2023-2024

1. Green Campus initiatives

The institutional initiatives for greening the campus:

A. Limiting Automobile Access

Implementing restricted entry zones for motor vehicles to reduce emissions and promote a cleaner, quieter campus environment.

B. Promotion of Eco-Friendly Transportation

Encouraging the use of bicycles and battery-powered vehicles to reduce the carbon footprint, enhance mobility, and promote sustainability.

C. Pedestrian-Friendly Pathways

Designing and maintaining walkable, safe, and accessible pathways for pedestrians, fostering a more sustainable, car-free campus atmosphere.

D. Plastic-Free Policy

Enforcing a strict ban on single-use plastics to minimize waste, promote eco-friendly alternatives, and reduce environmental impact.

E. Sustainable Landscaping

Utilizing native trees, plants, and green spaces to improve air quality, create natural habitats, and enhance the overall aesthetic and ecological value of the campus.

These initiatives work together to create a more sustainable, eco-conscious campus environment.

8. IIST Green Campus Policy

Indore Institute of Science & Technology
APPROVED BY - AICTE (New Delhi) & Affiliated by - UGC (New Delhi)

POLICY DOCUMENT ON GREEN CAMPUS POLICY

Green Campus Policy

A Green Campus is a place where environmental friendly practices and education system jointly promote sustainable and eco-friendly ambiance in the campus. The objective of this policy is to foster a culture of self-sustainability and make the entire campus environmental friendly.

Institute protects its own environment with its green campus policy and keeps its campus pollution free. We undertake green audit to ensure balance between environment and educational performance of the institution. The college administration is having environmental consciousness. Therefore, a special focus is given on the plantation of saplings and their nourishment. Every year, tree plantation is done on the college campus during the rainy season. Thus, college undertakes environment friendly practices to maintain eco-friendly balance in the college campus.

Policy includes points related to the institutional initiatives for greening the campus is as follows:

1. Restricted entry of automobiles
2. Use of Bicycles/ Battery powered vehicles
3. Pedestrian Friendly pathways
4. Ban on use of Single use plastics
5. Landscaping with trees and plants
6. Green waves club
7. Green Audit Committee

Restricted entry of vehicles

- All the vehicles of college staff/ faculty members are encouraged to get the emission certification before entering the vehicle in college campus.
