### Envisioning All-Inclusive Growth at IIST

Indore Institute of Science & Technology (IIST) focuses on holistic student development through the Samagra Samutkarsh Yojana (SSY), preparing students for Industry 4.2 and life beyond academia. SSY enhances intelligence, emotional, social, and happiness quotients through initiatives like Skills Improvement Groups (SIGs) and personalized support via the Syndicate system. The institute also offers financial assistance, ensuring education for all.

Clubs and career programs help students explore interests, while empathetic Group Advisors provide mentorship. Students engage in communication training, physical fitness through dedicated sports infrastructure, and environmental initiatives like the Green Waves Movement. Social awareness is promoted through the NSS Unit and School Connect programs.

SSY's outcomes include boosted student confidence and improved placements, with merit-based fee structures and financial support ensuring no student is left behind. IIST fosters entrepreneurship and innovation, while workshops like "Know Thyself, Evolve Thyself" promote self-discovery and stress management.

Graduates of IIST are skilled professionals and responsible citizens, ready to make meaningful contributions to society.
