

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Response

Strategic Goals and Objectives of IIST

Goal: To achieve and maintain a NAAC A+ grade by meeting the quality standards set by the National Assessment and Accreditation Council (NAAC) for higher education institutions in India.

Objective: Strengthen IIST's academic, administrative, infrastructural, and research components to meet or exceed the criteria outlined by NAAC for an A+ accreditation.

Key Focus Areas:

- Faculty Development: Recruit and retain highly qualified faculty, encourage continuous professional development, and ensure research and teaching excellence.
- Student Support and Progression:
 - a) To support meritorious students
 - b) Enhance employability quotient with holistic development
- Research and Innovation: Foster a strong research culture with an emphasis on high-quality publications, patents, and collaborations with industry.
- Social Responsibilities Program
- Emerging area like Robotics and Automation, Artificial Intelligence, and Data Science.

Key Milestones for NAAC A+ Accreditation:

- Submission of the Self-Assessment Report (SAR) with comprehensive documentation of activities and outcomes.
- Implementation of improvements based on feedback from the NAAC Peer Team.
- Continuous internal audits and reviews to align with NAAC criteria, ensuring institutional growth.
- Academic Excellence and Curriculum Development
- Launching industry-relevant courses and interdisciplinary programs.
- Upgrading curricula to focus on emerging fields like Artificial Intelligence, Cybersecurity, and Data Science.
- Implementing more student-centric pedagogies such as flipped classrooms, project-based learning, and blended learning models.

Research and Innovation Ecosystem

Establish a Research & Development (R&D) centre to drive innovation and foster collaborative research with industries and international universities.

Implemented R&D Promotion Policy to increase the number of research publications in high-impact journals and ensure faculty involvement in cutting-edge research.

Support entrepreneurship through start-up incubators and promote industry collaborations for student internships and projects.

Industry Collaboration and Placement Enhancement

Strengthen partnerships with industry leaders in technology, engineering, and management fields.

Establish co-op programs (cooperative education programs) with industries to provide students real-world experience alongside academics.

New Branches in emerging areas

Commencing of new UG Branches in emerging areas like Data Science and Robotics and Artificial Intelligence. Adding new PG courses in Artificial Intelligence and Data Science.

Social Responsibility Program

Working Collaboratively with all due humility with local panchayat, municipal corporations, district authorities, schools to assist them in different ways like imparting quality education in village schools, advance technical support to higher secondary schools and work for sustainable development with authorities.

Monitoring and Evaluation

Self-Assessment and Internal Audits: Continuous monitoring through internal assessments to ensure alignment with NAAC's criteria for A+ accreditation.

- **Annual Reviews:** Regular strategic reviews to assess progress on strategic goals and objectives, including academic growth, research output, student satisfaction, and infrastructure development.
- **Feedback Mechanisms:** Collect regular feedback from students, faculty, and industry partners to ensure continuous improvement and maintain quality standards.
- Stakeholder Engagement and Communication
- **Internal Stakeholders (Faculty, Students, Staff):** Regular updates on the progress of strategic initiatives related to NAAC A+ accreditation. Faculty and staff involvement in quality improvement activities, curriculum design, and research initiatives.
- **External Stakeholders (Industry, Alumni, Accreditation Bodies):** Active collaboration with industry partners for research, placements, and curriculum development. Engage alumni in mentorship, networking, and funding support.

Outcomes and Indicators of Success

NAAC A+ Accreditation: Achieving and maintaining NAAC A+ accreditation will be a major milestone in IIST's strategic journey, reflecting the institution's commitment to maintaining high standards in academic and administrative quality.

Academic and Research Excellence:

- Increased number of research papers published in international journals.
- Higher placement rates and industry collaborations.
- Positive feedback from students on academic programs and faculty quality.

Sustainable Infrastructure:

- Completion of infrastructure upgrades, including smart classrooms, laboratories, and campus facilities.
- Adoption of sustainable campus practices (e.g., solar energy, water conservation).
- Global Recognition:
- Improved national and international rankings, e.g., in NIRF (National Institutional Ranking Framework), QS Rankings, or other global rating systems.
- Expansion of global university partnerships and research collaborations.

Conclusion

The successful deployment of IIST's Strategic Plan will be evidenced by the institution's academic and infrastructural improvements, strong industry collaborations, and enhanced research output. Achieving NAAC A+ accreditation will serve as a recognition of the institution's commitment to quality education, operational excellence, and continuous improvement. By focusing on these strategic goals, IIST will not only meet the NAAC standards but also elevate its position as one of the premier institutions in the country for science and technology education.

1. Strategic Plan for Indore Institute of Science and Technology (IIST), Indore

A. Vision and Mission

Vision of the Institute

- To be a nationally recognized institution of excellence in technical education and produce competent professionals capable of making a valuable contribution to society.

Mission of the Institute:

- To promote academic growth by offering state-of-the-art undergraduate and postgraduate programs.
- To undertake collaborative projects which offer opportunities for interaction with academia and industry.
- To develop intellectually capable human potential who are creative, ethical and gifted leaders.

The **Strategic Plan** for the institute was developed in the year 2018 for a duration of 5 years. Vision, Mission, policies and plans are kept open to all stakeholders for their suggestions. The participatory role of the management encourages the involvement of all, ensuring effective governance. The main objective of the strategic plan was to enhance the employability quotient of the students with Holistic Development. Working towards this objective, the institute introduced Special Interest groups/Skill Improvement groups, emphasized on Project-Based learning, stresses increasing MoU and associations, and introduction of certificate courses, focuses on student connect initiatives, has developed startup ecosystem, and works on school connectivity programs.

The Institute ensures decentralized and participatory governance. It emphasizes collaborative administration by incorporating all its stakeholders. The Management enlists the talents of the teaching and non-teaching staff while shouldering various administrative responsibilities and appoints them as officials that include General Manager (Finance & Account), Registrar, Chief administrative officer, Chief Marketing Officer, Director Placement, Director CDC, Dean – Sports, Head of R & D Cell, Head of Incubation centre, AEC / IQAC Coordinator, Superintendent of Examinations, Heads of various Departments, and Coordinator of various clubs and committee. Teachers play an important role in implementing the vision and mission of the Institute and to that end play a proactive part in the decision-making process. Heads of Departments enjoy considerable administrative, Finance, and academic autonomy in running their disciplinary units. Students also participate in the governance of the Institution through effective representation in various clubs. The student representative acts as an interface between the administration and the students in curricular and extracurricular endeavours. This hierarchical structure makes sure of delegating the power and allocation of responsibilities for the smooth functioning of the Institute.

E-governance is incorporated in areas of administration, student admissions, support, library, and examination. Various types of feedback systems are adopted by the Institute for quality improvement. Grievances of the students are represented in the appropriate committees and

FOR THE / IIMR

resolved through suitable measures. The Management has kept Suggestion Boxes for the students to express their grievances anonymously.

B. Strategic Goals and Objectives of IIST

Goal: To achieve and maintain a NAAC A+ grade by meeting the quality standards set by the National Assessment and Accreditation Council (NAAC) for higher education institutions in India.

Objective: Strengthen IIST's academic, administrative, infrastructural, and research components to meet or exceed the criteria outlined by NAAC for an A+ accreditation.

Key Focus Areas:

Curriculum and Pedagogy: Enhance the curriculum with the latest industry trends and academic innovations, adopting a student-centric and outcome-based learning approach.

Faculty Development: Recruit and retain highly qualified faculty, encourage continuous professional development, and ensure research and teaching excellence.

Student Support and Progression: Improve student support systems such as counselling, mentorship, career guidance, and extracurricular engagement. Ensure high rates of student retention, success, and employability.

Infrastructure: Upgrade facilities like laboratories, classrooms, libraries, and digital resources to match the global standards of higher education.

Research and Innovation: Foster a strong research culture with an emphasis on high-quality publications, patents, and collaborations with industry.

Governance and Institutional Practices: Promote transparency, accountability, and participatory decision-making in governance, with an effective leadership structure.

C. Key Milestones for NAAC A+ Accreditation:

- Submission of the Self-Assessment Report (SAR) with comprehensive documentation of activities and outcomes.
- Implementation of improvements based on feedback from the NAAC Peer Team.
- Continuous internal audits and reviews to align with NAAC criteria, ensuring institutional growth.
- Academic Excellence and Curriculum Development
- Launching industry-relevant courses and interdisciplinary programs.
- Upgrading curricula to focus on emerging fields like Artificial Intelligence, Cybersecurity, Data Science, and Renewable Energy.

For IIST/ IIMR

- Implementing more student-centric pedagogies such as flipped classrooms, project-based learning, and blended learning models.

D. Research and Innovation Ecosystem

- Establish a Research & Development (R&D) centre to drive innovation and foster collaborative research with industries and international universities.
- Increase the number of research publications in high-impact journals and ensure faculty involvement in cutting-edge research.
- Support entrepreneurship through start-up incubators and promote industry collaborations for student internships and projects.
- Industry Collaboration and Placement Enhancement
- Strengthen partnerships with industry leaders in technology, engineering, and management fields.
- Increase the placement rate by organizing placement drives, industry-sponsored projects, internships, and skill enhancement programs.
- Establish co-op programs (cooperative education programs) with industries to provide students real-world experience alongside academics.

E. Infrastructure Development

- Upgrade campus facilities, including smart classrooms, modern laboratories, and state-of-the-art sports facilities.
- Promote a sustainable campus with green practices such as solar energy, water conservation, and waste management.

F. Resource Allocation for Effective Deployment

- Financial Resources: Budget allocation to meet NAAC's infrastructure and faculty development criteria and support research activities, digital transformation, and the implementation of quality improvement initiatives.
- Human Resources: Recruitment of qualified and experienced faculty members, establishment of continuous training programs for staff, and hiring administrative professionals to streamline operations.
- Technological Resources: Investments in modern educational tools, digital libraries, virtual labs, and online learning platforms to enhance learning outcomes.

G. Monitoring and Evaluation

- Self-Assessment and Internal Audits: Continuous monitoring through internal assessments to ensure alignment with NAAC's criteria for A+ accreditation.

For IIST, IIR, IIMR

Principal
Principal
Saturday, December 21, 2024
Indore Institute of Science
and Technology, Indore

- Annual Reviews: Regular strategic reviews to assess progress on strategic goals and objectives, including academic growth, research output, student satisfaction, and infrastructure development.
- Feedback Mechanisms: Collect regular feedback from students, faculty, and industry partners to ensure continuous improvement and maintain quality standards.

H. Stakeholder Engagement and Communication

- Internal Stakeholders (Faculty, Students, Staff): Regular updates on the progress of strategic initiatives related to NAAC A+ accreditation. Faculty and staff involvement in quality improvement activities, curriculum design, and research initiatives.
- External Stakeholders (Industry, Alumni, Accreditation Bodies): Active collaboration with industry partners for research, placements, and curriculum development. Engage alumni in mentorship, networking, and funding support.

I. Outcomes and Indicators of Success

NAAC A+ Accreditation: Achieving and maintaining NAAC A+ accreditation will be a major milestone in IIST's strategic journey, reflecting the institution's commitment to maintaining high standards in academic and administrative quality.

- Academic and Research Excellence:
 - Increased number of research papers published in international journals.
 - Higher placement rates and industry collaborations.
 - Positive feedback from students on academic programs and faculty quality.
- Sustainable Infrastructure:
 - Completion of infrastructure upgrades, including smart classrooms, laboratories, and campus facilities.
 - Adoption of sustainable campus practices (e.g., solar energy, water conservation).
- Global Recognition:
 - Improved national and international rankings, e.g., in NIRF (National Institutional Ranking Framework), QS Rankings, or other global rating systems.
 - Expansion of global university partnerships and research collaborations.

J. Conclusion

The successful deployment of IIST's Strategic Plan will be evidenced by the institution's academic and infrastructural improvements, strong industry collaborations, and enhanced research output. Achieving NAAC A+ accreditation will serve as a recognition of the institution's commitment to quality education, operational excellence, and continuous improvement. By focusing on these strategic goals, IIST will not only meet the NAAC standards but also elevate its position as one of the premier institutions in the country for science and technology education.

2. Annual Report

IIST Indore Institute of Science & Technology
Approved by AICTE, New Delhi, Affiliated to RGPV, Bhopal, Recognized by UGC under Section 2(f)
2023-2024
Annual Report from the Principal IIST
Vision, Mission, and Strategic Plan Overview

Vision of the Institute
The Institute aims to be a nationally recognized leader in technical education, committed to producing competent professionals capable of making a meaningful contribution to society. We aspire to create an environment where students excel academically and professionally, driving innovation, progress, and societal transformation.

Mission of the Institute
Our mission is centred around the holistic development of our students and the continuous improvement of the academic environment. Specifically, the Institute is dedicated to:

- Promoting academic growth through the provision of cutting-edge undergraduate and postgraduate programs.
- Undertaking collaborative projects that foster interaction between academia and industry, ensuring our students are well-prepared for real-world challenges.
- Nurturing intellectual capabilities and fostering creativity, ethical values, and leadership qualities in our students, ensuring they emerge as gifted professionals.

About IIST
Indore Institute of Science & Technology (IIST) was established in the year 2005. It is amongst the Top 5 Engineering Colleges in Indore. The Institute is approved by AICTE, New Delhi, and affiliated to RGPV Bhopal offering Bachelor's degree in CS, IT, EC, AITML, DS, Civil, Chemical and Mechanical Engineering and Master's Degree in CS, Machine Design and Digital Communication. At IIST, we are committed to enhance the employability Quotient of the Students along with holistic development. Towards this we have dedicated Special Interest Groups (SIGs) on emerging areas like Data Analytics, Cloud Computing, Artificial Intelligence, Internet of Things (IoT), Robotics, Mechatronics, Additive Manufacturing, Renewable Energy, Sustainable Development, etc. These SIGs focus on the Capacity building of the faculty and students and enable them to take up the activities related to training, research and development on the emerging fields. IIST is also associated with IITs like IIT Bombay Tor e-Yantra Robotics Lab, Spoken Tutorial and IIT Delhi for Virtual Lab and also have good Industry-Academia tie-ups like the AWS Academy, Red Hat Academy, Microsoft Imagine

Academy, Facebook Developer Circles, Google Developer Student Clubs, MSME, etc. to bridge the gap between the requirements of the industry and the curriculum through International National Certificate courses.

STRATEGIC PLANNING FOR 2023-2028

1. **Strengthening our core philosophy**
 - a. To support meritorious and talented students regardless of their economic circumstances.
 - b. To retain and to recruit exceptional, dedicated faculty and committed staff of integrity.
 - c. To emphasize on enhancing employability quotient with holistic development based on our Samgra Samutkash Yojana.
 - d. To impart most advance technical knowhow through our SIGs in artificial intelligence, data analytics, block chain, quantum computing and other emerging areas of all branches of engineering
 - e. To promote culture of integrity, mutual respect, excellence, team work and innovation.
2. **Establishing research centre and strong incubation cell:**
 - a) To make strategic investment in research infrastructure and library.
 - b) b) We have identified few priority areas such as artificial intelligence and its usage in various work areas, more advance technology related to drone , various field of electronics and other emerging areas of other branches.
3. **Interaction with industry leaders, founders of startups, alumni and entrepreneurs at least once in two months**
4. **Ensuring a robust ecosystem to enable our students, faculty and staff to achieve excellence in all their endeavors.**
5. **Enabling faculty and students to work across traditional boundaries by promoting a multidisciplinary approach.**
6. **Broadening our Horizon by developing new partnerships with international universities, student exchange programmes, MOUs with institutions of repute, MNCs and big industrial houses etc.**
7. **New branches in emerging areas.** To open new branches in emerging areas like data analytics, nanotechnology, robotics and automation.

8. **School of Data Science, "School without Walls"** Specially intended to leverage the power of data across all disciplines. We will work collaboratively with all due humility with local panchayats, municipal corporations, district authorities, and schools to assist them in different ways like imparting quality education in village schools, advance technical support to higher secondary schools and work for sustainable development with authorities. We plan to start with certificate program for under graduate and post graduate programs in offline and online mode.

9. **Third - Century Faculty:** This initiative aims to expand the existing Bicentennial system and open new world to engage online best researchers, teachers, and mentors to us and will definitely strengthen our capabilities in strategic and emerging fields.

In future, we plan to recruit diverse doctoral students and post doctoral fellows to develop future scholars and faculty to enhance our research and training.

10. **Providing outstanding and affordable health care system for faculty, staff and students.**

11. **Social responsibilities programs** To open new branches in emerging areas like data analytics, nanotechnology, robotics and automation. Specially intended to leverage the power of data across all discipline. We will work collaboratively with all due humility with local panchayats, municipal corporations, district authorities, schools to assist them in different ways like imparting quality education in village schools, advance technical support to higher secondary schools and work for sustainable development with authorities.

3. Point wise Summary for deployment of strategic plan

S. No.	Key Areas	Action Taken Date	Implementation Date	Status
Strengthening our core philosophy				
1	To support motivation and retained students regardless of their economic circumstances.			Policy based and implemented 415 students received Scholarship in year 2023 24 and 198 students benefited
2	To retain and nurture exceptional dedicated faculty and committed staff of college.			In Process
3	To emphasize on enhancing employability quotient with holistic development based on our unique Standardized System.			Having 19 different clubs in the college conducted 56 activities for the faculty. Also exposure of students
4	To equip our advance technical knowledge through the NKEs in fields of intelligence, data analysis, risk & team, quantum computing and other emerging areas of all branches of engineering.			Successfully conducted 1100 hrs. of training program under different NKEs in academic year 2023-24
5	To provide culture of integrity, mutual respect, excellence, team			Planning for host of faculty and staff with Indore Institute of Science & Technology

S. No.	Key Areas	Action Taken Date	Implementation Date	Status
Establishing research centre and strong incubation cell				
1	To make strategic investment in research infrastructure and library			Purchased software like MATLAB, ANSYS and high-end computers and 3-D Printer for research infrastructure Purchased journals in library to promote research Implemented R&D process flow policy
2	We have identified few priority areas such as artificial intelligence and its usage in various work areas, more advance technology related to drone, various field of electronics and other emerging areas of other branches.			Decided to promote the Drone club and other technical clubs Started new courses in emerging areas of engineering
Interaction with industry leaders				
3	Interaction with industry leaders			20 nos of Guest Lectures conducted in 2023-24
Ensuring a robust ecosystem to enable our students, faculty, and staff to achieve excellence in all their endeavors				
4	Ensuring a robust ecosystem to enable our students, faculty, and staff to achieve excellence in all			In Process Principal Indore Institute of Science & Technology Principal's Signature

Indore Institute of Science & Technology

Policy for promotion of Research and Publication

EQUiSTUDENTS

Student at IIST, can gain valuable research experience and contribute to the academic community through publishing their work. To encourage the efforts of students, IIST offers financial support.

Publication Incentives:

- Category 1: Rs. 1,800 for article publication in conference.
- Category 2: 50% of registration fees for article publication in IEEE / Scopus indexed conferences.
- Category 3: Rs. 4,000 for article publication in UGC CARE Journal.
- Category 4: Rs. 12,000 for article publication in SCOPUS/WoS indexed Journal.
- Category 5: Rs. 45,000 for article publication in SCI / SCIE indexed Journal.

Distribution of incentive amount:

- First author: 100% of publication incentive (if applicable).
- Second author: 70% of publication incentive (if applicable).
- Third author: 40% of publication incentive (if applicable).

Additional Notes:

- Only one grant will be given for one publication.
- Students can claim only one grant in one category during their tenure of program. (Except SCISCIIE publication category).
- All publications and presentations must acknowledge IIST affiliation.
- All grants are subject to the availability of funds.
- Students must apply for funding through the Research and Development Cell (RDC) and respective department.

FOR FACULTIES

IIST encourages faculty to engage in scholarly pursuits through financial incentives for various publication and research activities.

Category 1: Journal Publication Incentives:

- Rs. 4,000 for article publication in UGC CARE Journal.
- Rs. 12,000 for article publication in SCOPUS/WoS indexed Journal.
- Rs. 45,000 for article publication in SCI / SCIE indexed Journal.

Category 2: Conference Publication Incentives:

- Rs. 1000 for article publication in conference.
- Rs. 6000 for paper publication in SCOPUS/IEEE/WoS of scopus indexed conferences.

Category 3: Book Publication Incentives:

- Book publication with National Publisher and with ISBN No. Rs. 7000
- Book publication with International Publisher and with ISBN No. Rs. 12000

Category 4: Book chapter Publication Incentives:

- Edited Book chapter with International Publisher and with ISBN No. Rs. 2000.

Category 5: Patent Copyright / Design Patent Incentives:

- Registration fees of Copyright and Patent will be paid by the institution. (As per recommendation of Institute IP and D Cell).

Category 6: Workshop / Conference Attended / Professional Membership Incentives:

- Conference / Workshop attended national and International in India: 50% of registration amount + Duty leave.
- Conference / Workshop attended outside of India: 30% of registration amount or Rs 15000 whichever is minimum.
- Membership of professional bodies: 30% of registration amount.

Distribution of incentive amount:

- First author: 100% of publication incentive.
- Second author: 70% of publication incentive.
- Third author: 40% of publication incentive.
- Fourth author: 20% of publication incentive.

Additional Notes:

- Budget Allocation for one publication year:
 - Professor: Rs. 1,00,000 +
 - Associate Professor: Rs. 40,000 +
 - Assistant Professor: Rs. 30,000 +
- Category wise limit for publication incentive in one publication year:

Category	Maximum you can apply in one publication year
Category - 1	03*
Category - 2	01
Category - 3	01*
Category - 4	01
Category - 5	02-03
Category - 6	01
- All publications and presentations must acknowledge IIST affiliation.
- All grants are subject to the availability of funds.
- Faculty must apply for funding through the Research and Development Cell (RDC) and respective departments.
- Only one grant will be given for one publication.
- Policy is effective from 1st Jan 2024.
- Funding limitations are not applicable for SCISCIIE publications.

I. Introduction
The Indore Institute of Science and Technology has decided to introduce a revised merit scholarship system for students showing a high level of Merit during their academic program. It is aimed at bringing in an academic rigor among students and keeps them focused on their academic track as well as to sports. This policy document details the various Merit Scholarships that will be bestowed upon the students and the framework to implement and disburse the Scholarship. There will be three types of rewards cum scholarship for the students:

- IIST Merit Scholarship
- IIST Conventional Scholarship
- IIST Sports Scholarship

2. IIST Merit Scholarships

This Scholarship consists of two categories.

First category: - The Institute offers scholarships to the meritorious candidates based on their academic performance in examinations prescribed by the DTE, viz 10+2 or Graduation, Rank/Score in All India/State Level Entrance/ Aptitude Test.

Procedure for Grant of Scholarship: - The scholarships will be automatically granted on admission based on academic performance in examinations prescribed by the DTE, viz 10+2 or Graduation, Rank/Score in All India/State Level Entrance/ Aptitude Test.

Second category - This consists of the Scholarships that will be given to students who are overall tops of their branch in one complete academic year. At the end of each academic year, a merit list consisting of the first, second and third rank in each program will be prepared based on CGPA for consideration for merit scholarships. The program supports during an academic year will be given a medal and a certificate.

3. Scholarship Award Committee

The Scholarship Award Committee shall be constituted by the Group Advisor. The Composition of Scholarship Award Committee will be as under:

- Head of the Institute
- Head of the Department or Nominata by Head of Department
- Dy. Registrar, Student Section
- Finance Officer or Chief Finance officer

The recommendations of the Scholarship Award Committee will be placed before the Group Advisor for approval and sanction. The grant/reversal of the Scholarship or decisions to revoke scholarships will be communicated by the Dy. Registrar to the concerned Head of Department, the student, and the Finance officer.

4. IIST Concessional Scholarship

The Institute is situated in the rural region. Most of the students at the Institute desire to get admission but because of the financial issues they could not get it. Institute offers financial aid to needy students who opt for admission in B.E or B. Tech through concession in fee or Concessional scholarship fund. The students who are intending to avail this facility have to submit their application in a prescribed format to the student section. The head of the Institute, based on the applicant's academic performance and the economic background, scrutinizes the applications and the same is discussed with Group Advisor. The recommendation of the Group Advisor is forwarded to the GB and receives final approval.

The recommendations of the Concessional Scholarship will be placed before the Group Advisor for approval and sanction. The grant/reversal of the Scholarship or decisions to revoke scholarships will be communicated by the

Dy. Registrar to the concerned Head of Department, the student, and the Finance officer

5. IIST Sports Scholarships

Institute believes that a successful student must be an all-rounder, and to keep pace in our field, we ensure the students have enough opportunities to showcase their talent both at state and later Institute level. Sport brings various cultures together and bridge gap between students and genders. Institute promotes excellence in sports activity conducted at various levels in the form of sport scholarship. The Institute has a rich tradition of excelling in sports.

Report on Financial Statements

1. We have audited the Financial Statements of IIST, Indore Institute of Science and Technology ("the Institute"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Income and Expenditure for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. The Institute's Management is responsible with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position and financial performance in accordance with accounting principles generally accepted in India, including the accounting principles based on the Chartered Accountants' Code of Ethics, which comprises the Statement of Accounting Policies and other explanatory information. This responsibility also includes maintaining proper books of account relating to the assets and liabilities of the Institute and for presenting and disclosing therein such information and explanation as may be necessary for enabling us to ascertain the true and fair view of the financial position and financial performance of the Institute.

3. It is the responsibility of the Institute's Management to ensure that the accounting records and supporting documents are maintained in accordance with the accounting principles generally accepted in India, and that the financial statements are prepared on the basis of these records and supporting documents.

4. Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the accounting and auditing standards and practices which are required to be followed in the audit report under provisions of section 143 and the Companies Act, 2013.

We conducted our audit in accordance with the Standards on Auditing specified by the Institute of Chartered Accountants of India. These Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

5. In our opinion, based on the audit evidence obtained, the financial statements are free from material misstatement. The procedures adopted during the audit, including the assessment of the risks of material misstatement of the financial statements, were appropriate in the circumstances.

INTERNAL HACKATHON 2023

The Internal Hackathon of IIST was conducted on 9th Sept 2023 (On 25 August 2023 a list of about internal hackathon was given). It was an offline. There were idea presentations from 35 teams. Total 30-35 selected teams will be official nominations to Smart India Hackathon 2023. The selected teams will be 'inclusive of the teams from Students' Innovation category.

The idea-selection activities were conducted by panel of 4 judges during the Internal Hackathon and the judgment was solely based on the ideas that were presented by prospective team in prescribed format. Details of jury panel is given below:

- Mr. Gaurav Goyal
Asst Director
MSME DI, Indore
Mob: +91-9713612424
Email: gaurav.goyal@msme.gov.in
- Poojesh Cholkar
CIO at PTC and AWS Trainer
Mob: +91-7049235525
Email: poojeshc@gmail.com
- Dr. Shiveta Agrawal
Professor and Researcher
Mob: +91-930032334
Email: shiveta.agraves@gmail.com
- Ash Singh Kushwah
Software Engineer
Brightest Solution Private Limited

Note-Sheet

Subject: Regarding on-duty approval for the SIH-2023 Mentors.

It is a proud moment for IIST that our 8-teams (48-students) are shortlisted for the Grand-Finale of the SIH-2023. All the teams are going to participate in the finale by going to their respective allotted nodal centre. Each team is also assigned a faculty mentor, that will go with them to the nodal centre. As the faculty mentors will be assisting the teams in the grand finale, they will be considered as **ON-DUTY** & working on the given below dates:

S.No.	Name of Mentor	Name of Team	Nodal Centre	On-Duty Dates		Signature
				From	To	
1	Mr. Ganesh Patidar	818_Busted Minds & Hexa_Dominion	MU, Jaipur, Rajasthan	18/12/23	22/12/23	
2	Mr. Rakesh Verma	0818_Innovators	WIMDR, Maharashtra, Mumbai	17/12/23	22/12/23	
3	Mr. Rakesh Jain	818_Rudra	CVR Global University, Odisha, Bhubaneswar	17/12/23	23/12/23	
4	Mr. Shivang Trivedi	818_Contagious Tech	KITCE, Kolhapur, Maharashtra	17/12/23	22/12/23	
5	Mr. Ankit Muley	Automation Achiever	LPU, Jalandhar, Punjab	16/12/23 (Half day)	26/12/23	
6	Mr. Nitin Chouhan	Drstantah	GTU, Ahmedabad, Gujarat	17-12-23	21/12/23 (Half day)	
7	Mr. Devendra Kushwah	0818_codeArmy	VCE, Karnataka, Mysuru	16/12/23 (Half day)	23/12/23	

Kindly, approve for the same.

Thank you.

Dear Sir/Madam,

Warm greetings from Unnat Bharat Abhiyan!

Congratulations on being selected as a Participating Institution under Unnat Bharat Abhiyan, a flagship program of the Ministry of Education (MoE), Government of India. We are delighted that you have chosen to adopt a cluster of villages under Unnat Bharat Abhiyan (UBA) in collaboration with the District Collectors.

The next step entails completing the survey of all villages adopted by your institution under the program. Attached herewith, you will find a template for the Baseline Household Survey form and the Village Survey form, to be utilized during the field survey. It is encouraged to aim for comprehensive coverage of all households in the village. One Village Survey form should be completed for each village. Kindly ensure prompt completion of these surveys across all villages. Subsequently, the data should be uploaded online via the reporting portal on the UBA website from your end. The login credentials for the Reporting Portal are the same as your registration credentials, and they have been activated for data upload. Upon final submission of the baseline survey data, an analysis report will be generated on the UBA website, accessible through your Institute page under the Reporting Portal on the homepage. This report can be utilized for formulating action plans, village development plans, and technological interventions for each village.

Seed funding of INR 50,000 per institution will be disbursed to you upon receipt from the funding agency, the Ministry of Education, Government of India.

Dear Sir/Madam,

Congratulations to all the Participating Institutions (PIs) selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

As per the programme, educational institutions is primarily to develop linkage with selective rural clusters (preferably of five villages), to get involved in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters. The approach is a departure from the grant oriented method and would see the participation and commitment of faculty and students in this endeavour.

We shall be processing release of Rs. 10000/- per village under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure. There are provision of Rs 1.0 lakh for technological intervention/ solution and Rs 0.50/- lakh for customization of a technological solution under the program. Which you can avail of afterwards by submitting proposals with ratification of the Gramsabha. A two-way channel between PIs and National Coordinating Institute (NCI) as well as Subject Expert Groups (SEGs) for project proposal submission and evaluation has been developed and functional on UBA portal. You can use your login credential for uploading proposals on UBA website 'FINANCIAL AIDS'. The login credentials are same as your registration login credentials.

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.

Regards and best wishes for your institution for contributing to India's development.

With regards

Your Sincerely,
Prof. Virendra K Vijay
National Coordinator,
Unnat Bharat Abhiyan
