## Group Discussion Session for CS, IT, AIML, EC, ME, CE

### Notice

Date: ~~29 Aug~~ <sup>Sept</sup> 2023

**To:** III Year Students of CS1, CS2, CS3, IT, AIML, EC, ME, CE  
**From:** CDC  
**Subject:** Group Discussion Session

#### Dear Students,

This is to inform you that a group discussion session will be held for all III Year students across the following departments: CS1, CS2, CS3, IT, AIML, EC, ME, and CE. The aim of this session is to enhance your communication, critical thinking, and collaborative skills through engaging discussions on relevant topics.

#### Topics for Discussion:

1. Emerging Technologies and Their Impact on Industry
2. The Role of Engineers in Sustainable Development
3. The Future of Artificial Intelligence and Machine Learning
4. Challenges and Opportunities in Engineering Careers

#### Objectives:

- To develop effective communication and teamwork skills.
- To encourage critical analysis and diverse perspectives on current issues.
- To prepare for real-world discussions and interviews.

For any queries, feel free to contact Career Development Cell

We look forward to your active participation.

Best Regards,

Dr. Veera Dadwani  
Director & HOD Centre of Excellence Career Advancements

Saturday, December 21, 2024

Date: 12/09/24

Venue: Seminar Hall I IIST / Auditorium II IIST

Participants: III Year Engineering Students

- Facilitator:
1. Dr. Veena Dadwani
  2. Ms. Shweta Bahrani
  3. Ms. Vimmy Katyaj
  4. Ms. Jaya Singh

*Report*

**Objective:**

The purpose of the group discussions was to enhance the communication, critical thinking, and teamwork skills of the III Year Engineering students. The discussions aimed to encourage students to articulate their thoughts clearly and confidently, while also fostering an environment of mutual respect and collaborative learning.

**Day 1: Discussion Topics and Observations**

**General Observations and Feedback:**

- **Participation:** Over the course of two days, participation improved, with more students contributing to the discussions. However, a few students remained passive and need encouragement to engage more actively.
- **Confidence:** Students' confidence in speaking publicly improved from Day 1 to Day 2, particularly in the clarity of their thoughts and arguments.
- **Preparation:** It was evident that some students had prepared well, while others relied on impromptu responses. Encouraging thorough preparation will lead to more meaningful discussions.
- **Areas for Improvement:**
  - **Communication Skills:** Continued focus on enhancing communication skills, especially for those who are less confident.
  - **Critical Thinking:** Encouraging deeper analysis and critical thinking during discussions.
  - **Time Management:** Some discussions exceeded the allocated time, indicating a need for better time management by both students and facilitators

**Conclusion:**

The group discussion sessions were successful in achieving their objectives of fostering communication, critical thinking, and teamwork among the III Year Engineering students. The sessions revealed both strengths and areas for improvement, providing valuable insights for future discussions.

## Chai Pe Charcha: Informal Interaction Session CS, IT, AIML

Date: 24 Jan 2024

*Notice*

**Chai Pe Charcha: Informal Interaction Session for II Year Engineering Students**

We are delighted to invite all II Year Engineering students to a relaxed and engaging session of "Chai Pe Charcha." This informal interaction aims to provide a platform for students to discuss their ideas, share experiences, and connect with peers and faculty members over a cup of tea.

**Event Details:**

- Date: 31 Jan 2024

**Highlights:**

- **Open Discussions:** Share your thoughts, ideas, and experiences in a casual setting.
- **Networking:** Connect with fellow students and faculty members.
- **Informal Setting:** Enjoy a cup of tea while engaging in meaningful conversations.

**Participation:** All II Year Engineering students are encouraged to attend. This is a great opportunity to voice your opinions, seek guidance, and build connections.

We look forward to your active participation and enjoyable discussions!

**Best Regards,**

Date: January 31, 2024

Participants: III Year Engineering Students

Venue: Seminar Hall 3

Facilitator: : Dr. Veena Dadwani

*Report*

**Objective:** The "Chai Pe Charcha" activity was organized to provide III Year Engineering students with a relaxed environment to discuss their academic experiences, career goals, and personal challenges

**Key Discussion Points:**

1. **Academic Challenges:**

- o **Discussion:** Students shared difficulties they face in managing heavy coursework, understanding complex subjects, and preparing for exams.
- o **Outcome:** The need for better time management and seeking support from peers and faculty was emphasized.

2. **Career Aspirations:**

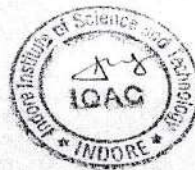

- o **Discussion:** The conversation shifted to career goals, with students expressing both aspirations and uncertainties about their future paths.
- o **Outcome:** The discussion highlighted the importance of career guidance and gaining industry exposure.

**Peer Sharing and Advice:**

Senior students provided practical advice on effective study habits, time management, and stress management, which was well-received by the participants.

**Conclusion:** The "Chai Pe Charcha" activity successfully fostered a sense of community among III Year Engineering students, encouraging open discussion and peer support.

**NOTICE**

Date: 9th February 2024

**Book Review Session**

We are excited to announce a Book Review Session where participants will have the opportunity to discuss and analyse a selected book. This event is aimed at fostering a love for reading, improving critical thinking, and enhancing discussion skills.

**Event Details:**

- Date: 12th February 2024
- Time : 11:00 am
- Venue : Seminar Hall 1

**Session Highlights:**

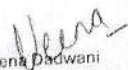

- **Book Analysis:** Dive deep into the themes, characters, and narrative of the chosen book.
- **Interactive Discussion:** Engage in thoughtful discussions and share your perspectives.
- **Critical Insights:** Learn to critique literature and express your opinions effectively.

**Participation:** All students are invited to join and share their insights. Whether you are an avid reader or new to book reviews, this session promises to be an enriching experience.

For any queries or additional information, please contact CDC

We look forward to your enthusiastic participation and insightful discussions!

## REPORT

### Objective:

The book review session aimed to enhance the students' critical thinking, analytical skills, and ability to articulate their thoughts. The session encouraged students to engage with diverse literary works and connect the themes of the books to real-world applications.

### Observations:

- **Engagement:** Overall, student participation was active, with many students showing a strong understanding of the books' themes and implications.
- **Critical Thinking:** The session revealed varying levels of critical thinking among students. While some were able to offer deep insights, others struggled with articulating their critiques effectively.
- **Communication Skills:** There was noticeable improvement in communication skills, though a few students need further practice in expressing their thoughts clearly and confidently.

### Conclusion:

The book review session was successful in achieving its objectives. Students gained valuable insights into different literary works and improved their analytical and communication skills. Continued practice and more such sessions are recommended to further enhance these skills.

## Pannel Discussion

**Indore Institute of Science & Technology**  
Affiliated to - RGPV (Bhopal) & Approved by - AICTE (New Delhi)

**Notice**

**Date: 13 February 2024**

**Panel Discussion**

We are excited to invite all III Year Engineering students to an insightful Panel Discussion scheduled on 14th February 2024. This event brings together a panel of distinguished experts to discuss "The Future of AI", focusing on the latest advancements, challenges, and opportunities in the field of Artificial Intelligence.

**Event Details:**

Date: 14th February 2024  
Time :10 AM-12 Noon  
Venue: Audi 2

**Interactive Q&A:**

Engage with the panelists and have your questions answered.

**Networking Opportunity:**

Connect with professionals and peers in the field.

**Participation**

All students are encouraged to attend and participate in this insightful discussion. This is a valuable opportunity to gain knowledge, ask questions, and network with industry professionals.

For any queries or additional information, please contact CDC.

Date: February 14, 2024  
Venue: Seminar Hall 2  
Participants: III Year IIST Engineering Students  
Panellists: Dr. Veena Dadwani  
Ms. Shweta Bahrani  
Moderator: Ms. Vimmy Katyal

REPORT

**Objective:**

The panel discussion aimed to provide III Year IIST engineering students with insights into current industry trends, challenges, and opportunities.

**Key Discussion Points:**

**1. Emerging Technologies in Engineering:**

**Overview:** Panelists discussed the latest advancements in engineering, including AI, robotics, and renewable energy.

- **Takeaways:** Students were encouraged to stay updated on technological trends and consider specializing in emerging fields to enhance their career prospects.

**2. Industry Expectations and Skill Development:**

○ **Overview:** The discussion focused on the skills and competencies that industries expect from new graduates.

- **Takeaways:** Panelists emphasized the importance of soft skills, problem-solving abilities, and continuous learning. They also highlighted the value of internships and hands-on experience.

- **Feedback:** The panelists commended the students for their curiosity and engagement, noting that the questions reflected a deep interest in the topics discussed.

**Conclusion:** The panel discussion was highly successful in achieving its goals. It provided valuable insights to the students, helping them to better understand the engineering landscape and how to navigate their future careers.

## REPORT

Subject: Public Speaking Workshop for III Year Engineering Students

Date: 15 March 2024

### Introduction:

The Public Speaking Workshop for II Year Engineering students was successfully conducted on 14 March 2023. The workshop was designed to enhance students' communication skills, boost their confidence, and prepare them for effective presentations—a crucial component of their academic and professional development.

### Workshop Overview:

The workshop was conducted by CDC Department. The session was interactive and covered the following key areas:

- Techniques to overcome the fear of public speaking.
- Strategies for organizing and delivering a compelling speech.
- Tips on using body language and visual aids effectively.
- Methods for engaging the audience and maintaining their interest.
- Approaches to handling impromptu questions with confidence.

### Conclusion:

The Public Speaking Workshop successfully met its objectives, providing students with valuable skills that will benefit them in their academic and professional careers. Given the positive response, similar workshops will be considered for other batches and departments in the future.

### Self-Declaration

I hereby declare that a university (RGPV) prescribed syllabus of Language Lab (BT-206) Communication Skills (BT-103) in all the branches of Engineering in first year itself. In entering the students take admission from various parts of the country, to remove the language barrier ETNL, software is being used in our institute.

At the end semester students learn how to interact him/herself and be confident for showing their ideas. The outcome is evaluated by the external examiner appointed by RGPV University.

I certify that the above information is true and complete to the best of my knowledge.

## JCT/computing skills

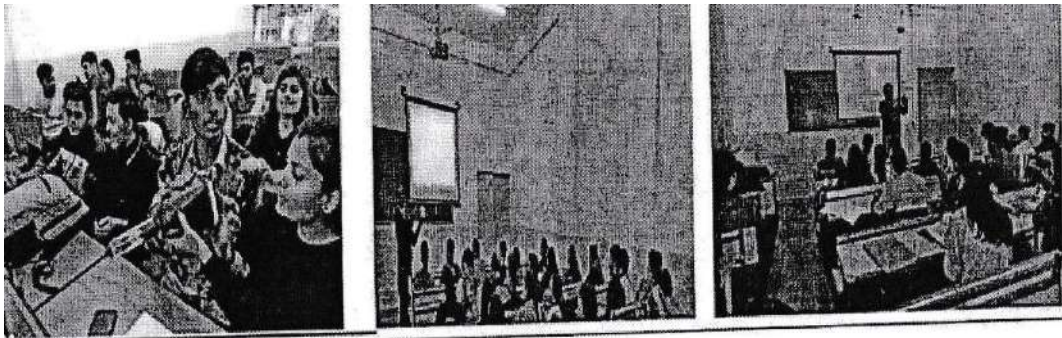

### Teaching Using Physical Models and ICT Tools

In the Electronics and Instrumentation course, while teaching the concept of Cathode Ray Tubes (CRT) to second year ECE students, the physical CRT device was demonstrated to provide students with a hands-on understanding of how the device works.

Instructor: **Mr. Devendra S, Mandloi**

In the Basic Electrical and Electronics Engineering (BEEB) course, while explaining the operation of motors to first-year CSE students, an open-welding demonstration was conducted to offer students a practical understanding of motor functionality.

## Teaching Using Demonstration of Kit and JCT Tools

In the course, Microprocessor and its application, Subject teacher demonstrated the microprocessor kit in the class for better understanding the concept of processor,

Instructor: **Dr. Mukesh Patidar**

## Conducted Workshops using JCT Tools

A workshop for students was conducted on "Circuit Design & Fabrication with Hands - on Practice" for 1<sup>st</sup> Year and 2<sup>nd</sup> Year ECE students. 17 students participated with enthusiasm in this program, to learn PCB Design,

A workshop for students was conducted on "PCB Design and Testing with Hands - on Practice" for 1<sup>st</sup> Year and 2<sup>nd</sup> Year ECE students. 22 students participated with enthusiasm in this program, to learn PCB Design. Different stages of PCB fabrication were learnt by the students,

A 30 Hour Certificate Course for ECE students was conducted on AI Based Product Development on 15-23 Dec 2023 by Mr. Shivang Trivedi, for II Year ECE students. 52 students participated with enthusiasm in this program, to learn the AI Application.

## JCT Teaching using animation videos

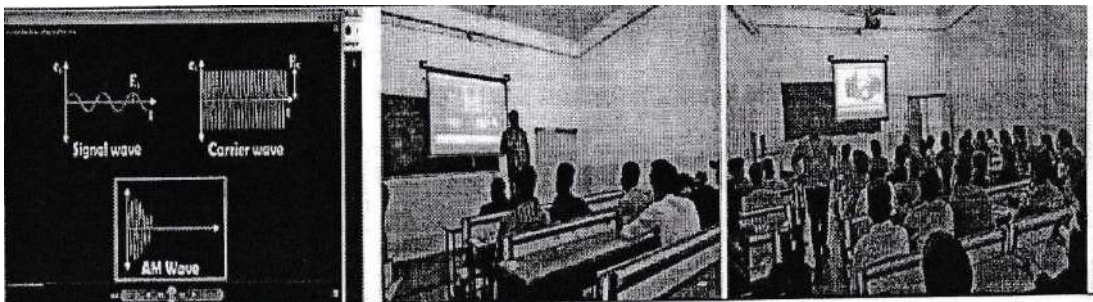

The concepts of modulation techniques can be understood in a better way by the students if animated videos are presented to them.

The concept of-Amplitude Modulation technique wherein the amplitude of the carrier wave is modified according to the instantaneous amplitude of the message signal is taught using animated videos that are available in the internet.

**Name of the Teacher:** Mr. Prabhat Pandey

The concepts of motors were explained through animated videos for better understanding of working of the motor.
