C. Invitation to Participate in Apratim Pragya Pratispardha - 2023

To,

The Principal,

Sub: Invitation to participate in "Apratim Pragya-Pratispardha-2023" (अप्रतिम प्रज्ञा प्रतिस्पर्धा 2023) & "Apratim Inter-school Sports League-2023" a series of catalyst events to unearth and showcase the hidden talents of Young Minds for 11th and 12th class students, scheduled from 3rd - 5th November 2023.

We would like to introduce ourselves as one of the leading Group of Educational Institutions in MP and NCR Region, for over a decade now, offering courses in Engineering, Pharmacy and Management both at UG and PG levels through our constituent institutions:-

1. Indore Institute of Science & Technology (IIST)
2. Indore Institute of Pharmacy (IIP)
3. Indore Institute of Management & Research (IIMR)

Our institutes are affiliated to RGPV - Bhopal & DAVV - Indore respectively and the courses are duly recognized/ approved by AICTE/ PCI - New Delhi.

We take immense pride and joy to share that, as a mark of quality education deliverance and excellence, all three of our esteemed institutes – IIST, IIP, and IIMR – have been accredited by the prestigious National Assessment and Accreditation Council (NAAC) in the very first round of evaluation.

IIST has been bestowed with an A+ grade, IIP has secured an A grade and IIMR has secured an A grade from NAAC, which stands as a true testament to our unwavering commitment towards academic excellence and holistic student development. The journey towards accreditation demanded meticulous planning, steadfast dedication, and a shared vision for nurturing the leaders of tomorrow. Thus, this remarkable achievement, also, stands as a testament to the dedication of our faculty, staff, and students who have tirelessly worked together towards maintaining the highest standards of education. These sterling accomplishments are clear indication of the collective efforts of our exceptional faculty members, diligent administrative staff, and most importantly, our brilliant students.

We believe in holistic development of students, which can only be achieved through a judicious blend of co- curricular and extracurricular activities with the academics through our unique approach of "Samagra Samutkarsha Yojana" which aims at uplifting the Intelligence-Emotional-Social-Spiritual-Happiness Quotient of the students, while pulling them out of their comfort zones and unwinding their interests and hobbies too.

In the same pursuit, we are pleased to announce Apratim Pragya-Pratispardha and Apratim Pragya Sports League. This 3-day event aims at various competitions that will welcome cerebral, reasoning, creative and sports participants from schools across MP, thus giving an exciting platform to our younger curious generation who are the bright future of India, to present their views and competence. The aim of these events is to identify students' potential by extending an opportunity to blossom and enable them to display it to the outer world.

We extend a warm invitation to the students of your school (higher secondary i.e., 11th and 12th class students) to participate in "Apratim Pragya-Pratispardha-23", (अप्रतिम प्रज्ञा प्रतिस्पर्धा 2023) a series of catalyst events to unearth the latent talents of the young minds. Also, we have scheduled "Apratim Pragya Sports League-23" to promote the spirit of sports. The objective of this league is to hone the intrinsic skills in students and demonstrate their inherent talents across diverse faculty of sports.

We look forward to an enthusiastic and wholehearted participation from your school for the "Apratim Pragya - Pratispardha"- 2023 (अप्रतिम प्रज्ञा प्रतिस्पर्धा 2023) and "Apratim Pragya Sports League-23" which comprises of the following competitions –

1. Innovative Science Project/Model Competition - An event where ignited minds can be at the forefront of innovation and be inspired to explore their passion by exhibiting their science working models.
2. Debate Competition - Debate will be in Hindi and English on the specific topic (either in favor or against) of the following topic.

Topic- "Artificial Intelligence is a Blessing for Progressive New World and Society at large"
आर्टिफिशियल इंटेलिजेंस प्रगतिशील दुनिया एवं सृष्टि समाज के लिए बरदान है

3. IDEATHON (Innovative Idea presentation through Power Point)– This is an idea generation competition and presentation of the same through PPT, that would be based on a theme selected by the students out of **three themes** as enumerated in the enclosed rule book. Students can do necessary research and prepare on the selected themes in advance. After reaching the campus, the students will be given a problem statement on the pre-selected theme and would be given 1.5 hours to prepare the Power Point Presentation (PPT) to address the issue and come up with innovative solutions aligned with the problem statement mentioned in the slip picked by the students in our computer labs with internet facility. Further, they will be asked to present the same in front of the Jury Panel and the audience. (Presentation can be in Hindi or English).

Broad Themes

- i. Paradigm shift in Medical and Health Care
- ii. New Dimensions in Education System
- iii. Sustainable Development: Need of the Hour

Note:

- Students will earn extra points for generating & presenting new solutions for the given problem statements, rather than just pointing out the existing solutions.
- Out of the box ideas will have funding opportunities

4. **Group Singing Competition** – Singing is a beautiful expression of one’s feelings and dedication. This competition will welcome the beautiful vocals of your school to present songs on the theme of “Patriotic & Indian Folk Songs”
5. **Sports** are the best way to boost the physical and mental health of a student. The main objective behind conducting tournaments is to give exposure to students and bring out the leadership and team playing skills.

Following are the tournaments to be conducted:

- Junior Pickleball Tournament (Boys and Girls)
- Cricket Tournament (Boys)
- Football Tournament (Boys)
- Volleyball Tournament (Boys and Girls)
- Basketball Tournament (Boys and Girls)

Note: A March past competition is also scheduled for all the participating schools on the day of inauguration. Best two teams will be awarded with Shield.

Logical Operators

There are following logical operators supported by C++ language.

Assume variable A holds 1 and variable B holds 0, then -

Operator	Description	Example
&&	Called Logical AND operator. If both the operands are non-zero, then condition becomes true.	(A && B) is false.
	Called Logical OR Operator. If any of the two operands is non-zero, then condition becomes true.	(A B) is true.
!	Called Logical NOT Operator. Use to reverses the logical state of its operand. If a condition is true, then Logical NOT operator will make false.	!(A && B) is true.

Bitwise Operators

Bitwise operator works on bits and perform bit-by-bit operation. The truth tables for &, |, and ^ are as follows -

p	q	p & q	p q	p ^ q
0	0	0	0	0
0	1	0	1	1
1	1	1	1	0
1	0	0	1	1

Assume if A = 60; and B = 13; now in binary format they will be as follows -

A = 0011 1100

B = 0000 1101

A&B = 0000 1100

A|B = 0011 1101

A^B = 0011 0001

-A = 1100 0011
