-on. This Training was very beneficial for students looking towards the industry point of view and to make decision about their career prospect.

Certification Course on Design and Development of Drone Prototype by ORC Electronics India Private Limited

INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY

DATE: 23/05/23

Certificate Course on "Drone Development"

Department of Electronics and Communication Engineering Successfully completed Certificate course on Design & Development of Drone Prototype from 15th to 19th May, 2023 and 55 students successfully participate in the Certification programme. This programme introduces students to the amazing world of Drone prototyping and its fascinating applications. Through this programme, students can build an Drone system device that can form the basis for smart agriculture, smart irrigation systems, smart water monitoring, They can also learn how to write programs, and relate the sensed data, and use Cloud computing basis concepts with system.
