

7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

To build a nation of youth who are noble in attitude and morally responsible, the college organizes a variety of activities designed to foster an environment that promotes ethical, cultural, and spiritual values among both students and staff. The institution aims to cultivate emotional and religious awareness through the celebration of commemorative days, supported by the management. These events not only provide recreation and entertainment but also encourage unity and social harmony across the campus.

The college is committed to inclusivity and equality, embracing students from diverse backgrounds, including different castes, religions, and regions, ensuring that all are welcomed without discrimination. Despite the institution's rich socio-cultural diversity, there is a strong spirit of tolerance and respect for cultural, regional, linguistic, communal, and socioeconomic differences.

Faculty and staff actively participate in celebrating cultural and regional festivals, such as the orientation and induction programs, oath-taking ceremonies, tree plantation drives, Women's Day, Yoga Day, and festivals like Ganesh Chaturthi and Diwali. Additionally, motivational lectures by eminent personalities are regularly organized to support the holistic development of students, equipping them with the skills and values needed to become responsible citizens who uphold the national ideals of social and communal harmony, as well as national integration.

Alongside academic and cultural initiatives, the college has invested in robust infrastructure to support a wide range of sports activities, encouraging the physical development of students. In this way, the institution strives to create an inclusive environment that celebrates diversity while promoting tolerance and harmony in all its forms.

#### Summary

IIIST celebrated the auspicious festival of Navratri on 20<sup>th</sup> October, 2023. Navratri is a Hindu festival that is celebrated for nine nights and ten days, typically in the autumn months of September or October. The word "Navratri" is derived from two Sanskrit words: "Nav" meaning nine and "Ratri" meaning night. The festival is dedicated to the worship of the Hindu goddess.

It is a multi-faceted festival with religious, cultural, and social significance. Its purpose is to celebrate and worship the goddess, strengthen spiritual connections, promote unity and cultural values, and encourage personal growth and purification. It's a time of joy, devotion, and reflection for millions of people across India and the world.

All the faculties, staff, and hostel facilities and students (especially for evening aarti & puja) participated every auspicious day of navratri.

The evening ended with a prize distribution ceremony wherein the Best Traditionally Dressed Dancer and the Best-Dancer from students were felicitated by the Principal Sir Dr. Keshav Patidar. The Schedule was as follows –

For organizing cultural events we  
need Tents and decoration

We are currently taking the  
service of Mrs. Agrawal Tent  
House for our various programs.  
We spoke to him about the  
same. He gave the quotation of  
Rs20/-per Sq FT with truss. On  
negotiation, he reduced the rate to  
Rs 18/-.

The requirement of tentage is  
same as per the 2022, the vendor  
is tried and tested and has done  
the work for us in 2022. It creates  
no trouble for the last year.

It is requested to kindly approve  
the quotation on single quotation  
basis.

Please consider and perusal and  
approval

**Summary:**  
Earth Day is celebrated annually on 22 April. It serves as a reminder of the importance of environmental protection and sustainability. We celebrate Earth Day to raise awareness about the critical environmental challenges facing our planet and to mobilize efforts to address them. By coming together on Earth Day, we reaffirm our commitment to protecting the environment, promoting sustainability, and ensuring a healthier and more resilient future for all life on Earth. It's a day to reflect on our individual and collective impact on the planet and to take meaningful action to safeguard its precious resources.

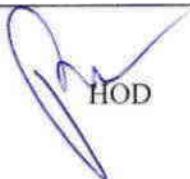

Under the Green Wave Movement, On 5th Earth Day Monday, April 22, 2024, IIST celebrated the Earth Day. All the faculty Members, Staff & Students have taken oath to save environment and protect natural resources. We believe that we are stewards of nature, plants, and our lands and that the individual responsibility lies with each of us. Our planet needs our help to thrive. Earth Day activities can range from river cleanups to removals of invasive plants.

On this occasion Hon'ble Group Advisor Shri Arun S Bhatnagar motivated the students & provided tips to save environment. He also discussed with the students that how we can contribute to reduce climate change and protect our natural resources by making small changes that make a big difference.

They have been selected for their respective club performances, and would be engaged in the practice of the event from 11th March till the commencement of the final event.

So we humbly request you to please grant attendance for the lectures that they won't be able to attend during the above mentioned period. And all of us will also make sure that during this period, we will cover all the academic work that will miss out and will not demand for any remedial classes to be conducted afterwards. Thus, we just request you to kindly grant us attendance for the same so that we would not have to face any issues in the near future.

Thank you

Yours Obediently

We had poetry enthusiast and as well as the audience who were simply looking for an enjoyable evening. "Kavi Sammelan" served the dual purpose of celebrating cultural diversity and fostering artistic expression. It aspired to inspire students by providing a stage for established and emerging poets to share their creative verses by showcasing a range of languages, themes, and poetic styles.

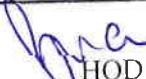

This event also united students and their creative writing creating a sense of togetherness through a shared appreciation for poetry. It recognized the talent of poets, encouraging their growth in the field.

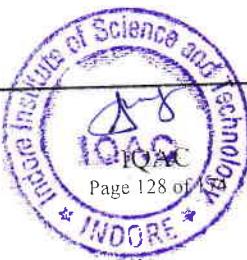

## Code of Conduct:

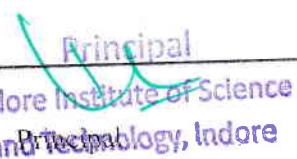

To start, we circulated Google Forms in every department of our three institutes: IIST, IIP, and IIMR. Following this, we conducted hybrid screening round for registered participants, shortlisting them based on the quality of their self-written content.

For the shortlisted participants, we ensured guidance on content refinement and provided a platform for them to express their creativity.

The primary objective of this event was to uncover and nurture the talents within our institutes, offering them a platform to showcase their creative abilities. This event encouraged and provided opportunities for our students to express their artistic talents effectively and professionally.

**Summary**

On 19<sup>th</sup> March 2024, an event was organized with the participation of 12 students of IISI in the HMR in Dazzle 2024. A rangoli competition without a specific theme allows participants to freely express their creativity and cultural heritage through the traditional art form of rangoli. Rangoli, originating from India, involves creating intricate designs using colored powders, rice, floral petals, or other materials. In this type of competition, participants have the freedom to design their rangolis based on their imagination, personal style, and traditional techniques. The absence of a theme encourages a diverse range of designs, each reflecting the individuality and culture background of the artist.

Participants are typically given a designated space to create their rangolis within a specified time frame. Judging criteria often include creativity, originality, technical skill, symmetry, use of colors, and overall aesthetic appeal. Judges, often consisting of artists, cultural experts, or community members, evaluate the rangolis and award prizes to the winners.

Rangoli competitions without a theme provide participants with an opportunity to celebrate their cultural heritage, showcase their artistic talents, and engage with their community. Such events promote cultural exchange, appreciation for traditional art forms, and the spirit of creativity and unity.

## A. Event Report-Oath Ceremony

| <br><b>Indore Institute of Science and Technology</b><br>Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal  | <b>Karvachauth Celebration</b>   |
| Name of Event: Oath Ceremony   | Date of Event: 1st Nov, 2023   |
| No. of Participants: 57 (Female staff)   |  |
| Venue: Audi- Cafeteria   |  |
| Participants: All the female faculties and staff   |  |
| The event was organized by honorable Rekhta ma'am  |  |
| <b>Summary –</b>   |  |
| Karva Chauth is a traditional Hindu festival primarily observed by married Hindu women in Northern India, although it is gaining popularity in other regions as well. The word "Karva" refers to a clay pot, and "Chauth" means the fourth day, signifying that the festival falls on the fourth day of the Hindu lunisolar calendar, which is usually in October or November. Karva Chauth is a day-long fast observed by married women for the well-being, longevity, and prosperity of their husbands. Here are some key aspects of the celebration and its significance: |  |
| Fasting: Married women fast from sunrise to moonrise on Karva Chauth. They abstain from consuming food or water during this time, making it a challenging and significant part of the ritual. The fast is broken only after sighting the moon in the evening. Women usually wake up early, dress in colorful and traditional attire, and adorn themselves with jewelry and henna (mehendi) on their hands. The fast is initiated with a pre-dawn meal, called "sargi," which is prepared by the mother-in-law and consists of various sweets, fruits, and other food items.  |  |
| Puja (Worship): Women come together in the evening, along with friends and family, to perform a special puja. They use a decorated clay pot (karva) filled with water, a plate of sweets, and an oil lamp as part of the puja. At IIIST the event was hosted by respected Rekha Bhatnagar ma'am for all the female faculties and staff.  |  |
