HOD

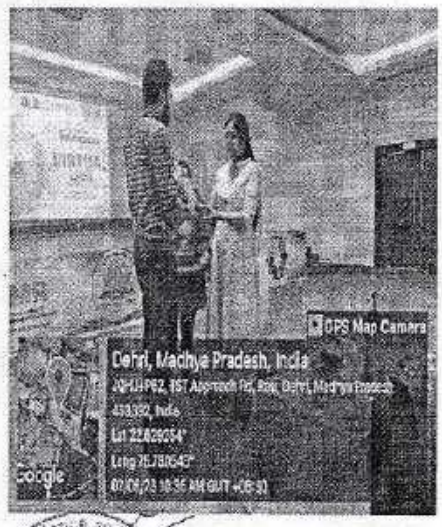

Principal

Summary

Indore Institute of Science and Technology in Indore organized a one-day training session on "Virtual Labs" on June 2, 2023. The workshop was conducted in collaboration with IIT Delhi. Virtual Labs is an initiative by the Ministry of Human Resource Development (MHRD) and the Government of India (GOI) under the National Mission on Education through Information and Communication Technology (NMEICT). A total of 329 students {divided into two sessions; first session for CS and IT students and 2nd session for ME, CE, CM, AIML, IOT and EC students} and 12 faculty members from various streams such as Electronics and Communications, Computer Science, Information Technology, Mechanical Engineering, and Applied Sciences took part in the workshop.

Mr. Chandan Kumar and Mr. Chirag Dey mentioned that nowadays, computers can control and store data for many types of equipment. This is useful because it allows us to create experiments using this equipment to help students learn more effectively. They also discussed a website called Virtual Lab, which has important features. Many different educational institutions have created various labs on this website for students at different education levels. They demonstrated some experiments in labs related to Basic Electronics, Data Structure, Programming Techniques etc to the students.

Afterwards, the students had a chance to use the Virtual Lab Portal by themselves. They were split into four computer labs and got to do experiments in Digital Logic Design, Data Structure, Basic Electronics, and Programming Techniques using the Virtual Lab. The faculties from IIST and experts from IIT helped and guided the students. In each lab, the students successfully performed at least two experiments on their own.

The workshop was really beneficial, especially for undergraduate students from different areas of study. It gave them a chance to gain practical experience with the experiments and enhance their understanding of Virtual labs using the V-lab portal.

"Induction Session for all Tech Committees of IIST"

Objectives and Course Outcomes

Learning Objectives

The objective of the Session is:-

Who should join Google Developer Student Clubs?

Can I join multiple chapters?

What does a GDSC lead do?

Who can lead a club?

How do I apply to become a club leader?

What are the benefits of becoming a GDSC lead?

What is the time commitment?

What is the timeline for applying for the GDSC Lead position?

Indore Institute of Science and Technology

Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal

Name of the Event: Introduction to Tech clubs of IIST
Organizing department. : CSE
Session: July to Dec 2022
Date of Event: 2 September 2022

SUMMARY:

The session began with words of enlightenment by Hon.DG sir. DG sir briefed the students about the importance of technologies specifically about how learning to code can help them make a good career for themselves.

The program proceeded further with the introduction to different tech clubs of IIST. Firstly the audience was introduced to the GDSC club and its team followed by the CODECHEF IIST chapter in which PUNEET DIWEDI (cp lead) conducted a wonderful session on the importance of competitive programming and logic building. He also made the session quite interactive by explaining some concepts in an easy manner.

After CODECHEF the audience was introduced to GFG and Algozenith.

After the introduction to the tech clubs, the speaker session began and this time we had none other than ANURAG MISHRA sir as our guest speaker.

Anurag SIR's session was the most interactive one as the complete audience got indulged in it and sir too left no stone unturned in motivating the audience. He also guided the audience by sharing his experience of what all he had learned in his 3 years of engineering degree and the activity in which he asked the students to anonymously write their doubts and interests on a piece of paper proved to be a cherry on the cake.

The session ended on a good note and with a vote of thanks by SARIKA mam.

INDUSTRY PROFILE

Quality Circle Forum of India was registered as a non-profit and non-political organization under AP Public Society's Act On 31st December 1982. QCFI is recognized as the institution representing the Quality Circle Movement In India and has represented the country in several international forums. The organization has successfully implemented Quality concepts under the TQM umbrella across several industry verticals who have experienced a phenomenal enhancement of their work processes and productivity after implementation of Quality Concept Tools.

QCFI represents India in the 14 nation International Committee that has been set up for organizing International conventions on Quality Concept Circle, annually. To date, QCFI has organized three International convention in India. In addition, chapter convention and National convention are held every year where members present case studies and technical papers are discussed by leading Quality Concept Practitioners. In-house Training and Orientation Programs is QCFI's main strengths and has conducted numerous such training programs effectively. These in-house programs are based on Quality Circles integrated with TQM and related concepts.

EVENT SUMMARY

An expert lecture on Quality was organized by Department of Mechanical Engineering on 26/05/2023 11 am onwards at Seminar Hall III. The topic for the expert Session was Quality Concepts. The expert for the session was Mr. Abhsihek Jain, Quality Head, ECV Ltd. Pithampur.

The session started with the floral welcome of the guest by HOD Mechanical Engineering Dr. D.V.Singh. Dr. Keshav Patidar, Principal, IIST brief the students on the importance of Quality Ctrl in product development. After this Mr. Abhishek started the session by introduction to Quality.

He thoroughly explained the Basics of quality ctrl. The terms like variation, Quality, Process ctrl, cause & effect were firstly discussed. After a short break quality improvement tools were explained by the expert.

After this he went on to cover the cause and effect diagram.

The students got benefited in the form of gaining the knowledge on Quality Concepts.

At the end of the session Mr. Abhishek answered all the queries asked by the students. The Vote of thanks was given by Faculty Coordinator Mr. Vipin Patel.

Check Brackets II	MINREVE...	13	46.67
Least Coin Value	MINCOINS...	9	43.48
Alex and his Friends	DOGSAFE...	1	50
Amit and his Beautiful Su...	GOODSTR...	0	0

Check Brackets II:

Only Difference between Check Brackets I and II, is to print the number of minimum reversals to make the string balanced.
Given a string s containing just the characters '(', ')', print the minimum number of reversals that need to be done, to make the string balanced, or print '-1' if the string cannot be made balanced. A reversal is defined as converting an opening bracket to a closing bracket or vice versa. For Example: converting '(' to ')' counts as one reversal.

Input Format:

- The first line of input will contain a single integerT, denoting the number of test cases.
- Each test case consists of multiple lines of input.
- The first line of each test case contains a string of brackets only '()'.

Output Format:

For each test case, output on a new line the minimum number of such reversals required.

Dear Sir,

Greetings from Indore Institute of Science and Technology

IIST, Indore is conducting a 7 day workshop on "emerging trends in engineering". We would like to invite you as a guest speaker for "AIML" , "Data Science" on 16th & 17th April, 2023 from 10am to 12noon. We request you to please accept our invitation and grace the event.

Thank you sir.

–
Dr. Sathish Kumar Penchala
Associate Professor & Head
Dept of Computer Science & Engineering

Day Wise Schedule

Day 1 (16th April, 2023)	9:20 am to 9:30 am	Zoom call joining	Students will join the session
	9:30 am to 9:45 am	Inauguration	Brief Description of IIST college and all speakers by Dr. Shijji Shukla
	9:45 am to 10 am	Inaugural Speech	Hon. Director General
	10 am to 11:50 am	Artificial Intelligence and Machine Learning	Mr. Himanshu Ramchandani (Industrial Trainer)
	11:50 am to 12pm	Question and answer	Discussion with trainer
Day 2 (17th April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Data Science	Mr. Himanshu Ramchandani (Industrial Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
Day 3 (18th April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Cyber Security	Mr. Rakesh Verma(Academic Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
Day 4 (19th April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Block Chain	Mr. Umesh Sahu (Academic Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
	9:40 am to 9:50 am	Zoom call joining	Students will join the session

Remarks / Feedback

NDLI CLUB conducted a session of Mr. Sushir Sohani, Sr Librarian, IIST, on 16th March 2023 for students of IIST. Sir has introduced the NDLI Club to students. He also mentioned the benefits & facilities provided by the NDLI portal. He also explained the registration process to the students and got them registered. Sir has also informed them about the E-journals facilities like J.Gate, and Delnet. He also made the students aware of the function and rules of the library and the procedures for issuing books. it was an information session for students. At last, he also answered all the queries and doubts of the students.

Name of the Event: "Introduction to Git and GitHub"
Organizing Department. : CSE
Session: Jan-June 2023
Date of Event: 24 May 2023

SUMMARY:

Introduction:

The Google Developer Student Club (GDSC) IIST organized an event on May 24, 2023, titled **"Introduction to Git and GitHub."** The event aimed to provide students from all branches of CS and IT, including AI/ML and EC, with a comprehensive understanding of Git and GitHub, essential tools for version control and collaborative development. The event was organized under the guidance and mentoring of Sarika Purohit, the GDSC IIST Lead, and with the support of Mr. Pritesh Saklecha, the Faculty Coordinator.

Agenda:

The event encompassed a comprehensive agenda designed to introduce the participants to the fundamentals of Git and GitHub and equip them with practical knowledge and skills. The agenda included the following topics:

1. Introduction to version control and its importance
2. Understanding Git: Concepts, commands, and workflows
3. Introduction to GitHub: Repository management and collaboration features
4. Hands-on exercises and demonstrations
5. Q&A session and interactive discussions

Trainers:

The event featured Rishabh Rathore as the primary trainer for the session. Rishabh Rathore, the Technical Lead of GDSC IIST, has extensive experience in utilizing Git and GitHub for collaborative software development. His expertise ensured a comprehensive and informative session for the participants.

Event Outcome:

The event successfully achieved its objectives by providing participants with a solid foundation in using Git and GitHub for version control and collaborative development. Attendees gained practical knowledge through hands-on exercises and demonstrations. The interactive Q&A session facilitated a deeper understanding of the topics covered.

INDUSTRY PROFILE

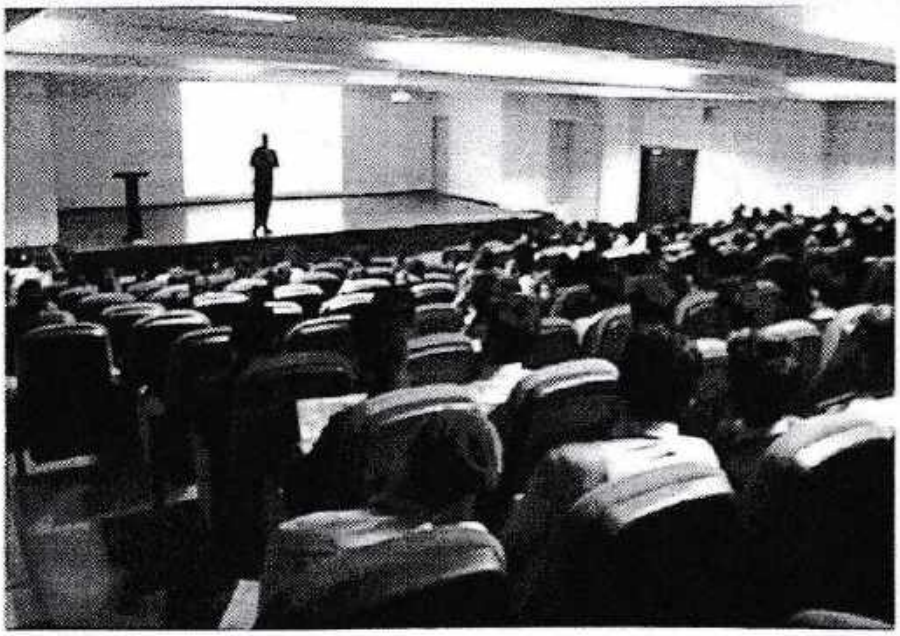

Manish Shah and Associates in Sudama Nagar, Indore is known to satisfactorily cater to the demands of its customer base. It stands located at E 2403, Sudama Nagar, Indore 452009. Sudama Nagar is a prominent landmark in the area and this establishment is in close proximity to the same. It has earned stamps like Jd Verified, Jd Pay substantiating the credentials of the business. The business strives to make for a positive experience through its offerings.

Customer centricity is at the core of Manish Shah And Associates in Sudama Nagar, Indore and it is this belief that has led the business to build long-term relationships. Ensuring a positive customer experience, making available goods and/or services that are of top-notch quality is given prime importance.

India's leading B2B market place, Jd Mart ensures engaging in business activities is a seamless process for small and medium enterprises as well as large businesses. In a wake to enable these businesses to reach their audience, this portal lets them showcase their offerings in terms of the products and/or services through a digital catalogue. This business has a wide range of product offerings and the product/catalogue list includes Switch Board, Lt Switch Board, Electrical Panel, Flow Meter, Electrical Switchgear etc.

EVENT SUMMARY

An expert lecture on Basics of Heat Transfer Phenomenon was organized by Department of Mechanical Engineering on 13/12/2023 11 am onwards at Audi 1. The topic for the expert Session was Heat transfer phenomenon. The expert for the session was Mr. Namit J., Mechanical Engineer, Manish Shah & Associates Indore.

The session started with the floral welcome of the guest by HOD Mechanical Engineering Dr. D.V.Singh. Dr. Keshav Patidar, Principal, IIST brief the students on the applications of heat transfer phenomenon in various sectors of Engineering. After this Mr. namit started the session by introduction to heat, heat transfer, heat flux and heat transfer modes.

He thoroughly explained the Basics of heat transfer processes in various applications of Engineering. The mathematical aspects of heat transfer and governing equations like Fouriers law, Stephen boltzman law and Newtons law. Each and every law was discussed and all the expressions were also derived.

After this he went on to cover the engineering processes in which the heat transfer phenomenon occurs.

The students got benefited in the form of gaining the knowledge on Heat transfer.

At the end of the session Mr. Namit answered all the queries asked by the students. The Vote of thanks was given by Faculty Coordinator Mr. Umesh Badode.

Event Report

Introduction: On 04/04/2023, KTRC Engineering Services, in collaboration with the Indore Institute of Science and Technology (IIST), conducted a one-day Total Station training program for civil engineering students. The event aimed to provide students with practical experience in using Total Station equipment, enhancing their surveying skills, and preparing them for real-world applications in the field of civil engineering.

Agenda:

Morning Session:

1. Introduction to Total Station (9:30 AM - 10:00 AM): The training commenced with an introductory session on Total Station technology, its applications in civil engineering, and its significance in modern surveying.

2. Fundamentals of Surveying (10:00 AM - 11:00 AM): The basics of surveying were covered, including concepts like measurements, distances, angles, and coordinate systems.

3. Total Station Components and Setup (11:00 AM - 12:00 PM): Students were introduced to the various components of a Total Station and learned how to set up and calibrate the equipment for accurate measurements.

4. Hands-On Practice (12:00 PM - 1:00 PM): The morning session concluded with a hands-on practice session, where students were divided into small groups and given the opportunity to operate Total Station instruments under the guidance of experienced trainers.

Lunch Break (1:00 PM - 2:00 PM): A lunch break was provided to allow students to recharge and interact with their peers.

Afternoon Session:

5. Data Collection and Processing (2:00 PM – 2:30 PM): In this session, students were taught how to collect data using Total Station and how to process the collected data for various engineering applications.

6. Surveying Applications (2:30 PM - 3:00 PM): The training covered real-world applications of Total Station in civil engineering projects, including land surveying, construction layout, and topographic mapping.

IQAC

DEPARTMENT OF CIVIL ENGG.

7. Q&A Session (3:00 PM - 3:30 PM): The event concluded with a question-and-answer session where students could clarify doubts and seek additional information from the trainers.

Closing Remarks (3:30 PM - 4:00 PM): The day ended with closing remarks from the organizers, expressing gratitude to the trainers, students, and the Indore Institute of Science and Technology for their participation and support.

Conclusion: The one-day Total Station training event organized by KTRC Engineering Services in association with Indore Institute of Science and Technology was a resounding success. It provided valuable hands-on experience to civil engineering students and equipped them with the skills and knowledge needed for modern surveying techniques. The event fostered a spirit of learning and collaboration among the participants, ensuring that they are well-prepared for future challenges in their field.

To

The Principal

IIST Indore (M.P.)

Subject: Regarding permission to organize a "7 days special Camp" under National Service Scheme(NSS) unit of IIST Indore.

Respected Sir,

With reference to the above subject, NSS unit of IIST Indore is planning to organize a 7 days special camp from 22/03/2023 to 28/03/2023 at village Narlai, District Indore (Goud Gram of NSS unit IIST Indore). The details of the participants in this camp are as follows:

S.No	Students	Faculties	Other	Total	Remarks
01	50	4	3	57	1 Female faculty or Female guard is required

Kindly permit to organize the above mentioned camp.

Thanks and Regards

NOTICE

This is to inform you that N.S.S. unit of Indore Institute of Science and Technology is going to organize a special camp at village Narlai from 22/03/2023 to 28/03/2023. All the interested students of IIST have to give concern of their Parent/Guardian to the faculty coordinator of the event. The faculty coordinator for the event is Mr. Mahaveer Dangi, Assistant Professor, Civil Engineering Department and student coordinator is Shivlesh Verma, Civil Engineering Department.

So, I invite all the students of Indore Institute of Science and Technology to participate in the camp and get advantages.

INTRODUCTION

National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the youth through voluntary community service. 'Education through Service' is the main purpose of NSS. The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi.

The program aims to instill the idea of social welfare in students and to provide service to society without any bias. An NSS volunteer places the 'community' before 'self'. NSS attempts to establish meaningful linkages between 'Campus and Community', 'College and Village' and 'Knowledge and Action'. The volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity.

Objectives behind the NSS:

- To enable the students to understand the community in which they work.
- To understand themselves in relation to their community.
- To identify the needs and problems in the community in the solution of which they can be involved.
- To develop among themselves a sense of social and civic responsibility.

The motto of the National Service Scheme is:

'NOT ME, BUT YOU'

This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society as a whole.

Day 5: 26/03/2023, Sunday

Day 5 began with the morning routine activities like Prabhat Pheri and also had the surprise visit from our honorable DG sir early in the morning.

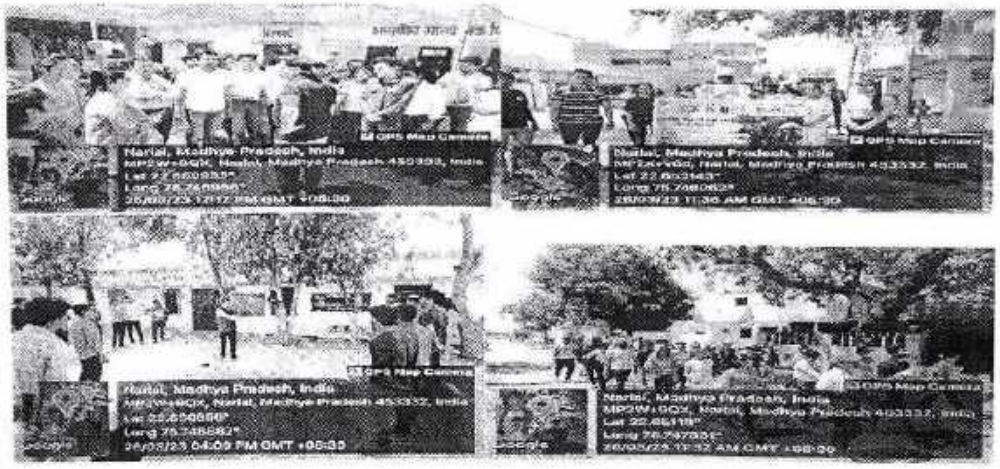

We also hosted Shri Ghanshyam Joshi (Gram panchayat member), Shri Ashok Choudhary (National level powerlifter), Zila (district) Panchayat members Shri Nayan Joshi ji and Shri Gajendra Dubey. During their visit to our camp we had a discussion with them about problems of village.

The volunteers conducted a rally in the village, with sloganning on topics like Beti Bachao-Beti Padhao, Plastic free environment, and tree plantation. A poster making competeion was also organized for the same.

We also got a visit from Lokendra Singh Yadav, Dal-Nayak and Sumit Tiwari, from NSS unit, Govt. College of Rau. They shared their experiences with the volunteers and also told us about how NSS impacts your life, in great depth. We also played games like Rumal Jhapatta and Kitne bhai kitne with them.

Baudhik Lecture :

DG sir shared his thoughts about various topics, ranging from what is thought, Dhayana, Ashtanga yoga, Intellectual Spirituality, importance of dialogue between children and parents, importance of Guru, God and faith, importance of heartfulness meditation etc.

Day 6: 27/03/2023, Monday

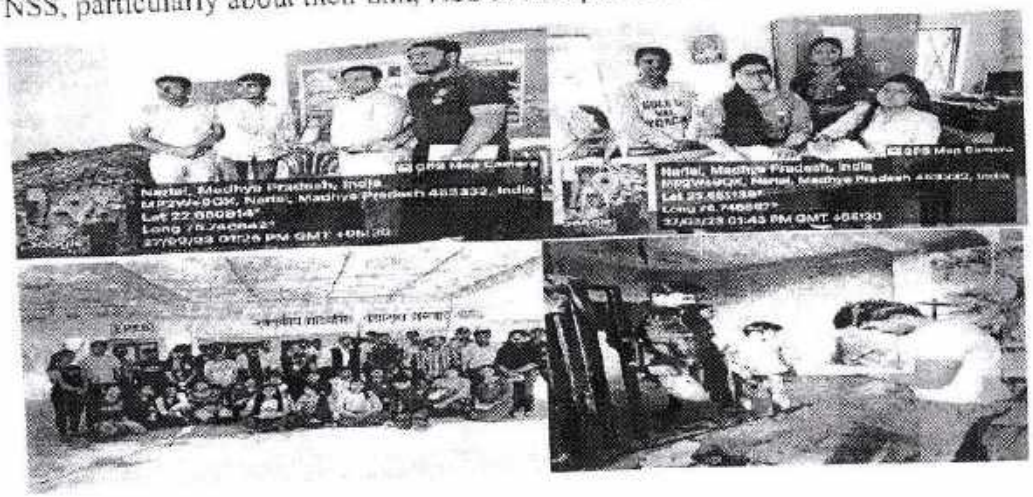

Day 6 began with the morning routine activities like Prabhat Fehri, jogging, exercises, Surya Namaskar. The volunteers conducted a survey on formal education and employment in the village. About 36 volunteers were divided into teams of 4, to cover more ground

We also hosted people from Heartfulness Meditation, which came for a three day heartfulness program, as invited by our DG sir. The program involved three sessions on three consecutive days. In the first day, they told us about heartfulness and its importance. They also taught us some simple relaxation techniques.

Some volunteers also took to teach the students of govt. school. Also, the mid-day meal or lunch was prepared and served by the volunteers. In the revaluation meeting, it was decided to continue the survey for another day, as not all houses of the village had been covered. Teaching of students by volunteers was also decided to be extended.

Baudhik Lecture :

The guest speaker of the lecture was honorable Dr. P. Harekrishna, Program officer, Medicaps university along with Anurag Padiyar, Dal Nayak, NSS Medicaps university. Dr. Hari Krishna sir enlightened us in detail about NSS, role of discipline in student life. Sir also told us about the different types of certificates and camps under NSS. Both Dr. Hari krishna sir and Anurag sir shared their experiences with NSS, particularly about their unit, NSS Medicaps and its functions

इन्दौर इन्स्टीट्यूट ऑफ

Day 7: 28/03/2023, Tuesday

The last day began with the morning rountine activities like Prabhat Fehri, jog, exercises, Surya Namaskar. The volunteers continued to teach the students of govt. school. Also, the mid-day meal or lunch was prepared and served by the volunteers.

We hosted the people from Heartfulness Meditation for the second of the three session heartfulness program. Cleaning and re-energizing technique was taught by them. Even though it was the last day of our camp, it was decided to extend the camp for one day in the revaluation meeting, as the last session of heartfulness program was to be done tomorrow.

Baudhik Lecture :

The guest speaker of the lecture was Ms. Geeta Dhakad, Former NSS Dal-Naika and NSS B & C certificate holder. Geeta mam shared details about NSS and her experience as NSS volunteer. She also told us to balance our studies and duties as NSS volunteers in student life.

Cultural Program :

On request from the villagers, the volunteers, along with villagers performed Sundar Kand from 8 PM to about 10:00 PM. The prasad and dinner was prepared by the villagers, assisted by our volunteers.

Note sheet

To,

The Director General,

IIST/IIP/IIMR

Subject: Request for conducting IIChE events on 20th January 2023.

This is in reference to the request for conducting IIChE event. The following are the details regarding the event to be conducted:

Event Name	Date	Event Coordinator	Student Coordinator
Chem-E-TOK (Quiz Competition)	20th January 2023	Mr. Pankaj Malviya	Tanveer Sheikh
Post Perfe-Chem (Poster Presentation)	20th January 2023	Ms. Farhin Khan	Kritpal Ghoshkar
Acs4Chem (Blog Writing Competition)	20th January 2023	Ms. Palak Shah	Muskan Gangwani
Sports Activity (Cricket Match)	20th January 2023	Mr. Rahul Bhargava	Navneet Sharma

We would request to grant the permission to conduct the event and to allocate Seminar Hall for the same. The strict timing for the event would be from 9:30 onwards. Furthermore, in regards with the above mentioned subject matter. For successfully completion of the events planned under IIChE for chemical engineering students.

- No of Certificate – 150
- No of Prizes – 3* I prize worth Rs 1000 and 3* II prize worth of Rs. 500= Total Rs. 4500
- A Trophy for prize holders – 1
- High Tea & Snacks for Students & Faculty- 120 Nos.

Please do the needful.

Event Summary

Department of Chemical Engineering of IIST Indore has successfully Visited to NIT Indore. Students have learnt about the sustainable technologies and emerging trends related to chemical engineering. A total of around 24 students were indulged in the visit from 2nd, 3rd and 4th year. Dr. RajMohan K. Soundarya, Assistant Professor Chemical Engineering Department NIT Warangal, Prof. G.D. Gadekar, Principal ICT Mumbai have evidently shared their experiences with the students and taught them the need of the chemical engineers and sustainable development in the upcoming years.

SCHEMCON-2022

Students' Chemical Engineering Congress (SCHEMCON), is an annual event organized by the institutes having Students' Chapter of Indian Institute of Chemical Engineers (IIChE) under one of its Regional Centers (IIChE Headquarter, Kolkata). Chemical engineers interested in innovation and professional growth will meet with academic and industry experts to cover wide range of topics relevant to cutting-edge research, new technologies, and emerging growth areas in Chemical Engineering. It provides a platform for the Chemical Engineering Students to interact, learn and gain exposure to the expanding arena of Chemical Engineering.

Theme of the Conference

This SCHEMCON 2022 on **'Sustainable Technological Advancements In Chemical Industries -2022 (STAC-2022)"** aims at exploring recent developments and trends in chemical engineering. All topics relevant to the theme but not limited to the following broad categories:.

- ❖Chemical Industry 4.0
- ❖Materials and Polymers for Advanced Separation Processes
- ❖Biochemical, biorefinery and Chemical Processes for Circular Economy
- ❖Catalysts for Sustainable Development
- ❖Physical, Theoretical and Computational Studies of Chemical Processes
- ❖Energy and Environment

Events: Invited Lectures, Paper and Poster Presentations, Technical Quizzes and Fun events.

Abstract Submission and Publications

Abstract: Abstract not exceeding 250 words in a specified format should be submitted via email schemcon2022@gmail.com. At least one author/co-author must register for presenting paper at the conference. The conference will be conducted in hybrid mode (online + offline). Download template from the website.

Publications: *Selected papers will be published in a peer reviewed Journal subject to publishing guidelines of the journal..*

M.P. Chary Award: The awardee has to be an outstanding young chemical engineer below 35 years of age, doing PhD or completed PhD in last year who will be required to make a presentation on his research work or his/her view on selected topic. The award carries M.P. Chary Medal and a cash prize of Rs. 10,000/-. , an abstract should be submitted by 25th August, 2022. The Abstract Template can be downloaded from the www.iiche.org.in

Registration Fee

Participants#	IIChE Member	Non-Member
UG/PG Students	₹ 500	₹ 750
Research Scholars	₹1000	₹ 1500
Scientist /Faculty from Academic Institutions	₹1500	₹ 2000
Industrial /Research Institutions/Professional Bodies	₹2500	₹ 3000
Accompanying person	-	₹ 2000
M P Chary award		
Upto Sept. 15th 2022	₹ 2000	₹ 2500
Upto Sept. 23rd 2022	₹ 3000	₹ 3500

#Registration fee cover registration kit, souvenir, and participation certificate. *Please send photocopy of IIChE membership certificate/identity.

Payment can be made through electronic bank/wire transfer. Payment must be received before 15th September, 2022 (Final).

Banking details for electronic transaction are as follows:
Account Name – SCHEMCON IIChE - (2022)
Savings Account Number – 41050332185
Bank Name – State Bank Of India, REC WARANGAL
Branch Codes: IFSC:SBIN0020149;MICR:506002030; SWIFT:SBININBBH14.

Important Dates

Submission of Abstract	05th August, 2022
Acceptance Notification	25th August, 2022
Last date of Registration Fee payment	5th Sept, 2022
Conference Dates	23rd -24th Sep, 2022

About NIT Warangal

National Institute of Technology, Warangal (Deemed University), formerly known as Regional Engineering College, was established in 1959. The Institute is constantly striving to achieve higher levels of technical excellence and its NIRF ranking 2021 is 23rd in engineering category. There are 14 Departments offering 8 undergraduate and 31 post-graduate programs besides doctoral programs. About 5500 National and International students stay on the campus. It is a fully residential campus sprawling over 250 acres with excellent infrastructure in the form of state-of-the-art library, seminar halls, guest houses and laboratories.

The Institute has shown excellent initiative in bagging big projects of substance and quality in the past few years.

Department of Chemical Engineering

Department of Chemical Engineering Since its inception in 1964 has its alumni occupying responsible positions in several MNCs and Civil services. Our department celebrated it's Golden Jubilee during 2014-15 and it offers one UG, two PG programs viz., M.Tech in Chemical Engineering and M.Tech in System and Control Engineering and PhD programs.

About IIChE and HRC

The Indian Institute of Chemical Engineers is a professional body with its head office in Kolkata. It has 42 Regional Centers and 165 Student Chapters. IIChE organizes meetings, conferences, and seminars; Moreover, it arranges workshops, refresher courses, and counseling sessions; promoting research, guiding chemical engineering students in career planning; and, initiating any other activities which are of social, technical, and professional relevance to their members through its regional centers. The HRC of IIChE has been promoting continued engagement among stakeholders associated with Chemical Engineering. IIChE-HRC has conducted several professional events like CHEMCON, SCHEMCON, conferences, workshops, seminars, and panel discussions on several themes related to chemical engineering and technology. IIChE-HRC has also been conducting M. P. Chary Endowment lectures annually since the year 2008 with eminent speakers. IIChE – HRC was conferred with Best Regional Centre Award-2019 as a recognition of its accomplishments.

To,

The Head of Department,

Indore Institute of Science and Technology,

Indore (M.P.).

Subject: - Regrading faculty coordinator for SCHEMCON 2022 and financial assistance for the same.

Respected Ma'am,

We are delighted to inform you that our abstract got selected in the SCHEMCON 2022 and we are willing to go to NIT Warangal for the paper presentation. As we will be going to a different state, we feel we should be accompanied by our department faculties and so kindly give us permission to take two faculties (one male and one female) along with us for the event. The date of the event will be 23rd and 24th September.

The students whose abstract got selected are

1. Rudra Joshi (2nd year)
2. Goutam Chatterjee (3rd year)
3. Nitya Kasera (3rd year)
4. Aditi Narware (4th year)
5. KrupaliUmbarkar(4th year)
6. Mithilesh (4th year)
7. Rishabh Meena (4th year)
8. Rishika Sharma (4th year)
9. Vishal Singh (4th year)
10. Anika Garg (3rd year)
11. Chandan Hazra (3rd year)
12. Kartikey Sharma (3rd year)
13. Vaishali Raghuvanshi (3rd year)
14. Navneet sharma (4th year)
15. Disha Gawande (4th year)
16. Anjali Sachwani (4th year)
17. Muskan Gangwani (4th year)
18. Mukund Yadav (4th year)
19. Ashita Singh (4th year)
20. Sanskruti Joshi (4th year)
21. Suhani Jain (3rd year)
22. Shivam Bhatnagar (3rd year)
23. Priyanshu Baghel (2nd year)
24. Aashi (2nd year)
25. Milind Diwakar (2nd year)

Note Sheet

Subject: Visit for Schemcon 2022 at Warangal from 21st September 2022 to 28th September 2022.

We are pleased to inform you that Students of chemical engineering department have participated in **Schemcon 2022** and are shortlisted to present their Paper in the event which is conducted at NIT Warangal. So, It is highly addressed that please provide **Duty leave from 21st to 27th September** to faculty **(Ms. Palak Shah and Mr. Rahul Gupta)** to accompany with the students around 26 (12 Girls and 14 boys).

Kindly approve the amount for the faculties which is categorized as:

Charges	Total Amount for Two Faculty
Registration Fees	4000
Guest Stay at NIT Warangal	4000
Travel Tickets +Local Transport	2000
Local Stay At Hyderabad	4000
Food Expenses	2000
Total Amount	**20000**

I request you to give permission to proceed further for the same.

SCHEMCON 2022 Aug 6, 2022, 11:5

to me

Dear authors

Kindly refer to the website: http://cms.nitw.ac.in/schemcon/index.html#hero

01. First upload this abstract:

Abstract with contact details of authors should be uploaded in the google form: https://docs.google.com/forms/d/e/1FAIpQLSe_7I8j5Xv-bIpXdauxaQ545nbCeXF

However, with the permission of the organizing secretary, Your abstract is **accepted for presentation.**

Kindly proceed to **pay the registration Fee** for every author willing to attend the conference.(PG/PhD scholar from NITW: Rs. 750)

01. SUBMIT THE PAYMENT PROOF SCREENSHOT/PDF FILE IN THE GOOGLE FORM GIVEN BELOW:

https://forms.gle/mzRRcSvEHeDscRaT6 Minimum One author should pay the registration fee.

02. You are requested to resubmit the abstract in the template attached herewith, it can be downloaded from the website also Abstract template can be downloa the https://docs.google.com/document/d/1CHaXP5_Zv9HmAk-9_q0Vd9ak_zGbiMLu/edit.

If an acceptance letter is required for getting permission from your college/institute, it will be issued upon request,after making the payment of registration fee C Payment receipt or verification please contact : Mr. Prince (9935656916). After filling the google form with payment proof,https://forms.gle/mzRRcSvEHeDscRa

Dear Mam,
Subject: Appreciation for Session Chair during Technical event in SCHEMCON-2022 -Reg.

SCHEMCON-2022 *(18th Annual Session of Chemical Engineering Students Congress)* was organized by the Department of Chemical Engineering, National Institute of Technology Warangal & Indian Institute of Chemical Engineers - Hyderabad Regional Centre (IIChE–HRC) on 23rd & 24th September 2022.
The program started with a grand Inaugural program with Padmasri Prof. G.D. Yadav as chief guest and Prof. N.V. Ramana Rao, Director NIT Warangal as Guest of Honor. Dinesh Butala, IIChE President, Dr. Avijit Ghosh, Hon. Sec., and Dr. Sanjay Bharwaj, IIChE HRC Chairman were the delegates present.
This two-day event included Keynote Lecture by Padmasri Prof. G.D. Yadav and Invited Lectures by eminent scientists or professors from CSIR, DAE, IITs, Central University, and Industries.
Around 300 abstracts were received and around 280 papers (Oral and poster) were presented during SCHEMCON-2022. This conference was conducted offline and online independently with invited lectures and 5 parallel sessions for offline
Similarly, Invited lectures and 4 parallel sessions were organized for online participants. First day evening a cultural event was conducted to entertain the delegates and students after a prolonged technical session. Students presented their paper and also took part in Technical Quiz conducted.

This mega event would not have been successful without the contribution of **Session Chairs and Session coordinators**.

On behalf of the Organizing Committee of SCHEMCON-2022, I personally thank you for rendering your valuable time to Session Chair during Technical sessions conducted in SCHEMCON-2022.

PFA: Certificate, Link to Videos & Feedback of participants.

With Best Regards,

(Dr. K.S. Rajmohan)

IIST IIC Letter of Appreciation

MoE's INNOVATION CELL

Letter of Appreciation

Dear Sir/Madam,

Please accept our sincere gratitude to all the chief functionaries and every members of the IIC Institution's Innovation Council (IIC) of Indore Institute of Science & Technology for the continuous support and contribution towards building the innovation and entrepreneurship culture development in your campus and also extending support to help other IIC institutions towards growth of the IIC network during the academic year 2022-23.

Chief Functionaries of the IIC at Indore Institute of Science & Technology, Indore

Name	Position
Dr. Richa Gupta	President
Ankit Jain	NISP Coordinator
Dr. Keshav Patidar	Chairman
Ankit Jain	NIRF Coordinator,ARIIA Coordinator
Ms. Megha Birthre	Internship Activity Coordinator
Puneet Duggal	Vice President
Vivek Gupta	Social Media Coordinator
Lokesh Aurangabadkar	IPR Activity Coordinator
Dr. Niraj Soni	Start up Activity Coordinator
Dr. Margi Chhabra	Innovation Activity
Nishant Vijayvargiya	Convener

As we are progressing towards a 'quality' driven I&E ecosystem development, we strongly believe that the IIC model and its unique structure is definitely putting your HEI's thoughts, actions and aspirations in a systematic way to achieve inclusive and holistic development of the ecosystem.

Thanks & regards,

Yours Sincerely,

Dipak Kumar Sahu

Title : SHAKTI 1.0

Date of Event : 05/07/2023

Coordinator : Ms. Rati Gupta

Summary:

IIT Indore has launched a women oriented pre incubation Shakti 1.0 for students at IITI Drishti CPS foundation. They will provide opportunities to fresh graduates and final year graduating females. They will also provide Training on Fundamentals of entrepreneurship along with One-on-One Business mentoring sessions. Drishti foundation will give a fellowship of INR. 5000 per month for each selected female and additional funding options for top performing candidate upto INR 1 Crore. Not only undergraduate females they have different fellowship and programs for postgraduate and PHD female students also.

After attending the session, a brief about the programme has been shared to all the students so that they can take maximum benefit of it.

Department of Electronics and Communication Engineering successfully completed a two-day FDP-cum Workshop in association with e-Yantra, a project based at the CSE department at IIT Bombay and funded by the MHRD under the ICT program, from February 10th to 11th, 2023.
In this workshop, faculties were introduced to the basic concept of robotics and did hands-on work on a Fire-bird V robot using embedded C coding on the Atmel Studio platform. Students are also participating in this workshop. There were a total of 33 participants who attended the workshop. Mr. Kalind Karia and Mr. Krutarth Trivedi (Trainer) from e-Yantra, IIT Bombay, delivered this workshop. The workshop has been inaugurated by Prof. Kavi Arya sir, Principal Investigator, e-Yantra CSE Department, IIT Bombay, along with Dr. Keshav Patidar, Principal, IIST, and Mr. Ankit Jain, HOD. The workshop consists of technical talks, quizzes, feedback, and interactive sessions with all the attendees handled by trainers.

ANKIT JAIN <ankit.jain@indoreinstitute.com>

IIT Bombay, e-Yantra Lab Setup Initiative (eLSI): Confirmation of registration details and information regarding Modalities for organizing Two-day workshop

1 message

e-Yantra IITB <master@e-yantra.org>
Reply-To: support@e-yantra.org
To: ankit.jain@indoreinstitute.com

Thu, Dec 15, 2022 at 11:50 AM

e-Yantra IIT Bombay

Respected Sir/Madam,

Greetings from e-Yantra!

Thank you for your interest in hosting e-Yantra Two-day Workshop at your college (for faculty/teachers).

Following are the details filled by you:

College: Indore Institute of Science and Technology
Name: Ankit Jain
Email ID: ankit.jain@indoreinstitute.com
Designation: Head of Department
Gender: Male
Preferred Date: 10/02/2023

Please find all the information and modalities of organizing a Two-day workshop in your college.

The workshop will be for teachers of engineering and polytechnic colleges in your vicinity and will involve hands-on sessions based on a Robotics Research/Education platform.

We require participants from at least 20 colleges to host the workshop. In order to invite colleges for the workshop, we need a list containing the contact information of interested colleges.

Please fill the attached excel sheet with relevant details regarding colleges in your vicinity and send us on support@e-yantra.org.

Please find below the modalities for conducting the Two-day Workshop at your institution:

Workshop Modalities:

1. No fee will be collected from any participant. Tea/Lunch will be provided on both the days of the workshop.
2. **All travelling and staying expenses of the team members attending the workshops are borne by their respective colleges.**
3. e-Yantra will reimburse incidental costs (food, tea) against original receipts to the prospective Coordinating Center.
4. Each participating college team member registers at the venue on the first day of the workshop. Any change in the team members is allowed until the day of the workshop. No changes will be allowed after registration at the workshop.

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

5. Teachers will be given a participation certificate from e-Yantra upon successful participation on both days of the workshop.

Coordinating College (CC):
CC is responsible for the following:

1. arranging a venue -- detailed requirements are provided in the attachment (see attached file)
2. arranging for modest lunch and tea for participants for both the days
3. arranging for stay for 3/4 e-Yantra team members (e-Yantra Project will bear/reimburse the cost of project staff staying arrangements)
4. nominating 3 students/junior faculty as facilitators -- for each day of the workshop to assist
5. registration of the participating team members
6. maintaining an account of expenses separately for e-Yantra activities

Note: e-Yantra will reimburse incidental costs (food, tea) against original receipts to the prospective Coordinating Center (approximately up to around Rs 350-400 per participant per day).

College:

1. Each participating college team member registers at the venue on the first day of the workshop.
2. If teams travel from locations which would require them to stay near the CC – these expenses related to travel and stay are to be borne by their respective colleges.
3. Teachers will be given a participation certificate from e-Yantra upon successful participation on both days of the workshop.

e-Yantra:

1. e-Yantra team will conduct the 2-day workshop -- boarding and lodging expenses of e-Yantra team will be borne/reimbursed by e-Yantra project.
2. e-Yantra team will bring robotic kits for the workshop, registration forms, and feedback forms.

Regarding reimbursement for workshop expenses:

- e-Yantra will reimburse the workshop related expenses online through a vendor creation at IIT Bombay portal after the workshop.
- It may take around 3-4 weeks for reimbursement after submitting the bills through vendor creation.
- No reimbursement will be made before or during the workshop.

More details will be provided at a later stage.

IMPORTANT: Please avoid Flex banners, Flower bouquets, and Mementos.

Feel free to contact us on support@e-yantra.org or call us on 022-2576-4986 in case of any query.

Thanks and Regards
e-Yantra Team
IIT Bombay

e-Yantra is a project sponsored by MHRD through the National Mission on Education through ICT (NMEICT)

ANKIT JAIN <ankit.jain@indoreinstitute.com>

IIT Bombay, e-Yantra Lab Setup Initiative (eLSI): Invitation to Attend the Two Day Workshop at Indore Institute of Science and Technology, Indore

1 message

e-Yantra Support <support@e-yantra.org> Wed, Jan 11, 2023 at 6:15 PM
Cc: ANKIT JAIN <ankit.jain@indoreinstitute.com>, principal@indoreinstitute.com, e-Yantra Support <support@e-yantra.org>

Respected Sir/Madam,

Greetings from e-Yantra!

We invite you to a 2-day workshop on "Introduction to Robotics" conducted by *e-Yantra - a project based at CSE Department, IIT Bombay and funded by the Ministry of Education (MoE), Govt. of India.*

Your college can nominate 2-4 teachers to participate in this 2-day workshop.

Details of Two day workshop :

Date : **10th and 11th February 2023**

Time : **9:00 A.M. - 06:00 P.M. (on both days)**

Venue : **Indore Institute of Science and Technology, Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh 453331**

To Register for 2-Day Workshop (Click Here) --> http://elsi.e-yantra.org/meetWorkshop/form

Note : There is no registration fee to participate in the workshop. The registrations for the workshop are on the First Come First Serve (FCFS) basis.
Please register before 19th January 2023.

The Coordinator details are as below:

Coordinator : Ankit Jain
Contact Number : 9827596927
e-mail : ankitjain@indoreinstitute.com

e-Yantra is a flagship project of MoE through the National Mission on Education through ICT (NMEICT) to spread Embedded systems and Robotics education in Engineering, Polytechnic, and Science colleges.

This workshop is conducted as a part of e-Yantra Lab Setup Initiative (eLSI). Through eLSI, we have established robotics labs in **440+ colleges** across the country. To know more about this nationwide initiative, refer to this video: https://youtu.be/Y-MB7dusGss and the lab setup proposal attached with the email.

eLSI is a holistic approach to

- Impart theoretical and programming skilled based knowledge
- Provide hands-on experience to teachers and students through online training
- Help colleges set up their own robotics labs and innovation activities

Colleges interested in setting-up a robotics Lab under this initiative are required to submit a Letter of Intent (LoI). The format for the Letter of Intent (LoI) is attached with the email.

Colleges who have given the Letter of Intent (LoI) are all confirmed to attend the workshop. However, colleges who have not expressed their interest in the e-Yantra Lab Setup Initiative (eLSI) through the formal LoI can

IQAC

also depute a team of 2-4 teachers for the 2-day workshop.

Here are the modalities of the workshop:

1. No fee will be collected from any participant. Tea/Lunch will be provided on both the days of the workshop.
2. All traveling and staying expenses of the team members attending the workshops are borne by their respective colleges.
3. Each participating college team member has to give the attendance at the venue on both the days of the workshop and registration for certificates will happen on the second day of the workshop.
4. Teachers will be given a participation certificate from e-Yantra upon successful participation on both days of the workshop. For partial attendance or teachers doing a refresher course, only attendance certificates can be provided upon request for the dates attended.

What after the workshop?

1. Teams from colleges participating in eLSI by providing the LoI followed by the payment of training cost, will participate in an online MOOC to solve assigned tasks designed to include hands-on experiments using the simulator, over a 1.5 months period.
2. Colleges set up their labs during this 2-3 month period.
3. Certificates and 1 additional robotic kit are awarded to colleges at the end of Lab Setup process during the valedictory function.

Please click on below link to find the detailed schedule for the 2-day workshop:
Workshop Schedule

Two brief video tutorials on **"Embedded C Programming basics"**, which will provide a quick review for teachers before attending the workshop, is included in this mail.

These tutorials outline all the essential concepts which will aid the teachers to better understand the contents of the workshop. Please find their video links below:

Basics of Embedded C (part 1): https://youtu.be/yxq-xCq1Gg4

Basics of Embedded C (part 2): https://youtu.be/k4fcKgIYsZk

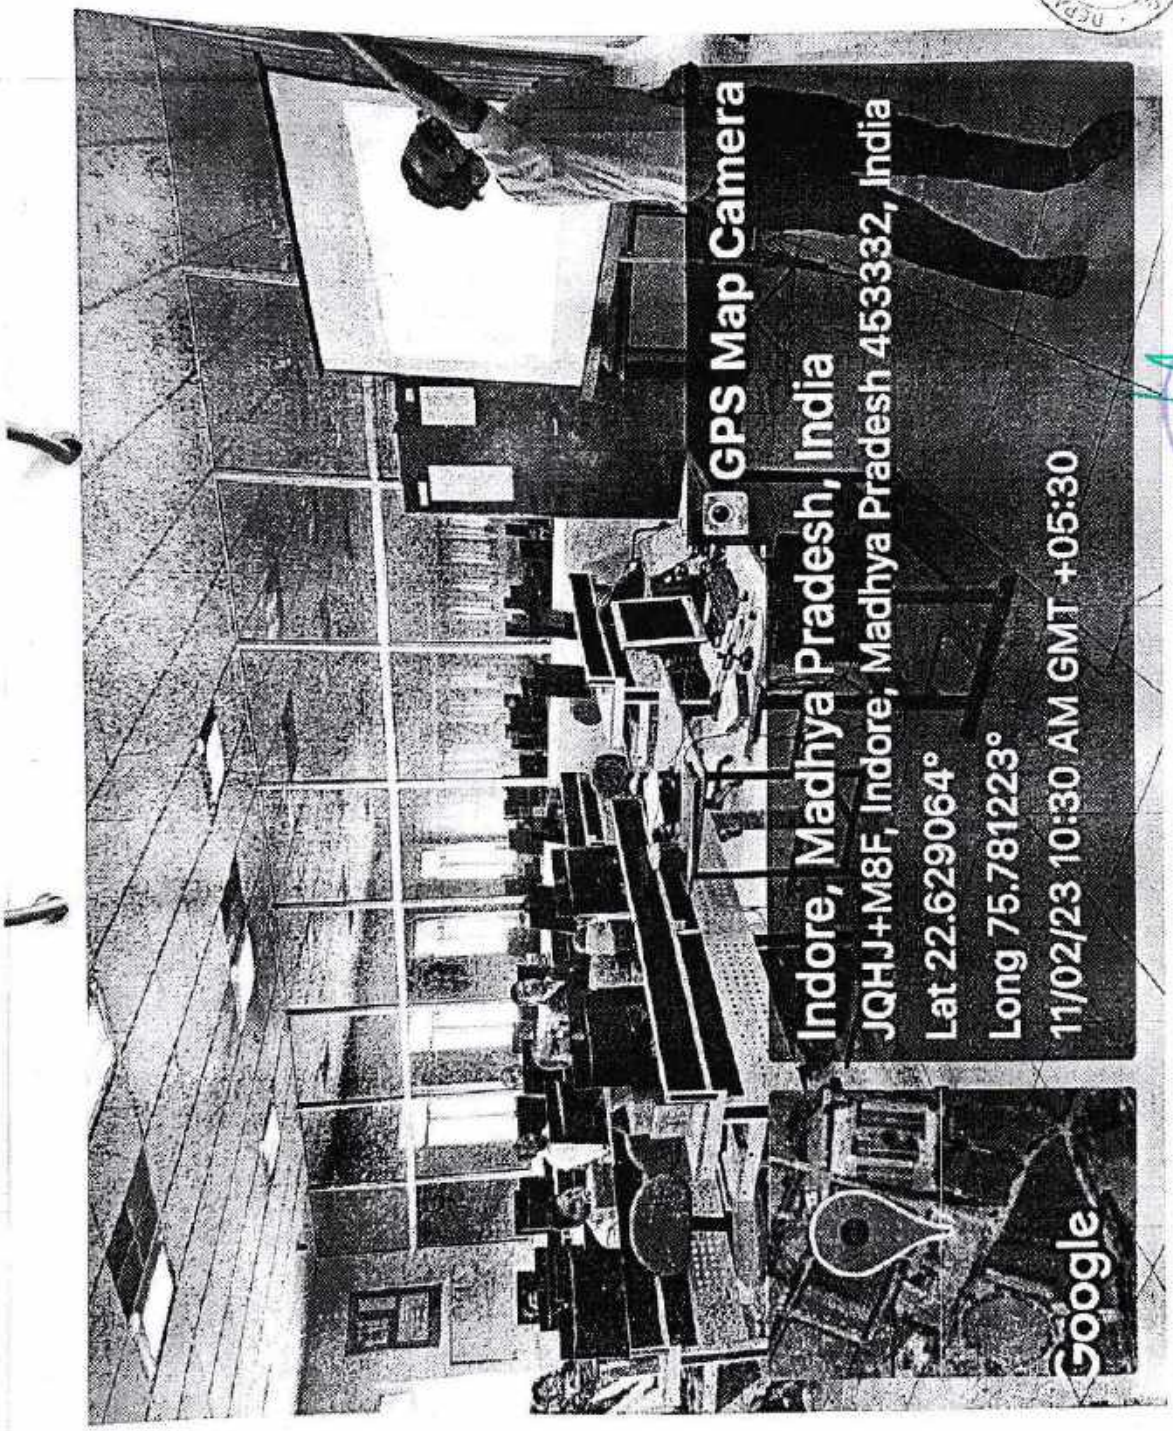

We look forward to meeting you and launching this initiative successfully in your region. We will greatly appreciate if you can confirm your presence at the meeting at the earliest, preferably before **19th January 2023.**

Feel free to contact us on support@e-yantra.org or call us at 022-2576-4986 in case of any query.

Thanks and Regards
e-Yantra Team

Subject – **MOU between AICTE and Internshala - Internship Day '2018 –reg.**

Sir/ Madam

As you are aware that an MOU was signed between AICTE and Internshala on 27th April, 2017 to facilitate internship to students. The MoU is available on AICTE website. Students can use Internshala platform for free internships.

This is to convey that Internshala is organizing an Internship Day in August 2018 to reward and recognize the colleges with the maximum internship selections during the summer via Internshala (April- July). The Internship Day will mark the importance of internships and the positive impact it can create on the overall employability of college students. In the event, the top performing college will be rewarded with trophies and certificates. This is an opportunity for the institutions to showcase its strong internship culture among the student & parent fraternity.

Interested institutions are encouraged to avail this opportunity for internships for students by filling the form - (internshala.com/i/108831) to register themselves for the event. The form be filled only by college authorities or training & placement team of the college only.

Internshala will provide continued support to help maximum students find an internship from your institution.

Please note - Only internship selections through ***Internshala*** *will be counted, therefore, colleges may fill the form to participate.*

The last day to register is 7th May 2018.

Notice

Hope you and your family are doing well and keeping safe during these challenging times.

It gives me immense pleasure to inform all of you that RGPV have started "**Rajiv Gandhi Prodyogiki Vishwavidyalaya-Internshala Program**". Every student will get a free account on Internshala using which they can start applying to over 8000 internships live on Internshala platform. Under this program all the students of RGPV will receive a link from Internshala on the registered email-id to which they have to activate it. After activating that link they can avail all the benefits offered by Internshala to the students of RGPV.

All students are advised to activate the account at Internshala and fill all the entries.

Linux Internship Objectives

- 'The objective is to understand and make effective use of linux utilities and shell scripting language to solve problems
- To develop basic shell programming skills required to write shell scripts.

Linux Internship Outcome

● Students will be able to understand and make use of the basic commands of linux operating system and Work confidently in Linux environment
● Students will be able to understand file systems and illustrate various file operations
● Students will be able to create shell scripts to automate different tasks as Linux

Contents

1. Accessing the Command Line
1Accessing the Command Line
Using the Local Console
Practice: Local Console Access Terms
Accessing the Command Line Using the Desktop
Practice: The GNOME 3 Desktop Environment
Executing Commands Using the Bash Shell
Practice: Bash Commands and Keyboard Shortcuts
Lab: Accessing the Command Line
2. Managing Files From the Command Line
The Linux File System Hierarchy
Practice: File System Hierarchy
Locating Files by Name
Practice: Locating Files and Directories
Managing Files Using Command-Line Tools
Practice: Command-Line File Management
Matching File Names Using Path Name Expansion
Practice: Path Name Expansion
Lab: Managing Files with Shell Expansion
3. Getting Help in Red Hat Enterprise Linux
Reading Documentation Using man Command
Practice: Using the man Command
Reading Documentation Using pinfo Command
Practice: Using the pinfo Command
Reading Documentation in /usr/share/doc
Practice: Viewing Package Documentation
Getting Help From Red Hat
Practice: Creating and Viewing an SoS Report
Lab: Viewing and Printing Help Documentation

Dear Sir,

Greetings from Indore Institute of Science and Technology

IIST, Indore is conducting a 7 day workshop on "emerging trends in engineering". We would like to invite you as a guest speaker for "Cloud computing" on 20th April, 2023 from 10am to 12noon. We request you to please accept our invitation and grace the event.

Thank you sir.

—
Dr. Sathish Kumar Penchala
Associate Professor & Head
Dept of Computer Science & Engineering
Indore Institute of Science and Technology

Mob: +91 9561263763

Dear Dr. Sathish,

It's been an honour to be a part of Learn & Win. Wholeheartedly, I accept the invitation and will give my best in the session.

Thanks & Regards,

Dheeraj Rane

Learn and Win - 2023

Cloud Computing - In its Simple Version

Speaker: Dr. Dheeraj Rane

TOPIC	SUBTOPIC	Description	Time in minutes
Cloud - A Perspective	1. Scenario and story telling about the need and analogy of cloud computing 2. Few examples of the apps those students are using 3. Why the name cloud is given	Students will feel connected with the examples of the apps those students are using on day-to-day basis. Use of animation to make them understand the analogy with cloud computing.	10
Pre-requisites	1. Static/dynamic/public/private IP addressing 2. Brief about working of Internet 3. Introduction to virtualisation	Pre-requisites will help them lay down strong foundation for the session.	10
Introduction to Cloud Computing	1. Definition 2. Service Models 3. Deployment Models	NIST definition of cloud computing. Service models (IaaS, PaaS, SaaS) Deployment models (Public, Private, Hybrid)	20
History of Cloud Computing	1. Timeline consisting various technologies that leads to the inception of Cloud computing 2. Correlation/differences with peer technologies	A glimpse of Grid computing, Utility computing, Cluster computing, Distributed computing, to help them correlate with other keywords. Animation will be used to show the inception	10
Deciding factors - Internet or Cloud?	1. Deciding factor based on which difference between the two can be identified.	Real life examples will be taken to make them understand the difference between anything that is on Internet or on Cloud.	05
Buzzwords in computing utilizing Cloud in its deployment and various case studies	1. Chat GPT 2. Data science/Big Data 3. Blockchain 4. Machine learning 5. IoT 6. Robotics 7. AR/VR 8. Gaming	One slide for each, showing the case study	30
Certifications in cloud computing and opportunities	1. AWS 2. Azure 3. Google Cloud	Brief about the certifications that can be achieved in cloud computing	10

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

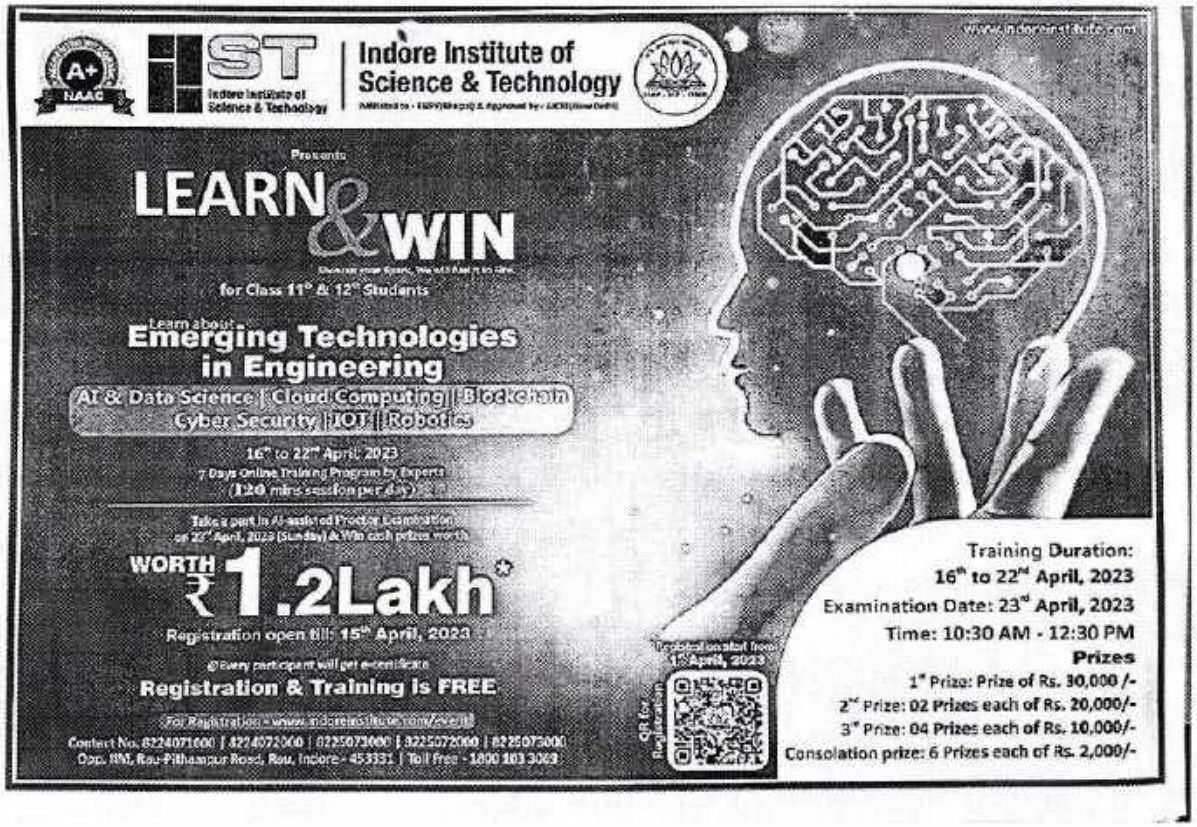

AWS academy @ IIST and its statistics	1. Brief about AWS academy at IIST Indore	Number of students trained and the benefits drawn from it. Approach followed for various levels of certification Example of **Anushka Dwivedi**.	05
Cloud based portals for increasing productivity of students	1. Various cloud-based portals that would help them in their 4 years of studies.	This is somewhat the students will find interesting as linked to their upcoming journey.	05
Way forward	1. Brief about Fog and Edge computing 2. Future prospects with reference to cloud, big data & data Analytics, human machine interface, connectivity, shared mobile, Internet of Things)	This will give them a broader perspective of related technologies.	15

Day Wise Schedule

Day 1 (16th April, 2023)	9:20 am to 9:30 am	Zoom call joining	Students will join the session
	9:30 am to 9:45 am	Inauguration	Brief Description of IIST college and all speakers by Dr. Shijji Shukla
	9:45 am to 10 am	Inaugural Speech	Hon. Director General
	10 am to 11:50 am	Artificial Intelligence and Machine Learning	Mr. Himanshu Ramchandani (Industrial Trainer)
	11:50 am to 12pm	Question and answer	Discussion with trainer
Day 2 (17th April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Data Science	Mr. Himanshu Ramchandani (Industrial Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
Day 3 (18th April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Cyber Security	Mr. Rakesh Verma(Academic Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
Day 4 (19th April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Block Chain	Mr. Umesh Sahu (Academic Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
	9:40 am to 9:50 am	Zoom call joining	Students will join the session

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

Day 5 (20th April, 2023)	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Cloud Computing	Dr. Dheeran Rane (IIT Dhrusti, Engineer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
Day 6 (21st April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Internet of Things	Mr. Ankit Mule (Academic Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
Day 7 (22nd April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Introduction of Guest Speaker	Dr. Shijji Shukla
	10 am to 11:50 am	Robotics	Mr. Ankit Mule (Academic Trainer)
	11:50 am to 12 pm	Question and answer	Discussion with trainer
	12 pm to 12:20 pm	Proctored test training to students	Techsum System Engineer
Day 8 (23rd April, 2023)	9:40 am to 9:50 am	Zoom call joining	Students will join the session
	9:50 am to 10 am	Students will join test platform	Techsum system engineering
	10 am to 12 pm	Proctored Test	Techsum system engineering

The Principal,
Indore Institute of Science & Technology.

Subject: Prize distribution of Students who won in "Learn and Win".

Respected Sir,

The Department of CSE, IT and AIML jointly conducted an event of 7 days on "Emerging Technologies in Engineering" under "Learn and Win". The following are the students who are winners of "Learn and win".

S.No	Examinee Name	Winner	Amount	Mobile No	School Name
1	Agniva Jana Bhattacharya	1st	30000/-	8336998272	Narayana School - Newtown
2	Himanshu gour	2nd	20000/-	7999382936	Garha public school
3	Divyansh Goyal	2nd	20000/-	7974348611	Shri cloth market vaishnav higher secondary school
4	Krishna	3rd	10000/-	8269401683	Shamgarh public school
5	Pratik Vishwakarma	3rd	10000/-	7415035349	Carmel Convent Higher Secondary School
6	Nirali Patel	3rd	10000/-	8817742867	South Valley International School Betma
7	Kshiteesh Joshi	3rd	10000/-	7000909616	Maheshwari higher secondary school
8	Neha Soni	Consolation	2000/-	9644799351	Chameli Devi Public School
9	Riya Maity	Consolation	2000/-	9074300703	Shri Vaishnav Bal Mandir
10	Jay Khanvilkar	Consolation	2000/-	8959966284	Govt school of excellence
11	Shlok Parikh	Consolation	2000/-	9893438825	SICA SS SCHOOL NO2 SCHEME NO 54
12	Aaryesh Shukla	Consolation	2000/-	9926191143	Vedansh International School

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

13	Pranav Sharma	Consolation	2000/-	8989115543	Shri RK Daga Maheshwari school
14	Srashti Farkya	Q&A - 1st	3000/-	8109296311	MP Public school
15	Zishan Khan	Q&A - 2nd	2000/-	7869274040	St. Therasas's higher secondary school

Date: 06/11/2022

To,

The Principal,
Indore Institute of Science and Technology,
Indore.

Subject: Permission for: **"1 Weeks Training on CREO"**

Respected sir,

We would like to conduct a Training on CREO from 21/11/2022 to 26/11/2022. There will be 43 Students from second year Mechanical Engineering. The students will be going to IGTR Indore. This Training is aimed to enhance their knowledge and learn about the latest technology used. We need Transport Facility for the same too.

Kindly permit us for the same.

Thanking You.

Yours sincerely

OBJECTIVES & OUTCOMES

OBJECTIVES:

Use the Interface enhancements in Creo Parametric 4.0
Use the Part Modeling enhancements in Creo Parametric 4.0
Use the Sketcher enhancements in Creo Parametric 4.0
Use the Assembly Modeling enhancements in Creo Parametric 4.0
Use the Drawing enhancements in Creo Parametric 4.0
Use the Surfacing enhancements in Creo Parametric 4.0

OUTCOMES:

Students will be able to learn the GUI of CREO parametric 4.0.
Students will be able to sketch drawings.
Students will be able to model the mechanical components.

EVENT SUMMARY

A six day "Training on CREO" has been organized by Mechanical engineering department, IIST in association with IGTR, indore from 21/11/2022 to 26/11/2022. The resource Person for the internship was Mr. Prakhar Joshi. The Training was organised for Second Year of the department. Total 44 students participated in the Programme. The session begins with the introductory session on CREO Parametric 4.0. Topics like sketching, modelling, symmetry, patterning were discussed in details with hands on practice. The 6 days training ended with query solving by the expert.

The vote of thanks has been given by faculty coordinator.

OBJECTIVES & OUTCOMES

Objectives:

SOLIDWORKS makes it quick and simple to share designs in 2D or 3D formats, meaning you can get instant feedback and continue to work on your designs. Designs can even be shared as 3D animations, which allows you to accurately demonstrate new products and features.

Outcomes:

Demonstrate competency with multiple drawing and modification commands in SolidWorks.
Create three-dimensional solid models.
Create three-dimensional assemblies incorporating multiple solid models.
Apply industry standards in the preparation of technical mechanical drawings.

Coursera's Coronavirus Response Initiative

(Available to all higher education institutions globally at no charge till 31 July 2020)

Dear Sir/Madam,

To help and to minimize the impact of the coronavirus outbreak on students, the Coursera community has launched a global effort to assist universities and colleges to deliver courseware online. Accordingly, Coursera for Campus' Coursera's Coronavirus Response Initiative is available to all higher education institutions globally at no charge till 31 July 2020. In the last four weeks, this helped over 800 higher education institutions in India, for free programme, to support their mission of continuous and high quality learning and also to reach many more institutions so that others can benefit from this initiative.

Information on how to sign-up for the programme is mentioned below.

To activate access to Coursera for Campus, institutions or faculty members can sign-up directly at https://www.coursera.org/coronavirus

Notice

Dear Student,

Hope you and your family are doing well and keeping safe during these challenging times.

It gives me immense pleasure to inform all of you that RGPV has started "Rajiv Gandhi Proudyogiki Vishwavidyalaya - Coursera Program". Under this program selected students can opt for any number of courses from the link shared on their mail-id and after completion of the course they will get certificate from coursera. This is free (No charges). Selected student can choose any number of courses from there.

All student are advised to register and fill all the entries correct otherwise their form will be rejected. Selection will be on first come first basis. (Limited seats)

Registration Link: https://forms.gle/vzFm9zvcBvoWWhy29

coursera for Campus

Thank you for agreeing to participate in the Coursera for Campus program.

Our team will be reaching out to you soon about setting up your Coursera account and your university's learning program. If you don't already have a Coursera account with the email address that you used to submit this request, create one quickly by clicking here. This will be required to create your Coursera program.

If you have questions in the meantime, please refer to coursera.org/campus.

Regards,
Coursera for Campus team

Coursera helps companies and governments around the world transform their workforces through curated online learning experiences developed by global leaders in education and industry.

Title	:	"Application and Visualization of Data Structure"
Date of Event	:	18/07/2022
Speaker Expert	:	Mr. Pankaj Wadhwani

Summary:

We have total number of 62 students and all of the got benefitted with this one week training
Feedback: 1. This Work is really good and very much useful to develop and teach data Structure and other technologies.

2. We are able to Share knowledge among ourselves.
3. We need this type of real time training.

Eminent resource persons Mr. Pankaj Wadhwani sir from real time application Development Company from Indore.
We received good feedback and response for conducting this training in AIML.

Training: - Application Visualization of Data Structure and

COURSE OBJECTIVES:

1 To impart the basic concepts of data structures and algorithms

2 To understand concepts about searching and sorting techniques

3 To Understand basic concepts about stacks, queues, lists, trees and graphs

4 To understanding about writing algorithms and step by step approach in solving problems with the

Help of fundamental data structures

COURSE OUTCOMES:

1 Ability to analyze algorithms and algorithm correctness.

2 Ability to summarize searching and sorting techniques

3 Ability to describe stack, queue and linked list operation.

4 Ability to have knowledge of tree and graphs concepts.

INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY, INDORE
Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal

Contents: - Application and Visualization of Data Structure

In this training, you will learn about the most popular topics corresponding to data structures and algorithms through live animation. The data structure is the key component of Computer Science and is used in the areas of artificial intelligence, operating systems, graphics, etc. This course aims to turn complexity into simplicity via illustrations and live animation. Visualization of data structures is provided for the most popular topics, such as queue, stack, linked list, recursion, and recursive function, graphs, trees, heap data structure, sorting algorithms, searching algorithms, hash function, and hash table. This course is provided for anyone who is interested in data structure and algorithms. All sorting and searching algorithms are covered by the implementation. The main programming language is based on Python. However, very basic knowledge about programming skills is required, and this knowledge is only required for sorting and searching algorithms in which they are discussed with Python programming language. All lectures are discussed from scratch, and don't be afraid if you think your knowledge is not enough for this course. In fact, both implementation and illustrations are discussed in a simple manner. I hope you enjoy this course.

The most popular topics that are covered are:

1. **Arrays**
2. **Queue**
3. **Stack**
4. **Linked List**
5. **Recursion**
6. **Graph Theory**
7. **Spanning Trees**
8. **Minimum Spanning Trees (Prim's and Kruskal's)**
9. **Graph Traversal (BFS and DFS)**
10. **Sorting Algorithms**
11. **Searching Algorithms**
12. **Heap Data Structure**
13. **Introduction to Trees**
14. **Binary Search Trees (BST)**
15. **Tree Traversal (Preorder, Inorder, Postorder)**
16. **The hash function and Hash Table**

Title	:	**Advance Java**
Faculty Coordinator	:	Mr. Jitendra Kulaste
Date of Event	:	12/10/2022
Speaker Expert	:	Mr. Pankaj Wadhwani

Summary:

The Department of Information Technology organized SIG on Advanced Java. The event was taken by Mr. Pankaj Wadhwani. The event was started by making the participants aware of object oriented programming concepts to make a revision of basic java. After that all the modules regarding advance java such as multithreading, networking, RMI etc. were thoroughly discussed. The expert also gave detailed programming insights to students. Students also learned to apply and validate input in a Java program. Identify and fix defects and common security issues in code. Document a Java program using Javadoc. Use a version control system to track source code in a project.

"Training on Advance Java"

Objectives and Outcomes of Activity

Learning Objectives

The objective of the training is to understand the basic theory underlying machine learning.

- To be able to formulate Advance Java concepts corresponding to different applications.
- To understand a range of Java Classes and packages along with their strengths and weaknesses.
- To be able to apply Advance Java programming skills to solve problems of moderate complexity.
- To apply the algorithms to a real-world problem, optimize the models learned and report on the expected accuracy that can be achieved by applying the models.

Course Outcomes

After completing this training, the student will be able to

- Appreciate the importance and capabilities of Java Language and its support for Multithreading, Networking, I/O and AWT.
- Read and make elementary modifications to Java programs that solve real-world problems.
- Document a Java program using Javadoc.
- Use a version control system to track source code in a project.
- Understand and implement basic concepts of object oriented programming.

ADVANCE JAVA

Objectives and Course Outcomes:-

➢ **Learning Objectives**

Course Objectives

Upon completion of this course, students will be able to do the following:

- To learn JavaScript for creating dynamic websites.
- To acquire knowledge on creation of software components using JAVA Beans.
- To learn Server-Side Programming using Servlets and Java Server Pages.
- To learn the creation of pure Dynamic Web Application using JDBC

➢ **Course Outcomes**

After completing this training, the student will be able to-

- Learn the Internet Programming. using Java Applets
- Create a full set of UI widgets and other components, including windows, menus, buttons, checkboxes, text fields, scrollbars and scrolling lists, using Abstract Windowing Toolkit (AWT) & Swings
- Apply event handling on AWT and Swing components.
- Learn to access database through Java programs, using Java Data Base Connectivity (JDBC)
- Create dynamic web pages. using Servlets and JSP..

Summary/Report for Training
on
"ADVANCE JAVA"

Title	Advance Java
Date of Event	20 Feb-28 Mar 2023
Trainer	Mr Pankaj Wadhwani
Coordinator	Mrs. Praveena Joshi

Summary

Information Technology department organized training program on "Advance Java". The Training has been taken by Mr. Pankaj Wadhwani. He gave training on Advance Java and web Application.So students can Design and develop Web applications and make a reusable software component, using Java Bean. The technology is very demanding and has a great potential to accelerate the career of students. The main purpose of this training was to enable students to get detailed insights of JAVA with hands-on. This Training was very beneficial for students looking towards the industry point of view and to make decision about their career prospect.

Internship for I Year on Introduction to logical thinking and smart programming by Programming World Pvt. Ltd.

Indore Institute of Science and Technology
Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal

DATE: 23/07/2022

NOTICE

This is to inform you that Department of Computer Science & Engineering is going to organize Internship on "Introduction to Logical Thinking and Smart Programming" from 25 Jul '22 - 09 Aug '22. All the students of I year will have to participate actively in this event so that you will get benefits from that event. The event will be held in an online mode from 9:00 AM to 4:30 PM.

Faculty Coordinator:

Ms.Megha Birthare

Objective and Outcome of the SIG

COURSE OBJECTIVES

Course Objective 1	To understand fundamentals of computer hardware and software, how computers work and how they process data and information has become indispensable for Computer Science students.
Course Objective 2	To stress the strengths of C, which provide students with the means of writing efficient, maintainable and portable code.
Course Objective 3	To learn and acquire the art of computer programming and know about some popular programming languages and how to choose Programming language for solving a problem.
Course Objective 4	To design and implement a computer system including processor, memory and I/O system compiler, operating system and local area network interface
Course Objective 5	To lead a small team of student engineers performing a laboratory exercise or design project; to participate in various roles in a team and understand how they contribute to accomplishing the task at hand

COURSE OUTCOMES

CO Number	Course Outcome
CO1	Study about DOS, linux and Learn about the basic concepts of MS windows, My-Computer, window explorer, Control Panel. Students are familiar with Operating System its application and its file system
CO.2	Able to perform basic C/C++ programs, understand and implement the concepts like Class, Functions, Array, Inheritance, Constructor & Destructor , Operator overloading
CO3	Knowledge about the concept of data structure
CO4	Study about DOS, linux and Learn about the basic concepts of MS windows, My-Computer, window explorer, Control Panel. Students are familiar with Operating System its application and its file system
CO5	Able to perform basic C/C++ programs, understand and implement the concepts like Class, Functions, Array, Inheritance, Constructor & Destructor , Operator overloading

Topics covered (Contents)

- Internal & External DOS commands.
- Basic linux Commands – ls, cp, mv, rm, chmod, kill, p
- Text files using MS- word.
- operating of spreadsheet using MS-Excel.
- editing power-point slides using MS- powerpoint
- manipulation of database tables using SQL in MS-Access.
- Illustrate Arrays
- Illustrate functions.
- Illustrate Object and classes.
- Illustrate Derived classes & Inheritance
- How to insert and delete and element from the Stack

Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal

Event Report

Academic Year – 2022-23 Session: Jan-June 2022

Name of Event: "Internship on Web development using HTML,CSS and Javascript"

Date of Event: 25 jul '22 - 20 Aug '22

Organizing Dept.: Dept of CSE, IIST Indore

Event Coordinator: MR.RAKESH JAIN

Name of Expert/Guest:MR.YASH PARASHAR

Institute / Company: IIST Indore

Designation: Assistant Professor Department: CSE

Contact No:8827323705

Details of Participants:

No. of Institutes Participated	No. of Students Participated	Department CSE/IT/EC/ME/CM/ESH	No. of Industry Representative	Remark if any
1	207	CSE	0	

*Please enclose a detailed list.

Also enclosed following details:

1. Approval Letter
2. Invitation card/Brochure / Leaflet (if printed by Institute or Organizing Partner) print/Social
3. Detailed summary of events. (Outcome)
4. Media Report (attach copy of newspaper)/ write-up for media/ FB write-up
5. Certificate / Letter (if printed by Institute or Organizing Partner)

HOD

Principal

COURSE OBJECTIVES

Course Objective 1	Analyze a web page and identify its elements and attributes.
Course Objective 2	Demonstrate interactive web page(s) using HTML, HTML5 and CSS.
Course Objective 3	Design a responsive web site using HTML5, CSS3 & JavaScript
Course Objective 4	Describe well-formed XML Document and implement Web Service using PHP
Course Objective 5	Build Dynamic web site using server side PHP Programming and Database connectivity using MySQL

COURSE OUTCOMES

CO Number	Course Outcome
CO1	Ability to **analyze** elements and attributes.
CO2	Ability to **summarize** the use of HTML
CO3	Ability to **describe** the use of HTML5, CSS3 & JavaScript
CO4	Ability to have **knowledge** of Web Service using PHP
CO5	Ability to **summarize** and **implements** web site using server side PHP Programming and Database connectivity using MySQL

Internship for I Year on The Joy of learning using python by Pi-Tech Pvt. Ltd.

INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY

DATE: 08-08-2022

Approval Letter

Department of Electronics & Communication Engineering interested to organize 30 Hrs. Internship cum training on joy of learning using python for 3rd semester from 22 August 2022 in association with pi tech.

Kindly approve for organizing the workshop in the department.

Proposal enclosed herewith.

OFFLINE INTERNSHIP CUM TRAINING PROGRAM

The Joy of Learning Using Python

FOR SESSION JULY-DEC 2022

Course Details

Course Name	Offline Internship Cum Training Program on The Joy of Learning Using Python
Eligible Students for course	ECE-II Year -2022
Date	22nd Aug, 2022 - 30th Aug,2022
Mode of Internship	OFFLINE
Arduino Software Download Link	https://www.python.org/downloads/
Hardware Required	No
If applicable play store link	No
Pre-requisites	Basic Knowledge of Computer
Setup Required	Offline SIG (Computer , White Board, Projector)
Assessment of Course	Quiz test will be conducted & Mini Project Implementation.
Certificate Criteria	Minimum 50 % Quiz test with 80 % attendance in all session.
Instructor /Trainer	Mr. Ravi Yadav

Course Objective

The course is designed to provide Basic knowledge of Python. Python programming is intended for software engineers, system analysts, program managers and user support personnel who wish to learn the Python programming language.

Course Outline

When students complete Intro to Programming with Python, they will be able to:- Build basic programs using fundamental programming constructs like variables, conditional logic, looping, and functions,Work with user input to create fun and interactive programs

Learn to use Python professionally, learning both Python 2 and Python 3,Learn advanced Python features, like the collections module and how to work with timestamps

Course Outcome

Trainees will learn how to leverage the power of Python to solve tasks
Trainees are able to build games and programs that use Python libraries
Students are able to use Python for your own work problems or personal projects
Students are able to,Create games with Python, like Tic Tac Toe
Students are able to Deal With Project Development Concepts.

Course Content

Date	Topic	Resource & Trainer Person
22/08/2022	Introduction of Language,Human Language, Computer Programming Languages ,Type of Computer Languages ,Machine Language ,Assembly language ,Low Level Language,Type of Low Level Language,1st Generation ,2nd Generation,High Level Language,Type of High Level Language	Mr. Ravi Yadav
23/08/2022	The basic components of a computer,Memory unit,Control unit, Arithmetic Logic unit,Input unit,Control Processing Unit(CPU), Output unit,Introduction of Compilation,Linker: Introduction of Assembler,Compiler,interpreter and difference between them: Installation Python Org, Python 3, Print function, Input from user , Data Types ,Type Conversion ,First Program	Mr. Ravi Yadav

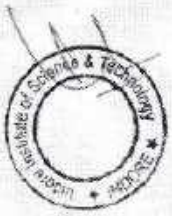

IQAC

Institute of Science & Technology * INDORE *

INDORE INSTITUTE OF SCIENCE TECHNOLOGY, INDORE DEPARTMENT OF ELECTRONICS COMMUNICATION ENGINEERING

24/08/2022	Introduction of Python, Application of python ,Python Identifiers, Python Keywords,Python Data Type's,Text Type,Numeric Type, Sequence Type,Mapping List,Tuple,Range,ETC.	Mr. Ravi Yadav
25/08/2022	PYHTON OPERATORS -Arithmetic Operators,Comparison Operators,Assignment Operators Logical Operators,Bitwise Operators,Membership Operators,Identity Operators ETC	Mr. Ravi Yadav
26/08/2022	Python -Decision Making,Python -Decision Making-Type,Python IF Statement,Python IF...ELIF...ELSE,Python nested IF statements.	Mr. Ravi Yadav
27/08/2022	While Loop: -While loop logic building,Break,Continue,Nested While Loops. For Loops:-Range function,For loop,Nested For Loops,Break,Continue,Pass	Mr. Ravi Yadav
29/08/2022	Functions -Definition,Call,Functions Arguments,Default Arguments,,Dictionary -Dictionaries Basics,Operations, Dictionaries Methods ,Tuple,Tuples Basics Tuples Comprehensions / Slicing,Tuple Functions,Tuple Methods, File Handling -File Basics Opening Files,Reading Files,Writing Files,Editing Files,Working with different extensions of file,With	Mr. Ravi Yadav
30/08/2022	Modules & Packages :Different types of modules,Inbuilt modules. OS,Sys,Statistics,Math,String,Random Create your own module	Mr. Ravi Yadav

Summary

DATE: 23-08-2022

Department of Electronics and Communication Engineering successfully complete training for 3rd semester training cum certification program on internship cum training on the joy of learning using python from 22nd August 2022.

Coordinator

Internship for II Year on Real time embedded system and IoT Application Module 1 by Pi-Tech Pvt. Ltd.

Indore Institute of Science and Technology
Event Report

Academic Year – 2022-23 Session: July-Dec 2022

Name of Event: Internship cum Certificate Course Training on Real Time Embedded System and IoT application.

Date of Event: 28th July to 5th Aug. 2022

Organizing Dept.: ECE Department

Event Coordinator: Ms.Arpita Tiwari, Mr.Devendra Mandloi, Dr.Mukesh Patidar, Mr.Pranav Parnjape

---

Name of Partner / co-organizer (If Industry is involved): *π-Tech*

Address: 104, Saraswati Complex Vishnupuri Indore

Contact No.: 942[illegible]29355 Email Id: info@pitechindia.com

Name of Industry Representative: Mr. Ravi Yadav

Contact No.: 9424029335 Email Id: pitechindia@live.com

Name of Expert/Guest: _____

Institute / Company: _____

Designation: _____, Department: _____

Address: _____

Contact No.: _____, Email Id: _____

Details of Participants:

No. of Institutes Participated	No. of Students Participated	Department CSE/IT/EC/ME/CM/ESH	No. of Industry Representative	Remark if any
1	55	ECE	1	

*Please enclose a detailed list.

Also enclosed following details:

1. Approval Letter
2. Invitation card/Brochure / Leaflet (if printed by Institute or Organizing Partner) print/Social
3. Detailed summary on event. (Outcome)
4. Media Report (attach copy of newspaper)/ write-up for media/ FB write-up
5. Certificate / Letter (if printed by Institute or Organizing Partner)

NOTICE

This is to inform you that Department of Electronics & Communication is going to organize 40 Hours Internship cum Certificate Course Training on Real Time Embedded System and IoT application from 28th July to 5th Aug 2022. All the students of III Year will have to participate actively in this event so that you will get benefits from that event. The event will be held offline from 10:30PM to 04:20PM.

Faculty Coordinators:

a) Ms. Arpita Tiwari
b) Mr. Devendra Singh Mandloi
c) Dr. Mukesh Patidar
d) Mr. Pranav Paranjape

So, I invite all the interested Students to attend/participate in the workshop and get the advantages.

OFFLINE INTERNSHIP CUM TRAINING PROGRAM

Real Time Embedded System And IoT Application

FOR SESSION JULY-DEC 2022

Course Details

Course Name	Offline Internship Cum Training Program on Real Time Embedded System And IoT Application
Eligible Students for course	ECE-III Year -2022
Date	28th July, 2022 - 5th Aug,2022
Mode of Internship	**OFFLINE**
Arduino Software Download Link	https://www.arduino.cc/en/software
Hardware Required	Yes (As Per Internship/Trainning Course Module)
If applicable play store link	No
Pre-requisties	Basics Electronics , Basics of Circuit, C Programming, Basics Of Arduino And Microcontroller .
Setup Required	Offline SIG (Computer , White Board,Projector)
Assessment of Course	Quiz test will be conducted & Project Implementation
Certificate Criteria	Minimum 50 % Quiz test with 80 % attendance in all session.
Instructor /Trainer	Mr. Ravi Yadav

IIST IQAC

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE
Approved by AICTE, New Delhi, Affiliated to RGPV, Bhopal, Recognized by UGC under Section 2(f)

Course Objective

The objective is to engagae the students in Practical of AVR Microcontroller (Arduino Platform) ,Theroytically ,Practical Real Time Embedded System & Interfacing Aproch, Deep Details Study & Research on Internship Tittle and Understanding Industry need.

Course Outline

Basic Electronis, Embedded C Programming,Understaing Of Core Embedded System, Industrial Application of Embedded System,Avr Microcontroller,Pin Programming, Port Programming, Defferant Type of Periphiral Interfacing , Use of Arduino Software & Hardware , Project Development, Etc.

HandsOn Practice On Led, Switch,Sensor, Motor,Lcd, Seven Segment,Keypad,Relay,Serial Communication,Timer Etc.

Course Outcome

Students are able to express their creativity using Embedded C .

Students are able to understood Project Work Using Arduino Software & Hardware ,

Students are able to Troubleshoot about Embedded System Application's

Students are able to Sound technically fine in Embedded System on Arduino Platform & Project Work

Students are able to Deal With Project Development .

Course Content

Date	Topic	Resource & Trainer Person
28/07/2022	Introduction of Embedded System , Real time Embedded System And IoT,Detail Study of Embedded System & IoT Application	Mr. Ravi Yadav & Ms. Arpita Tiwari

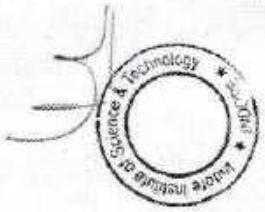

29/07/2022	Introduction of Microprocessor Unit (MPU), MCU for microcontroller unit ,Introduction to AVR & Arduino,Introduction to Arduino IDE,	Mr. Ravi Yadav & Ms. Arpita Tiwari
30/07/2022	Introduction of IoT , Type of IoT , Interduction of Different Cloud Application Software, Introduction of IoT Components	Mr. Ravi Yadav & Ms. Arpita Tiwari
01/08/2022	Inside ARV,GPIO (General Purpose Input Output), Program Counter, Stack Pointer,Linker,SPSR,CPSR,Port Programming,Pin Programming	Mr. Ravi Yadav Ms. Arpita Tiwari
02/08/2022	MCU & MPU programming language, Introduction of MCU Programming language, Introduction Core Embedded C language. Importance of Embedded C language, Different Between Embedded C & Open Source Embedded C.	Mr. Ravi Yadav & Ms. Arpita Tiwari
03/08/2022	Introduction LED ,Type of LED, Working of LED,Application of Led,Industrial Use Of Led ,use Of Led in Consumer Electronics, future Scope of Led World, Interfacing of Led, Different Pattern of Led.and Project	Mr. Ravi Yadav & Ms. Arpita Tiwari

03/08/2022	Introduction Switch, Type of Switch , Industrial Grad of Switches, Application of Switches,Interfacing of Switches,Counter System Switches,Switche & Led Interfacing , Multiple switch Interfacing. and Project	Mr. Ravi Yadav & Ms. Arpita Tiwari
04/08/2022	Introduction Keypad Matrix , Type of Keypad Matrix , Industrial Grad of Keypad Matrix , Application of Keypad Matrix , Interfacing of Keypad Matrix ,Password System .and Project .	Mr. Ravi Yadav & Ms. Arpita Tiwari
04/08/2022	Introduction Sensor, Type of Sensor , Industrial Grad of Sensor, Application of Sensor,Interfacing of Sensor,Counter System Sensor, Sensor & Led Interfacing , Multiple Sensor Interfacing & Project	Mr. Ravi Yadav & Ms. Arpita Tiwari
04/08/2022	Introduction LCD, Type of LCD , Industrial Grad of LCD, Application of LCD,Interfacing of LCD,Text Display On LCD and Project	Mr. Ravi Yadav & Ms. Arpita Tiwari
05/08/2022	Introduction Motor & Motor Driver, Type of Motor & Motor Driver, Industrial Grad of Moter & Motor Driver, Application of Motor,Interfacing of Motor,Direction Control Of Motor , Motor , Switch,Sensor Interfacing and Project	Mr. Ravi Yadav & Ms. Arpita Tiwari
05/08/2022	Introduction of Relay & Relay Driver, Type of Relay & Relay Driver, Industrial Grad of Relay & Relay Driver, Industrial Application of Relay,Interfacing of Relay, Controlling of AC/DC Devices and Project	Mr. Ravi Yadav & Ms. Arpita Tiwari
05/08/2022	Introduction Seven Segment , Type of Seven Segment , Industrial Grad of Seven Segment , Industrial Application of Seven Segment,Interfacing of Seven Segment, Timer Using Seven Segment and Project	Mr. Ravi Yadav & Ms. Arpita Tiwari

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE
Approved by AICTE, New Delhi, Affiliated to RGPV, Bhopal, Recognized by UGC under Section 2(f)

INDORE INSTITUTE OF SCIENCE TE OLOGY, INDORE DEPARTMENT OF ELECTR S COMMUNICATION ENGINEERING

DEPARTMENT ELEX & COMM ENGG. IIST

IQAC Indore Institute of Science and Technology INDORE

Indore Institute of Science & Technology INDORE

Date: 08/08/2022

Report

Department of Electronics and Communication Engineering Successfully complete Internship cum Certificate Course Training on Real Time Embedded System and IoT application from 28th July to 5th Aug 2022. And 55 students successfully completed the Internship cum Certificate Course Training program.

Learning Outcomes:

- Students have learnt to express their creativity using Embedded C.
- Students have learnt to understand Project Work Using Arduino Software & Hardware.
- Students have learnt to Troubleshoot about Embedded System Application's
- Students have learnt to Sound technically fine in Embedded System on Arduino Platform & Project Work
- Students have learnt to Deal With Project Development

Coordinator

a) Ms. Arpita Tiwari
b) Mr. Devendra Singh Mandloi
c) Dr. Mukesh Patidar
d) Mr. Pranav Paranjape

Internship for II Year on PCB Design by Pi-Tech Pvt. Ltd.

INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY

DATE:29/12/2022

NOTICE

This is to inform you that Department of Electronics & Communication is Going to Organize 60 hours training on projects skill Development by IIST EC Department From 2nd January, 2023. All the students of final year will have to participate actively in this event so that you will get benefits from that event.

Faculty Coordinator

Mr. Devendra Singh Mandloi

So, I invite all the interested students to attend / participate the training and get the advantages.

HOD ECE

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE
DEPARTMENT OF ELECTRONIS & COMMUNICATION ENGINEERING

OFFLINE INTERNSHIP PROGRAM ON

Art & Science Of Pcb Design & Development with Eagle

FOR SESSION JAN-JUNE 2023

Course Details	
Course Name	Offline Internship Program on Art & Science Of Pcb Design & Development with Eagle
Eligible Students for course	ECE, Batch 2021-24
Date	2nd -5th , Jan 2023
Mode of Internship	Offline
Software Names	Eagle Software For PCB Design Available in Google Classroom
	Proteus Software For Simulation Available in Google Classroom
Hardware Required	Yes (Provided By College for Practical Use Only)
If applicable play store link	No
Pre-requisties	Basics Electronics and Circuit Design(Optional)
Setup Required	Projector,White Board, Lab Equipments etc.
Assessment of Course	In the end Quiz test will be conducted & Project Circuit Design Submission (Softcopy)
Certificate Criteria	Minimum 50 % in end quiz test with 80 % attendance in all session.
Instructor /Trainer	Mr. Ravi Yadav

Course Objective
The objective is to engague the students in Practical of Pcb Design ,Theroytically pcb Design Aproch ,Deep Details Study & Research on Project Tittle ,and Understanding Industry need.

Course Outline
Basic Electronis,Circuit Designing, Circuit Simultion, Power Supply ,Designing ,Single Side Pcb, Double Sided PCb , multilayer Pcb, Placing Online order ,Project Design & Development Skills
PCB Design & Development ,Soldring Technich, SMD, HL , SOIC, Concepts, Current Trends In Embedded Company , Requirements of Various kind of job Profiles

Course Outcome
Students Will be able to express their creativity using Pcb Design Theire technology.
Students Will be able to understood Project Work Software
Students Will be able to Troubleshoot & Analyse the pcb Layout Rules
Students Will be able to Sound technically fine
Students Will be able to Understand Gerber file and export gerber file for production
Students Will be able to create single and double sided PCB Designs
Students Will be able to Dem[illegible]ject on Pcb Design Tools

Institute of Science and Technology IQAC INDORE

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE

Approved by AICTE, New Delhi, Affiliated to RGPV, Bhopal, Recognized by UGC under Section 2(f)

NDORE INSTITUTE OF SCIENCE TECHNOLOGY, INDORE DEPARTMENT OF ELECTRONICS COMMUNICATION ENGINEERIN(

Students Will Be an awesome electronics designer in very low time!!!

Course Content

Date	Topic	Instructor /Trainer
02/01/2023	What is the Circuit Designing, Open Circuit & short circuit,Introduction Of Simulation, Various tools of Simulation, like Proteus,What Is Pcb, Type Of Pcb , Classification of Pcb , Material Pcb , Selection of Pcb	Mr. Ravi Yadav
03/01/2023	Introduction Of Pcb Design Tools , Introduction Of Eagle Software ,tools installation , Downloading , Introduction of proteus Software and thiere simulation tools ,Basics of Breadboard, DSO,Multimeter, Wire Stripper, Introduction of OP-AMP, Explaination of OP-AMP Ic-Lm-324, Pin Diagram, Working Of relay Switch, Diode, Power Supply etc,	Mr. Ravi Yadav
04/01/2023	**Eagle Software,Proteus Simulation, Hardware Project-Automatic Street Light**, Project Detail study of componatens, selection of componants And theire pcb design , creating schamatic layout , pcb layout , board layout , understaning of footprint , footprint layout desgining shapping and PCB fabrication, etc.	Mr. Ravi Yadav
05/01/2023	**Eagle Software,Proteus Simulation, Hardware Project-Automatic Temperature Controlled DC Fan**, Project Detail study of componatens, selection of componants And theire pcb design , creating schamatic layout , pcb layout , board layout , understaning of footprint , footprint layout desgining shapping and PCB fabrication, etc.	Mr. Ravi Yadav
05/01/2023	**Eagle Software,Proteus Simulation, Hardware Project-Automatic Irrigation System**, Project Detail study of componatens, selection of componants And theire pcb design , creating schamatic layout , pcb layout , board layout , understaning of footprint , footprint layout desgining shapping and PCB fabrication, etc.	Mr. Ravi Yadav

Department of Electronics and Communication Engineering Successfully Complete Internship Cum Training on PCB Design from 2nd Jan 2023 to 5th Jan 2023. Total 39 students successfully participate in this event. Training provides hands on to students on Art & Science of PBC Design & Development by eagle software. Students can build knowledge of circuit design, layout design, PCB design and implementation. students can build a basic electronics circuits like regulated power supply, project on automatic streetlight controller, temperature-controlled DC fan & automatic irrigation systems etc. During this project students are familiar with Eagle software, introduction of proteus software and their simulation tool, basics of breadboard, DSO, Multimeter, Op-amp Ic, LM 324 pin diagram, Different types of Relay & Switches, Diode etc.

Internship for II Year on Real Time Embedded System & IOT Application Module -2 by Pi-Tech Pvt. Ltd.

Indore Institute of Science & Technology INDORE IQAC

INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY

DATE: 29/12/2022

NOTICE

This is to inform you that Department of Electronics & Communication is going to organize Internship cum Training On **Real Time Embedded System & IOT Application** conducted by IIST EC Department from 9th Jan to 16th Jan, 2023. All the students of Third Year (Batch 2020-2024) will have to participate actively in this event so that you will get benefits from that event.

Venue: A Block Computer Lab.

Faculty Coordinators:

1) Mr. Ravi Yadav
2) Mr. Devendra Singh Mandloi
3) Dr. Mukesh Patidar

So, I invite all the interested Students to attend/participate in the workshop and get the advantages.

IQAC

HOD ECE

OFFLINE INTERNSHIP CUM TRAINING PROGRAM

Real Time Embedded System And IoT Application

FOR SESSION JAN-JUNE 2023

Course Details	
Course Name	Offline Internship Cum Training Program on Real Time Embedded System And IoT Application
Eligible Students for course	ECE-III Year -2023
Date	9th Jan, 2023 To Onwards
Mode of Internship	**OFFLINE**
Arduino Software Download Link	https://www.arduino.cc/en/software
Hardware Required	Yes (As Per Internship/Trainning Course Module)
If applicable play store link	Yes
Pre-requisties	Basics Electronics , Basics of Circuit, C Programming, Basics Of Arduino And Microcontroller .
Setup Required	Offline SIG (Computer , White Board,Projector)
Assessment of Course	Quiz test will be conducted & Project Implementation
Certificate Criteria	Minimum 50 % Quiz test with 80 % attendance in all session.
Instructor /Trainer	Mr. Ravi Yadav

IQAC

IQAC

Indore Institute of Science & Technology INDORE

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE
Approved by AICTE, New Delhi, Affiliated to RGPV, Bhopal, Recognized by UGC under Section 2(f)

Course Objective

The objective is to engagae the students in Practical of AVR Microcontroller (Arduino Platform) ,Theroytically ,Practical Real Time Embedded System & Interfacing Aproch, Deep Details Study & Research on Internship Tittle and Understanding Indusrty need.

Course Outline

Basic Electronis, Embedded C Programming,Understaing Of Core Embedded System, Industrial Application of Embedded System,Avr Microcontroller,Pin Programming, Port Programming, Defferant Type of Periphiral Interfacing , Use of Arduino Software & Hardware , Project Development, Etc.

HandsOn Practice On Led, Switch,Sensor, Motor,Lcd, Seven Segment,Keypad,Relay,Serial Communication,Timer,IoT, Cloud, Etc.

Course Outcome

Students are able to express their creativity using Embedded C .

Students are able to understood Project Work Using Arduino Software & Hardware ,

Students are able to Troubleshoot about Embedded System & IoT Application's

Students are able to Sound technically fine in Embedded System ,IoT on Arduino Platform & Project Work

Students are able to Deal With Project Development .

Course Content

Date	Topic	Resource & Trainer Person
09/01/2023	Introduction of Embedded System , Real time Embedded System And IoT,Detail Study of Embedded System & IoT Application	Mr. Ravi Yadav
09/01/2023	Introduction of Microprocessor Unit (MPU), MCU for microcontroller unit ,Introduction to AVR & Arduino,Introduction to Arduino IDE,	Mr. Ravi Yadav

10/01/2023	Introduction of IoT , Type of IoT , Intorduction of Different Cloud Application Software, Introduction of IoT Components	Mr. Ravi Yadav
10/01/2023	Introduction to ESP32 and NodeMCU ,GPIO (General Purpose Input Output), Program Counter, Stack Pointer,Linker,SPSR, CPSR,Port Programming,Pin Programming,,	Mr. Ravi Yadav
10/01/2023	MCU & MPU programming language, Introduction of MCU Programming language, Introduction Core Embedded C language. Importance of Embedded C language, Different Between Embedded C & Open Source Embedded C.	Mr. Ravi Yadav & Ms. Arpita Tiwari
11/01/2023	Introduction LED ,Type of LED, Working of LED,Application of Led,Industrial Use Of Led ,use Of Led in Consumer Electronics, future Scope of Led World, Interfacing of Led, Different Pattern of Led and Project	Mr. Ravi Yadav
11/01/2023	Introduction Switch, Type of Switch , Industrial Grad of Switches, Application of Switches,Interfacing of Switches,Counter System Switches,Switche & Led Interfacing , Multiple switch Interfacing, and Project	Mr. Ravi Yadav
11/01/2023	Introduction Keypad Matrix , Type of Keypad Matrix , Industrial Grad of Keypad Matrix , Application of Keypad Matrix , Interfacing of Keypad Matrix ,Password System ,and Project .	Mr. Ravi Yadav
12/01/2023	Introduction Sensor, Type of Sensor , Industrial Grad of Sensor, Application of Sensor,Interfacing of Sensor,Counter System Sensor, Sensor & Led Interfacing , Multiple Sensor Interfacing & Project	Mr. Ravi Yadav

12/01/2023	Introduction LCD, Type of LCD , Industrial Grad of LCD, Application of LCD,Interfacing of LCD,Text Display On LCD and Project	Mr. Ravi Yadav
13/01/2023	Introduction Motor & Motor Driver, Type of Motor & Motor Driver, Industrial Grad of Motor & Motor Driver, Application of Motor,Interfacing of Motor,Direction Control Of Motor , Motor , Switch,Sensor Interfacing and Project	Mr. Ravi Yadav
13/01/2023	Introduction of Relay & Relay Driver, Type of Relay & Relay Driver, Industrial Grad of Relay & Relay Driver, Industrial Application of Relay,Interfacing of Relay, Controlling of AC/DC Devices and Project	Mr. Ravi Yadav
14/01/2023	Introduction Seven Segment , Type of Seven Segment , Industrial Grad of Seven Segment , Industrial Application of Seven Segment,Interfacing of Seven Segment, Timer Using Seven Segment, and Project	Mr. Ravi Yadav
14/01/2023	Timer/ Counter,Serial communication (UART)/ Bluetooth HC-05and Project and evaluation test.	Mr. Ravi Yadav
15/01/2023	IoT Communication Protocols,Introduction to ESP32 and NodeMCU,Iot Clouds,Analytics & DatascienceSensors for IoT, Sending Data to Thingspeak -Arduino+Humidity+Air quality	Mr. Ravi Yadav
15/01/2023	Home automation using Google Assistant. Recording sensor data to google sheet using IFTTT with Arduino and sending alerts, Predictive Maintenance of a Duct Fan Using Nodemcu, ThingSpeak and MATLAB,	Mr. Ravi Yadav

Indore Institute of Science & Technology

TELEX & COMM. IIST

IQAC Indore Institute of Science & Technology INDORE

Indore Institute of Science & Technology

INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY

DATE: 18/01/2023

Department of Electronics and Communication Engineering Successfully complete internship cum training on Real Time Embedded System & IoT Application from 9th Jan 2023 to 16th Jan 2023. 40 students are successfully participating in this program. This Training introduces students to the amazing world of IoT and its fascinating applications. Through this Internship program , students can build an IoT-based electronic device that can form the basis for smart buildings, smart irrigation systems, smart water monitoring, automatic street lighting systems, and home automation systems. They can also learn how to write programs, and relate the sensed data, and use Cloud computing basis concepts with Node-MCU.

Coordinator

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE

Approved by AICTE, New Delhi, Affiliated to RGPV, Bhopal, Recognized by UGC under Section 2(f)

Certificate Program by edX

Indore Institute of Science and Technology

Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal

Date: 24/06/2022

NOTICE

This is to inform you that edx is providing opportunity to all the students and faculties to do the certification in various courses. Our college took a subscription and faculty coordinator for the session 2022-2023 will be Dr. Margi Patel. I request all the students and faculty/staff to register and do certification for enhancement of the skills and learn emerging areas.

Important|| Cisco Ideathon'22

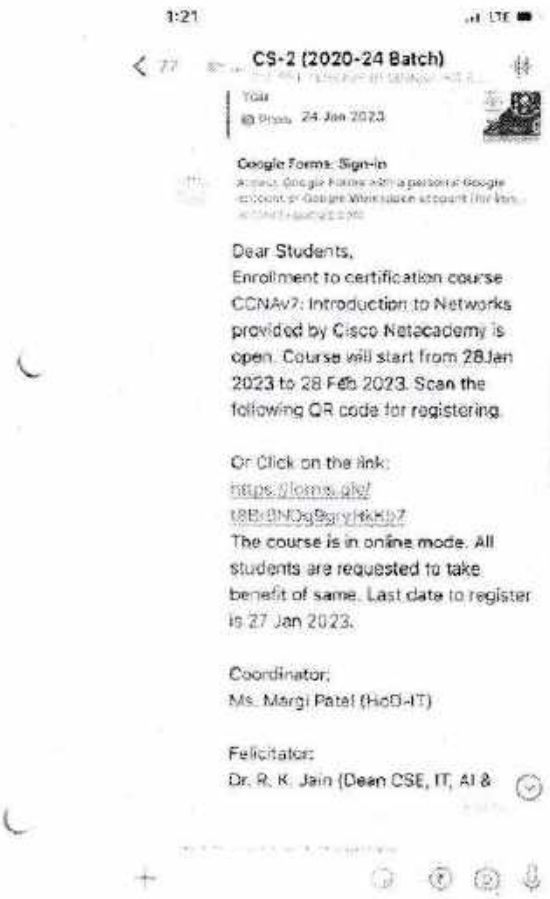

Dear students,
Greetings for the day!
Hope you are doing well.
Cisco Net Academy at IIST, Indore is offering the mentioned courses:
i) Introduction to Cybersecurity
ii) Cybersecurity Essentials
Fill the form to enroll in the courses:

https://forms.gle/
ye8dHuCcjNeUbXz8

Students who complete the mentioned courses before 5th July 2022 can register for Cisco Ideathon'22 if:
1) Students must have to complete either of the following courses before 6th July 2022.
Introduction to Cybersecurity +
Cybersecurity Essentials

Corporate Social Responsibility

Cisco Networking Academy

Cybersecurity Essentials

For completing the Cisco Networking Academy® Cybersecurity Essentials course, and demonstrating the following abilities:

- Describe the tactics, techniques and procedures used by cyber criminals.
- Describe the principles of confidentiality, integrity, and availability as they relate to data states and cybersecurity countermeasures.
- Describe technologies, products and procedures used to protect confidentiality, ensure integrity and provide high availability.
- Explain how cybersecurity professionals use technologies, processes and procedures to defend all components of the network.
- Explain the purpose of laws related to cybersecurity.

DEEPAK SURYAWANSHI

Corporate Social Responsibility

Cisco Networking Academy

Introduction to Cybersecurity

For completing the Cisco Networking Academy® Introduction to Cybersecurity course, and demonstrating the ability to explain the following:

- Global implications of cyber threats
- Ways in which networks are vulnerable to attack
- Impact of cyber-attacks on industries
- Cisco's approach to threat detection and defense
- Why cybersecurity is a growing profession
- Opportunities available for pursuing network security certifications

CERTIFICATE COURSE ON

Design & Development of Drone Prototype

FOR SESSION JAN-JUNE 2023

Course Details	
Course Name	Design & Development of Drone Prototype
Eligible Students for course	All Engineering branches / All year
Date & Time	May 15 to 19 , 2023 and 09:30 AM onwards
Mode of Internship Cum Training	Offline
Software download link	NA
Hardware Required	Drone development related components
If applicable play store link	NA
Pre-requisties	No Pre-requisits
Setup Required	Computer system for computation
Assessment of Course	In the end Quiz test will be conducted
Resource Person	Mr. Abhinav singh Thakur

Course Objective

Quadcopter (from Quad "four" and Copter "helicopter") is an aerial robot combining a simple propeller mechanism with powerful electronics for limitless real-world applications. It is an embedded system comprising of microcontrollers, sensors, flight gear and other integrated components.

Course Outline

Build and Test your own Quadcopter
Introduction to design and development of Multi Rotor Vehicles
Understanding the Electronics circuitry involved in Quadrotor
Learn about Stability and Control of Drones
Learn about the working of sensors like Accelerometer and Gyroscopes
Hands-on experience on DC motors, ESCs (Electronic Speed Controllers) and Quadcopter Embedded control board

Course Outcome

INDORE INSTITUTE OF SCIENCE TECHNOLOGY, INDORE
DEPARTMENT OF ELECTRONICS COMMUNICATION ENGINEERING

Functioning of a Quadcopter
Understanding the Electronics involved in Quadrotor
Sensors, navigation and Telemetry
Flight Trails and error rectification
Hands-on experience with DC motors, electronic speed controllers, GPS and Telemetry

Course Content

Date	Topic	Resource Person
15,16-05-23	About the Course Introduction to Google Colab Introduction to UAVs, History, classifications Quadcopter Aerodynamics and Flight Mechanics	Mr. Pranav Paranjpe
17,18-05-23	GPS and Telemetry DC Motors, ESCs and Power Systems Mission Planner Software	Mr. Pranav Paranjpe
19-05-2023	Calibration and Testing of the developed Quadcopter Planning Flight Path	Mr. Pranav Paranjpe

Certificate Course on "Drone Development"

Department of Electronics and Communication Engineering Successfully completed Certificate course on Design & Development of Drone Prototype from 15th to 19th May, 2023 and 55 students successfully participate in the Certification programme. This programme introduces students to the amazing world of Drone prototyping and its fascinating applications. Through this programme, students can build an Drone system device that can form the basis for smart agriculture, smart irrigation systems, smart water monitoring, They can also learn how to write programs, and relate the sensed data, and use Cloud computing basis concepts with system.

Executive Summary

Shivang is an Entrepreneur and AI Consultant. He has his experience in Deep Learning, Algorithm Design and Software Project Management. He has founded multiple companies in the AI space namely mEinstein LLC, Codenscious Technologies Pvt Ltd and CTL Indore. Working with very senior people in the industry, he has successfully designed, developed and deployed complex AI Solutions in various industries like healthcare, logistics and Retail. Shivang is a graduate of Indian Institute of Technology Roorkee and has a keen interest in Teaching AI to people.

Key Expertise

- **Algorithm Designer**
  Developing scalable software systems for solving real world computing problems.

- **Deep Learning Researcher**
  Studying fundamental mathematical constructs behind deep neural networks for implementing in Computer Vision and Natural Language Processing.

- **Software Project Management**
  Agile Development Master having rich experience of Training, Building and Managing Agile Teams specialised in development of Enterprise Software Applications

- **AI Consultant**
  Architectured & Delivered AI Powered Technology Solutions for complex Business Problems in Retail, Health Care, Quality Assurance and Logistics

Employment History

Managing Director at Codenscious Technologies Pvt Ltd

2017 - Present

Codenscious Technologies has a rich experience of building AI Enabled Enterprise Grade Web and Mobile based software applications for industry specific needs. Offering Cutting Edge Technology, High Standards of Design and Coding practices and Project Management Practices, we are a team of highly skilled software engineers, data scientists and project managers who thrive to take on challenging technological endeavors.

- **AI and Deep Learning**

Artificial Intelligence, Machine Learning & Deep Learning being the core competency, the company has successfully completed numerous Computer Vision and NLP projects including an entire spectrum of Intelligent Image and Video Analytics and Cutting Edge Language Modelling Systems.

- **Mobile First AI**

Our continuously evolving Mobile Based Real Time Intelligent Video Analytics Technology requires no server side costly GPU computation and makes the entire system much more scalable and cost effective. This includes mobile based State of the Art Human Pose Estimation and Object Recognition Pipelines streaming only the required meta data for business logics.

- **AI on the EDGE**

On the Edge Computing Side, company have ready to use system infrastructure softwares ready for all major Edge platforms including NVEDIA Jetson, Intel Compute Sticks, Google Coral TPUs and we are continuously updated with the latest innovations.

CTO at mEinstein LLC

2018 - 2020

It is a voice-controlled personal AI system that can take instructions, observe, advise, reason, plan, and act on your behalf. It acts like your shadow brain – your productive persona.

- **Personalised Artificial Intelligence as unique as the User**

Understands you in natural language, analyses a vast amount of your personal data and provides informed decisions and outcomes while continuously learning about you.

- **Pattern recognition, Inferences, Predictions, Advices and Actions**

mE learns without being intrusive or obnoxious. If you like weekend golf, mE will take note of that preference and not send a service provider to fix your house during your round.

- **Learning and Improving every day**

mE is always learning and growing. The more you interact with mE, the more it will become your true shadow brain.

Director of Education, CTL Indore

2017 - 2019

At CTL we find and train through a strict selection process the Real CS Geeks who are willing to pursue Artificial Intelligence as a career option not just because of a high package but because of the brute

passion of problem solving building technology.

We look for people who want to become very competitive programmers and are willing to take on the quest of learning techniques of solving challenging problems in Computer Science, understand the Mathematics of Intelligence and work with us as Deep Learning Engineers.

Top Projects

- **Helping Physiotherapists better Diagnose Musculoskeletal Disorders with Real Time Human Pose Estimation and Fuzzy Logic**
Enhancing the performance and processing speed by 120 times of a Cloud Based AI Solution of a Med-Tech Corp for diagnosis of musculoskeletal disorders optimizing Fuzzy Logic and Deep Learning based Real Time Human Pose Estimation on an IOS Device, saving $1.5M per annum on scalability of 100,000 users.

- **Smart Camera System for Cargo Theft Security**
Smart Camera System for cargo theft security in trucks while transportation for Leading logistics company by optimising single shot object detection convolutional neural network architectures on Nvidia Jetson Nano.

- **AI in Retail Analytics**
AI Scalable Video Analytics Technology for Smart CCTV systems for customer behaviour analysis, pre sales-analytics, store management and security in retail.

Recommendations

"Shivang is a problem solver and has deep understanding of algorithms. He can build sound programming logic to solve real world problems. His sessions were very well received particularly his authority in the image recognition and pose detection was admired. He has built models that creatively tracks human poses. During the interactions, found him to be generative in solution development and expressing in a convincing manner. He is a quick learner and hence can flex in the newer domains too and can quickly provide remarkable results. He appears to have a knack in detailing pattern recognition and machine learning model intricacies in a easily understandable manner which engages audience in the training."
- Mouly BC
Senior Director & Head of Learning and Development at Cyient Ltd

"I was on the hunt to find a "superstar" in the filed of ML and AI with a deep management background in finance and operations from a top notch school to embark on a very sophisticated project. It took me 6 months to find Shivang but it was worth the wait. Under his guidance and leadership we have created something that is absolutely groundbreaking. If you are looking for someone whom you can fully trust, is reliable, honest, self-starter, true to his word and most importantly capable - SHIVANG IS YOUR GO-TO GUY"

Summary/Report for Training on "AI Bases Product Development"

Title	:	AI Based Product Development
Date of Event	:	16/12/2022 to 22/12/2022
Trainer	:	Mr.Shivang Trivedi
Coordinator	:	Ms. Shruti Sharma

Summary:

Information Technology department organized a training cum certification program on "AI Based Product Development" for 42 hours. The Training has been taken by Mr. Shivang Trivedi. He gave training on Machine Learning and Deep Learning techniques from scratch and he explains so many important concepts of EDA, PCA, basic models from training to testing the entire dataset. The technology is very demanding and has a great potential to accelerate the career of students. The main purpose of this training was to enable students to get detailed insights of AI with hands-on to some models. This Training was very beneficial for students looking towards the industry point of view and to make decision about their career prospect in AI product development. So that we cover the main tagline of our institute that is employability quotient and holistic development of students this kind of training proves that we work for the development of students to make industry ready.

"AI Based Product Development"

Objectives and Course Outcomes

Learning Objectives

The objective of the training is

- To understand the applications and demand of AI based projects.
- To be able to create/understand the code of python programming languages.
- To understand the technical knowledge of Data Science and Machine Learning models.
- To be able to enhance the competency level of students as per the industry requirements.

Course Outcomes

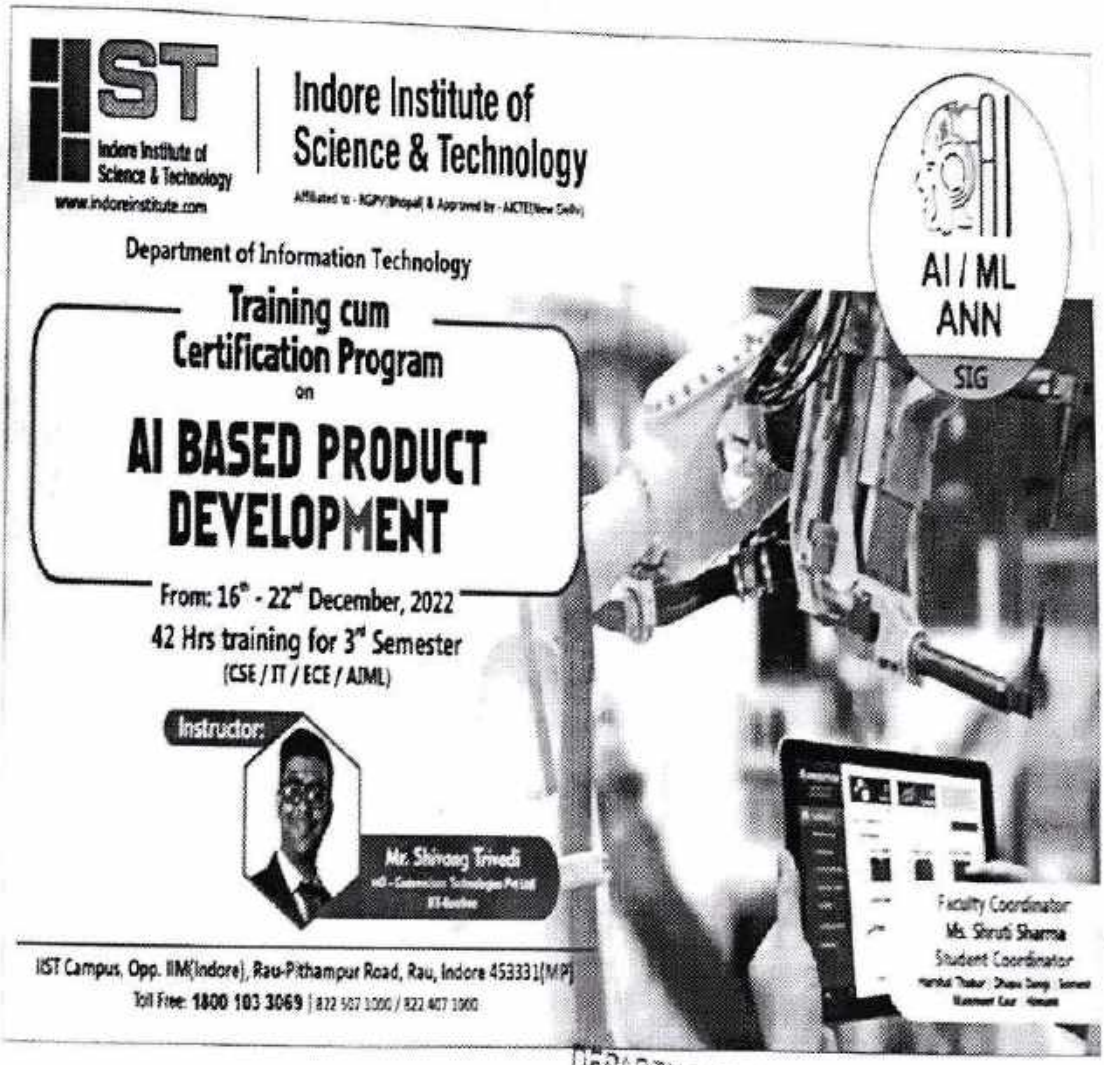

After completing this training, the student will be able to

- Appreciate the importance of AI in various domains.
- Apply competency towards the development of machine learning models.
- Understand a very broad and collective knowledge of applying different datasets from preprocessing to training and testing the models
- Apply the knowledge of python to develop ML models.

To,
The Principal
Indore Institute of Science and Technology, Indore

Subject: Proposal for 35 hours training on "AI Based Product Development" from 2nd to 10th Jan 2023.

Respected sir,

Department of AIML is planning to organize a **35 hours training** program on **AI Based Product Development** for the students of B Tech 3rd Year (CSE, IT) from **2nd to 10th Jan 2023** at 9:30 am to 3:30 pm. The expert is Mr Shaving Triwedi. It is our request to kindly allow us for the same.

For salutation of the guest, we request you to kindly provide:

1. Refreshments for 5 and lunch for 2 persons.

Put up for your kind approval.

Yours faithfully

Dear Sirs

You will be happy to know that IIT Delhi has designated Indore Institute of Science and Technology as the nodal center for their Virtual Labs.

Broad areas which will be covered under the ambit of Virtual Labs are:

a. Electronics and Communication Engineering
b. Computer Science and Engineering
c. Electrical Engineering
d. Mechanical Engineering
e. Civil Engineering
f. Chemical Engineering
g. Bio Medical Engineering
h. Physical Science
i. Chemical Science

Shortly a team of faculty from IIT Delhi will be visiting us to brief and train our faculty and students on the Virtual Labs. Nodal coordinator (Dr. Joy Banerjee) along

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

with two faculty member will also be given training at IIT Delhi on operation of Virtual Labs. Subsequently our nodal center will become operative and will organize workshops for students and faculty members of nearby institutions for their undergraduate, post graduate and research programmes. Virtual Labs will enable the students at their own pace, provide a complete management system and enable them to perform experiments remotely as an on – demand service over the web.

There is not financial liability for using Virtual Lab and it is free to use.

Thanks

Chattopadhyay

Dear Mr. Deepak Vishwakarma,

Greetings from the Developer Student Clubs (DSC) Program Team!

This year, we witnessed unprecedented response and excitement for the DSC program – with over 500 applications from some of the brightest minds in the country vying for the position of Developer Student Club Lead. The competition was very tough – but, the students from your institution stood out impressively during the application and the interview process. We are therefore extremely excited to let you know that we have selected Ms. Prachi Gupta as the Lead for the Developer Student Club on your campus.

We would like to take this opportunity to seek your support in helping the lead plan and drive the Student Club focused on technical skills development initiatives within your campus – so that the student community can leverage the benefits of your association with this program.

To know more about the DSC Program, please visit: http://developers.google.com/programs/dsc/

WHAT DOES A DSC LEAD DO?

- SET UP A CLUB
  - Identify and a select a core team.
- LEAD WORKSHOPS
  - This is any training activity: Study jam, Hackathons or Codelabs; speaker session where content on developer technologies is covered.
- BUILD PROJECTS
  - This is a tested prototype of a tech based solution that is built to solve a problem faced in the community by a local organization or business.
- HOST SHOWCASES
  - This is an event where Leads share the projects the club has worked on (one or many). This can be at the university, in your city, or in partnership with other Google communities like GDG, GBG or even at Devfests!

Please feel free to contact us at: dscindia@googlegroups.com if you have any questions regarding the DSC program.

Thank you yet again for your support, and looking forward to a deeper and meaningful ongoing partnership!

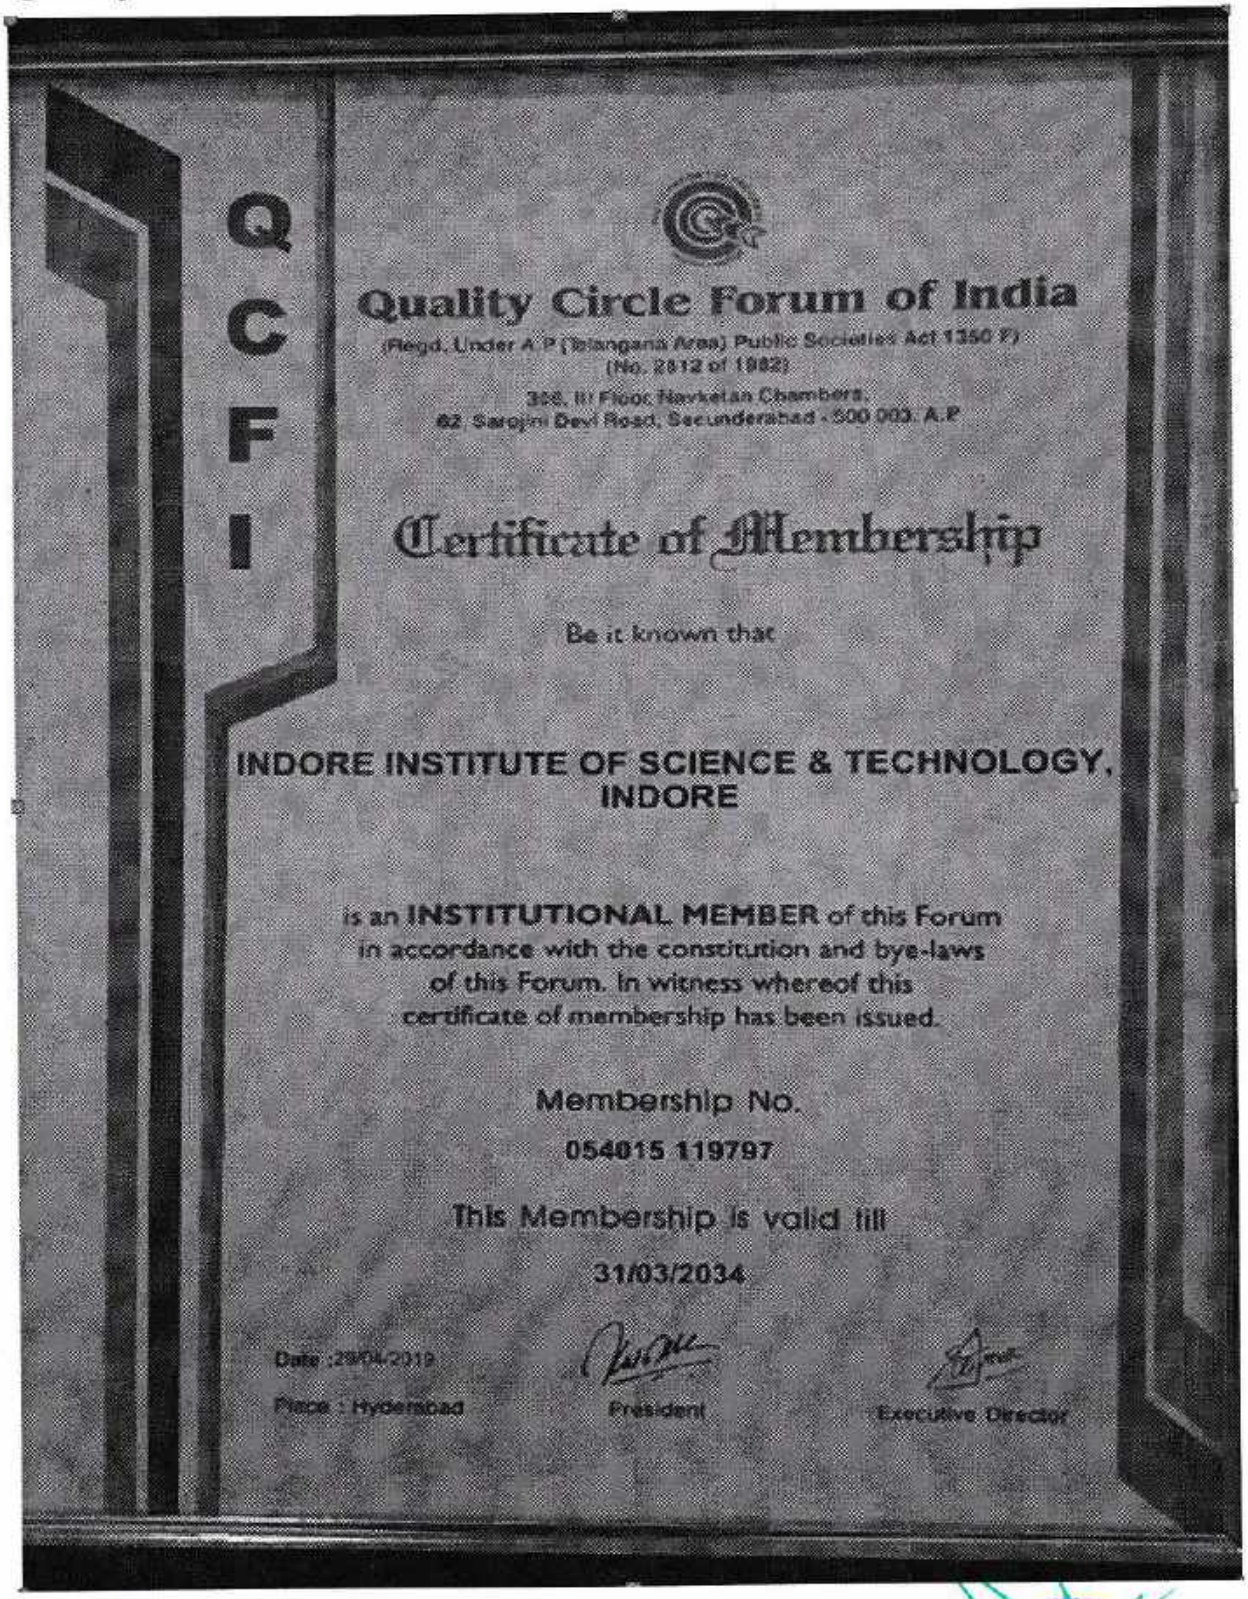

Sincerely,

Komal Sandhu
Program Manager | Developer Student Clubs Program

Codechef

Dear Team CodeChef IIST Chapter,

Greetings from CodeChef!

Thank you for applying to start a CodeChef Chapter on your campus. Your Application ID is CC1504.

As a first step of the process, your team has to complete the following:

Conduct a Team Activity for the students of your college. Please find the detailed guidelines along with the resources here.

Request your Faculty Advisor to send a confirmation email to chapters@codechef.com. Please find the expected sample email content here.

Share your summary report by filling this form as per the format provided here.

Please note that the deadline to complete the above process is by 2020-10-11. Failing to adhere to which will lead to cancellation of your application.

Disclaimer: If any of your team members is found to be part of any plagiarism checking, your application will be disqualified. You can appeal to us if you feel you were wrongly accused of the same by emailing to us about the same.

Should you have any queries, feel free to write to us at chapters@codechef.com.

Warm Regards,
Shweta Sharma
Sr. Program Coordinator

Dear Team CodeChef IIST Chapter,

Hope you're in good health!

I am Hemshree Madaan, your Community Manager, and we will be going forward together from here, holding hands and making your journey as a CodeChef College Chapter, even better! We'll be catching up more in the coming days as I'll be your go-to person for anything-CodeChef! :D

Now before we proceed, let me give you a quick update on what next. From here on, all the chapters are divided into 3 different zones to receive dedicated support from the CodeChef team. Your team is going to be a part of the **Zone 3** where I will be your CM and here are a few things to do to get yourself added to the zonal communication channel:

- Go to this link and react to the message with the **number 3**. You will be automatically added to our zonal channel. (P.S.: Avoid joining other random zones :D)
- If you haven't done already, please change your nickname for the server in the format: **"[Your First Name] | [Your College Short Form]"**
  - **for e.g.:** Hamshree | IIITD
    For more information on how to change your nickname, check the Discord blog here.

Let me know if you have any questions or queries and I will be happy to address them.

Until then,

Deepak Vishwakarma <deepak.vishwakarma@indoreinstitute.com>

Dear team CodeChef IIST Chapter,

Congratulations!

It gives us great pleasure to inform you that your team has been selected to start a CodeChef College Chapter at Indore Institute Of Science And Technology!

We're inspired by your drive, achievements, and leadership skills that made us feel confident to consider you a great fit to take up this responsibility. We are certain that your focus and enthusiasm will help us further our vision of improving the Competitive Programming scenario in colleges. Together, we can create a strong culture of peer learning on your campus.

To give you a warm welcome, we have an induction session planned for you on the coming **Sunday ie. 1st November 2020**. It is mandatory for your entire team *(optional for the faculty advisor)* to be present for the session. The agenda and further details about the same are as below:

- Timings:**11:00 AM - 12:30 PM**
- #N/A
- Link to join the Communication channel: https://discord.gg/SfjSpJH
    - Note: When you login to Discord, keep your name as "Your Name | College Short Name". For Eg: Smruti | XYZ

We request you to confirm your presence for the session by accepting the calendar invite that you should have received along with this email **before 31st October 2020 5:00 PM.**

Your Institute INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY is now is now a part of the NDLI Club

Dear Mr. Sachin,

The request of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY to set up NDLI Club at the institute has been approved. All interested students, faculty members and employees of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY can now enroll themselves as members of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY NDLI Club, using the passkey given below:

Passkey: – fb567697-7c9f-48e8-a33f-fe36e6a8fa61

Club Registration Number : **INMPNCGPDF8O93C**

You are requested to share the Passkey with all your students, faculty members and employees via e-mail and advise them to visit https://club.ndl.iitkgp.ac.in/sign-up to enroll themselves as member of the NDLI Club using their e-mail id and the Passkey. You may also take a printout of the enclosed document and paste it on the notice boards of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY so that the students, faculty members and employees can view the details about the NDLI Club and enroll themselves as members of the Club by scanning the QR Code indicated in the page.

You will be able to download a Certificate of Registration for NDLI Club of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY from the NDLI Club portal club url once you conduct 1st event of your NDLI Club (which may be NDLI User Awareness Session) within the next 30 days and that is attended by at least 100 members of the NDLI Club of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY.

This NDLI Club Certificate of Registration is valid for 12 Month and will be renewed every 12 Month, subject to the NDLI Club of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY conducting at least 6 reading/knowledge related Events and 4 Global Events conducted by others online within the next 12 months and at least 100 members of your Club attending.

The best performing NDLI Clubs at District/ State/ National level will be recognized appropriately.

We look forward to your continued support.

GitHub Education

Hello **DEEPAK**,

We're happy to inform you that your licenses have been provisioned!

1. Using GitHub Enterprise Cloud? Your license was applied to the Organization URL you provided.
2. Using GitHub Enterprise Server? You can find instructions for downloading your license in our help docs.

A quick reminder on the terms of the program:

- **Department Admins** - Please have every administrator at your school complete the Administrator Contact Form.
- **Designated Administrators and Support** - Limited support is only available to your designated administrators - **your end users may not contact GitHub Support.** Designated admins may submit an inquiry through our form if you have any questions about your account.

- **Distribution of GitHub Products** - All departments must be informed of the available products and any department interested must be provided access.
- **Qualified User Communications** - Channels of communication must be provided in order for the qualified users to receive information about GitHub products from the Designated Admin.
- **Logo usage** - We have the right to use your logo.

Take advantage of the benefits available to GitHub Campus Program partner schools:

- Check out the GitHub Education Community page! There, you can ask questions, share resources, tell your story, collaborate, and help others.
- Order GitHub Campus Program swag for your school. Please note that only you or your Admins can place swag requests.
- Take advantage of free developer tools from GitHub partners, by completing the partnership offers form.
- Enterprise owners can create *NEW* Cloud Organizations that will be automatically added to your Enterprise account. You can find instructions in our help documentation. If you need to add *existing* organizations to your account, please submit a request.

We'll check in periodically to ensure we're meeting your needs. You can contact us if you have any questions!

Have an Octotastic day!

- The GitHub Education Team

Please do not reply to this email. If you would like to contact the GitHub Campus Program you can reach us here

GitHub

GitHub, Inc. 88 Colin P Kelly Jr Street, San Francisco, CA 94107

You have received this email because your academic status has been verified by GitHub Education.

Regarding the establishment of a GeeksforGeeks student chapter in our College

7 messages

Anurag Mishra <anurag.mishracs2019@indoreinstitute.com> Mon, May 24, 2021 at 8:05 PM
To: "Dr. Rajkumar Jain" <rajkumar.jain@indoreinstitute.com>, Deepak Vishwakarma <deepak.vishwakarma@indoreinstitute.com>

Respected H.O.D Sir & Deepak Sir,

I am Anurag Mishra, a Computer Science 2023 batch student at Indore Institute of Science and Technology, Indore. Sir, *I want to establish a GeeksforGeeks student chapter with the vision of uplifting the spirit of coding and development in our campus.* It will not only help 1st year & 2nd-year students for enhancing programming skills but will also help final and pre-final year students in campus selection and interview preparation.
I have applied for the same and as per official procedure, I require your permission to open the campus chapter.

Here are the answers to the questions you might get before giving permission:-

1) **What is a GeeksforGeeks Student Chapter?**
-> GeeksforGeeks student Chapters are university-based community chapters for students interested in Computer Science and who want to make their career in this field. By joining a GeeksforGeeks student Chapters, students grow their knowledge in a peer-to-peer learning environment and build effective and optimized solutions for local businesses and their community.

2) **How will GeeksforGeeks student Chapters help students?**
- GeeksforGeeks student Chapters will provide students with various events and webinars on coding or placements.
- Students may get internship opportunities at GeeksforGeeks.
- Along with all this, students can get exclusive discounts on GFG courses
- We will get an opportunity to organize your competition on a PAN India level.
- It will help students to grow a network among 145+ colleges.

3) **How is it beneficial for my college?**
If we have a GeeksforGeeks student Chapters on our campus, your campus will be in direct contact with Geeksforgeeks hence in the future, the college may get offers from GFG or other companies for placement drives and other available opportunities.

4) **Is this a kind of promotional marketing scheme?**
No, it aims at building a community in every college that can produce the best techno-crates and industry-ready professionals.

6) **How will GFG support us?**
- You will get expert mentors for webinars/workshop sessions through GFG.
- You will get your events sponsored by GFG.
- You can interact and seek help from experts at GFG.

7) **There are many other clubs as well in my college. Why should I make a new one?**
- There might be other clubs but this one will be backed by GFG, which separates it from the rest, as GeeksforGeeks is famous for placement preparation and will definitely extend the support to all the students associated with the student chapter.
- Students from CS / IT know about geeks for geeks from a very early stage.

8) **Role of the Faculty Coordinator?**
- The faculty advisor will be the link between the GeeksforGeeks student Chapters and the College Management
- They will be one whom the GeeksforGeeks student Chapters will report its progress.

> Along with the above-mentioned points, there are a lot of benefits of opening a GFG chapter on campus as GFG is a brand on its own and also they frequently provide goodies in events and contests for the motivation and encouragement of students.

To know more about GeeksforGeeks, you may refer: https://www.geeksforgeeks.org/

I need your permission for the same Sir.
I also request Mr. Deepak Vishwakarma Sir (deepak.vishwakarma@indoreinstitute.com) to become the Faculty Advisor for the same.

Looking forward to hearing from you soon.
Thank You.

Yours Sincerely,
Anurag Mishra

Dear Anurag,

We congratulate you on setting up the GeeksforGeeks Student Chapter in your college, a place that will serve as a center of learning, innovation, and skill development for the coding community of your college. It is through leaders like you we expect to further the cause of coding and computer science.

Looking forward to taking the Student Chapter to new heights with you!
PFA Offer Letter.

Indore Institute of Science & Technology INDORE

GeeksforGeeks

We are delighted to inform you that Mr. Anurag Mishra of CSE third year has been appointed as the chapter lead for the year 2021-22.

GeeksforGeeks has established a college chapter at the Indore Institute of Science and Technology in the academic year 2021-22 with the help of his initiative.

We look forward to doing informative & productive work together in the near future, which would help the students to grow & learn.

Manish Shah & Association

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY

&

MANISH SHAH & ASSOCIATES

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 1st day of – September – Two Thousand Twenty One (01/09/2021).

BETWEEN

Indore Institute of Science & Technology, Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh 453331, the First Party represented herein by its **Dr. Keshav Paridar, Principal IIST Indore** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Manish Shah & Associates, E-2403, Sector E, Sudama Nagar, Indore, Madhya Pradesh 452009, the Second Party, and represented herein by its Zonal / Divisional Head, **Manish Shah, Manish Shah & Associates**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

   i) **Name of Institution: INDORE INSTITUE OF SCIENCE & TECHNOLOGY**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

Principal
Indore Institute of Science and Technology, Indore

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;.

E) – **Manish Shah & Associates** – , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of – Design, production, erection commissioning, maintenance and consultant service under the industry concerned and related fields

F) – **Manish Shah & Associates** – ,the Second Party is promoted by **Er. Manish Shah**; E-2403, Sector E, Sudama Nagar, Indore, Madhya Pradesh 452009;

G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and

Principal

Shah And Associates INDORE

Institute of Science & Technology IQAC INDORE

documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy.

Principal
Indore Institute of Science
and Technology, Indore

The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Manish Shah & Associates, activities and services.

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.10 There is no financial commitment on the part of the **Indore Institute of Science & Technology,**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

Principal
Indore Institute of Science
and Technology, Indore

Manish Shah And Associates INDORE

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Manish Shah & Associates, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or Manish Shah & Associates, Indore, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as Independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Indore Institute of Science & Technology, Indore **Manish Shah & Associates**

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Indore.**

Enviroessential Pvt. Ltd

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding is entered into on the 7th Day of September, 2021

between

Indore Institute of Science and Technology, Indore formed under the laws of India and having its registered College at Shail Group of Institutions, Opposite IIM, Pithampur Road, Rau, Indore. Madhya Pradesh (0731) 4010555

and

Enviroessential Pvt. Ltd formed under the laws of India and having its registered company Head Office 38/8, Shop No.2, Wing-A, Ramnagari, Behind D-Mart, Ambegaon Bk, Pune - 411 046. (MH) India and branch office at 31, Brijeshwari Main, Behind Arpit Hospital, Bengali - Pipliyahana Service Road , Indore (MP) India.

Indore Institute of Science & Technology (IIST) is amongst the Top 10 Engineering Colleges of Madhya Pradesh (MP) and amongst the best engineering colleges of Indore, located in a plush 50 acre campus opposite IIM Indore. Set up in 2003 under the Shail Education and Welfare Society, IIST has quickly ascended to this position by ensuring a high focus on quality education and effective as well as holistic development that further translates into high placements.

With the vision of providing the best technical education, IIST started with a humble number of disciplines but soon expanded to include a wide range of courses in Mechanical, Electronics & Communication, Computer Science, Information Technology, Computer Engineering, Civil and Chemical Engineering. It also runs post graduate courses in Mechanical, CS and EC. The institute also offers Masters Degree in Business Administration to meet the growing requirements of management professionals.

Enviro Essentials established in 2015 at Pune, deals with environmental engineering and services in Water & Wastewater Treatment solutions to our esteemed customers in Indian market.

We are a company totally committed to achieve the best Quality and Innovation. This has granted us widespread recognition and has been our guiding motto ever since our inception. We have a team of young engineers and technocrats who cater the industry at the level best and committed to meet all the requirements of a customer along with on time delivery schedule.

At Enviro Essentials, we work as a Team, to understand our customer's requirement and meet their expectations. In a volatile market place, we are constantly upgrading our skills and provide high quality solutions to cater our customer's inherent needs.

Principal
Indore Institute of Science and Technology, Indore

For Enviro Essentials

Proprietor

We are supported by world class international companies in Aeration, Filtration, and Separation, Online robotic cleaning system. We have Tie-up with Environmental Dynamics Inc., USA and Sureflo Techoo Pvt. Ltd. for their products range and Services. We do provide extended range of sewage treatment plant, effluent treatment plant & water treatment plant. In addition we also engage in offering operation & maintenance services along with the consents and environmental clearances from the concerned Government Authorities.

Moreover, we have appointed a defi team of professionals to carry out our trade activities. These experts are update with the handling and operating knowledge of advanced machines, which helps us in providing remarkable products and services to the patrons.

Having a young team, we have advantage of implementing new & creative ideas. We always focus on betterment of our products and services.

Whereas, **Indore Institute of Science and Technology** and **Enviroessential Pvt. Ltd.** are desirous of exploring opportunities for collaborating with each other on the terms set out in this MoU.

Enviroessential Pvt. Ltd. will be providing Free Training/ Workshop on "Industrial application of chemical engineering in the environmental field" at the Indore Institute of Science and Technology College once in Semester. After the successful completion of the training, selected students will get chance to work with Enviroessential Pvt. Ltd. as Interns on Live Projects and get real Industry exposure.

Indore Institute of Science and Technology will be providing technical assistance to Enviroessential Pvt. Ltd. such as providing access for LAB related work/experiment whenever it is required.

Enviroessential Pvt. Ltd. will provide industrial samples to IIST for water analysis and IIST may charge for sample analysis and testing.

Indore Institute of Science and Technology will also provide technical assistance related to chemical projects if required.

Enviroessential Pvt. Ltd. will provide placement assistance to students upon successful completion of the training program.

Until the execution of such formal agreement, **Indore Institute of Science and Technology** and **Enviroessential Pvt. Ltd.** will collaborate on mutually agreed terms mentioned in this MoU.

This MoU shall terminate on execution of formal agreement between both parties or on mutual agreement to exit this MoU or after a period of one calendar year from the date of the MoU.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

CLAUSE 2
SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of KTRC Engineering Services, Indore specializations, Activities and Services.

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies to bridge the skill gap and make them industry ready.

Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

Faculty Development Programs: Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

Student Training/Internship: Second Party will actively engage to help the delivery of the training to students of the First Party into internships programs.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein

Institute of Science and Technology IQAC INDORE
Institute of Science & Technology

There is no financial commitment on the part of the **INDORE INSTITUTE OF SCIENCE & TECHNOLOGY**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3
INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4
VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period KTRC Engineering Services, Indore, the Second Party will take effective steps for implementation of this MOU. Any act on the part of Training Partner or KTRC Engineering Services, Indore, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties must discharge their obligations

CLAUSE 5
RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Memorandum of Understanding

Between

Curtin University Malaysia

And

Indore Institute of Science and Technology Indore India

THIS MEMORANDUM OF UNDERSTANDING (hereinafter called 'MOU') dated 1 October 2021 is made on the Academic Exchange between:

Curtin University Malaysia incorporated as a University pursuant to the Universities and University Colleges Act of 1971, located at Lot 2160, Kuala Baram Land District, Lutong, CDT 250, 98009 Miri, owned and managed by Curtin (Malaysia) Sendirian Berhad (Company No. 464213-M), a company incorporated and registered under the Companies Act, 1965 in Malaysia with its registered address at Lot 986, 1' Floor, Jalan Bendahara, 98000 Miri, Sarawak Miri, Sarawak, Malaysia (hereinafter referred to as 'CURTIN' or 'Party' or 'University', collectively referred to herein as the 'Parties' or 'Universities'); and

Indore Institute of Science and Technology is a premier institution in the central India established in 2003 located at Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh 453331 (hereinafter referred to as 'IIST Indore' or 'Party', collectively referred to herein as the 'Parties').

WHEREAS:

1. The Parties recognize the value of international cooperation and have agreed to continue their common interest in promoting the mutual cooperation in the area of education and research;

THUS:

2. The Parties agree to implement the MOU under the terms and conditions hereinafter set forth, and
3. The Parties agree that while the educational cooperation proposed in this document is concentrating on the institutional level, in the future it may be extended to other content of specific disciplines by mutual agreement.

The terms and conditions of the MOU are as follows:

General Provisions:

1. Both parties will make every reasonable effort to encourage educational and research cooperation to the extent that they are able under the provisions of this agreement and endeavor to cooperate in areas of mutual interest. Within domains that are mutually agreed to, both institutions agree on the following general forms of cooperation:

1.1. Joint education and research activities
1.2. Exchange of faculty members for research, and discussion
1.3. Exchange of students for study and research
1.4. Exchange of academic materials and academic publications
1.5. Organization of joint academic and scientific conferences

Principles:

1. The aim of both institutions is to develop and offer higher education of the highest quality that effectively addresses human resources needs in society, by applying innovative student-centered outcome-based learning methodologies. Parties intend to share knowledge, experiences and educational research results and to support each other in further educational development.

2. Both the parties intend to collaborate in research activities following the research ethics policy and procedure of both the universities

3. Visits by academic staff members will be encouraged for the mutual benefit of both parties. Suitable arrangements will be made for the exchange of visiting scholars for collaboration in teaching and in research.

4. A student programme may include student exchanges, joint supervision of postgraduate students, and the provision of library access and academic assistance for doctoral research

students. Such activities shall be negotiated and agreed to by the parties on a case-by-case basis.

5. The two parties will seek opportunities to cooperate in research. The details of specific proposals will be determined by the mutual agreement of relevant faculties of both parties. The form of cooperation may vary with the goal of each project.

6. To facilitate academic and cultural interchange, the exchange of research materials, publications and information will be encouraged. Each university will invite the other, when appropriate, to participate in conferences, symposia and short visits. Joint educational programs and joint curriculum development are encouraged as well.

7. Any proposals for any form of cooperative work under this MOU between the Parties shall be detailed under separate agreements to be signed by both Parties.

8. Any expenses or operational budget arising as a result of this MOU shall be addressed on case-by-case basis under a separate agreement and shall be based on the responsibilities of each Parties involved in the cooperative work.

9. The protection of intellectual property rights shall be enforced in conformity with the IP policy and procedures of both the universities, and the respective national laws, rules and regulations of the Parties and with other international agreements signed by both parties.

10. Notwithstanding anything in paragraph No. 8 above, the intellectual property rights in respect of any technological development, and any products and services development, carried out

    (i) jointly by the Parties or research results obtained through the joint activity effort of the Parties, shall be jointly owned by the Parties in accordance with the terms to be mutually agreed upon; and

    (ii) solely and separately by the Party or the research results obtained through the sole and separate effort of the Party shall be solely owned by the party concerned

11. The use of name, logo and/or official emblem of any of the Parties on any publication, document and/or paper is prohibited without the prior written approval of either Party.

12. Each Party shall undertake to observe the confidentiality and secrecy of documents, information and other data received from or supplied to, the other Party during the period of the implementation of this MOU or any other agreements made pursuant to this MOU.

13. For purpose of paragraph No. 11 above, such documents, information and data include any documents, information and data which is disclosed by a Party (the Disclosing Party) to the other Party (the Receiving Party) prior to, or after, the execution of this MOU, involving technical, business, marketing, policy, know-how, planning, project management and other documents, information data and/or solutions in any form, including but not limited to any document, information or data which designated in writing to be confidential or by its nature intended to be for the knowledge of the Receiving Party or if orally given, is given in the circumstances of confidence.

14. Both Parties agree that the provisions of these paragraphs No. 11 and 12 shall continue to be binding between the Parties notwithstanding the termination of this MOU.

15. This MOU shall remain in force for a period of 5 years from the date of the last signature. The MOU may be extended by mutual consent of both parties; and may be terminated by either party by written notice at least six months in advance. Termination of the MOU will not affect participants from completing their activities at the host institution.

16. Any amendments to this MOU can only be made in writing and after consultation and mutual consent of the two parties. Such amendments, once approved by both institutions, will become part of this MOU and are incorporated by reference.

17. Any differences of opinion and interpretations of this MOU shall be settled by mutual consultation or negotiation between CURTIN and IIST Indore.

18. Every university participated in this agreement should mention the other partner university website (hyperlink) on their own official website.

19. Each party will assign a key contact person to be responsible for the execution of this memorandum of understanding.

Key contact person for CURTIN:
Assoc. Prof. Dr. Lenin Gopal
Head of Department, Electrical & Computer Engineering
Email: lenin@curtin.edu.my

Key contact person for IIST Indore:

Heartfulness Education Trust and **Indore Institute of Science & Technology**

Indore,
Madhya Pradesh ,India

IQAC

This **Memorandum of Understanding** (hereinafter referred to as "MOU") has been agreed, made and executed on this, the …….. day of june 2022

Between

HEARTFULNESS EDUCATION TRUST

,a registered Trust having its Registered Office at No. 40-15-9/12,Nandamuri Road, Venkateswarapuram Post Office, Vijayawada – 520 010, Andhra Pradesh [(hereinafter referred to as "**HET**") which expression shall unless repugnant to the context and meaning thereof include its successors, administrators and permitted assignees.]

And

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY ,INDORE

located at Rau-Pithampur road,Rau,INDORE DISTRICT- 453331 of MADHYA PRADESH State, [(hereinafter referred to as **"IIST INDORE"**) which expression shall unless repugnant to the context and meaning thereof include its successors, administrators and permitted assignees.]

As the context may require, **HET** and **IIST INDORE** are collectively referred to as the 'Parties' and individually referred to as 'Party' in this MOU.

WHEREAS:

i) Heartfulness Education Trust (**"HET"**) is a Public Charitable Trust registered under the Indian Trust Act, 1882 *inter alia* with an objective to impart an Heartfulness approach to various wellness programmes including relaxation, meditation, values based educational programmes for schools, colleges, government organizations, corporates etc., made available to all who are willingly interested in individual development and wellbeing. HET is also engaged in conducting various Teachers' training programmes in collaboration with Certain State Goverarments/ Education Institutions.

ii) **IIST INDORE**, located at INDORE DISTRICT- 453331 of MADHYA PRADESH State is one of the leading groups of educational institutions in MP and NCR region. The Institute established in the year (2003), offers variety of courses in Engineering, both at UG and PG levels. The Institute is approved by AICTE (New Delhi) and affiliated to RGPV Bhopal .IIST INDORE believes that the core purpose of education should be the holistic development of student and to unearth the priceless treasure lying dormant in them by providing fair opportunities, space & environment to blossom the seed to its fullest potential. Education can be said conclusive if we attain twin objectives i.e prepare the students to take care of his inner self as well as how to meet out the expectation of outer world. With this view, IIST Indore has initiated **समग्र समउत्कर्ष योजना** under which, **'know thyself, to be thyself, willing to evolve"**

with 360 degree Holistic Development approach is implemented. The institute not only combines the formal education with best practices but also prepare the students for better standard of living as well as better standard of life by applying academic, interpersonal and academia- industry efforts to enhance IQ, EQ, SQ as well as HQ (Happiness quotient) by taking care of his inner self i.e. body, mind and soul.

iii) **HET** through its 'Heartfulness' initiatives offers a way for balanced living through various meditation techniques. These simple and effective techniques gradually imbibes feelings of discipline, empathy, brotherhood, leading to mental, spiritual and psychological well-being, helping an individual to transform not only inwardly but also his/ her attitudes, and dealings with society at large.

iv) In order to stimulate and facilitate the development of programmes/modules which serve to enhance educational, social, spiritual & emotional development of students through a collaborative approach with **HET** through training and experiential learning **IIST INDORE** has agreed on the terms mentioned herein in support of its interest in the field of education and is desirous of promoting mutual cooperation by organizing and conducting educational workshops for mental, spiritual and psychological well-being of its students, and desires to extend the basis for friendly and cooperative collaboration by way of this MOU.

NOW THEREFORE, THE PARTIES HEREBY AGREE AS UNDER:

PURPOSE AND OBJECTIVES

IIST INDORE desires to create an example for its University by offering the best for its students so as to enable them to lead lives with purpose and help the society at large. **IIST INDORE** has represented that it is a leading institute that offers high quality education and its priority is to provide its students values, inner development so as to perform better in studies & be leaders in nation building. It seeks to provide basic life skills to manage challenges in relationship, avoid intoxicating abuses, digital addiction and dealing with stress of modern life. It aims to enable it's students and staff to de-stress, manage life's challenges in healthy ways and find joy, purpose and fulfilment. This will directly enhance their academic and work performance and create a harmonious environment within the institute.

HET has agreed to be helpful in such mission through its offerings and in addition to the above, conduct a thorough teacher and administrative staff training program in "Heartfulness" approach for their inner development so as to enable them to encourage students in this program.

Both the Parties, by executing this MOU express their commitment to collaborate with each other to conduct Educational, Relaxation, Meditation and other connected Wellness workshops which will help students, teachers in regulation of mind, moderation of tendencies, concentration, sharpening the use of will, self-analysis and acceptance of people and situations. In terms of skills and competencies, it will help the students to have improved learning skills, improved behaviour, humility, emotional maturity, and confidence, stress management, self-awareness and most importantly, develop purpose towards life.

FACILITATORS

Both the Parties shall nominate one or more representatives, who shall be the point of contact/ facilitator for the purposes of this MOU. The facilitators of both the Parties shall maintain regular contact with the other Party as well as propose and review the response received for the workshops and other activities in furtherance of objectives of the purpose and objectives envisioned under this MOU.

RESOURCES

i) **IIST INDORE** shall make arrangements at its agreed venue(s) with required reference reading material, through a heartfulness corner in the library, meditation practice room, audio-visual and other facilities and equipment required for conduct of the programmes.

ii) **HET** shall nominate teachers, trainers and support staff, for conducting, providing training as envisaged in this MOU to participants at these workshops.

iii) **HET** shall provide support to orient their teachers to conduct these **HET** sessions for their students and will provide full external support. **HET** will make students of institutions conducted by **IIST INDORE** understand values and their role in improving the quality of life and enable them to impart spiritual training as an Extension Activity in its institutions and when feasible.

iv) The Parties shall agree to distribute reading materials/ promotional/ literature to the participants, through any means including video recordings. **HET** shall share the content of such reading materials/ literature/ video recordings etc., with **IIST INDORE**, before distributing such materials to the participants.

v) They shall agree to distribute Promotional items like 'T' shirts, memento and other merchandise or articles at the venue of the programme and at **HET**'s discretion set-up stalls for distribution of such Promotional items and details of the programme etc.

vi) The detailed Scope of Service to be rendered by **HET** are listed out in Schedule 1 to this MOU which will be adhered to by **HET** during the term of this MOU.

OTHER OBLIGATIONS OF IIST INDORE

IIST INDORE shall extensively promote **HET** programs so that greater populace of students shall benefit out of the initiative. As indicated elsewhere in this MOU, being value-based model of education, **IIST INDORE** can make the initiatives/ programs/ Modules of **HET** as part of curriculum for the students on a mutually agreed basis.

IIST INDORE shall:

i) Take initiatives such that its students shall attend the sessions taken by **HET** with an objective to help them achieve / inculcate the desired value systems to make them global citizens;

ii) Facilitate students integrate the values imbibed into their lesson plans;

iii) Jointly conduct surveys to find the effectiveness of the program carried out at regular intervals.

FINANCIAL UNDERSTANDING

HET shall provide its services in Heartfulness meditation practices on **free of charge** basis at all times as agreed. However, it is agreed that certain expenses relating to the training program, faculty etc. shall be on a chargeable basis as under:

Expenses relating to the program in terms of material (recommended reading, library heartfulness corner, meditation room would be set up as per Heartfulness Education Trust recommendations at the institute to be used by students and faculty as per the course requirements).

For training programs for faculty and students organised at the centres of Heartfulness Education trust an appropriate per diem expense would be undertaken by the institute for boarding and lodging.

Logistic:

Reimbursement of actual travel expenses for HET trainers and special guests who are invited to **IIST INDORE** Campus for conducting sessions/programmes. Actual to & fro airfare & taxi far from place of residence, food and miscellaneous expenses shall be reimbursed. Stay facilities shall be to the account of **IIST INDORE**. We would provide a guideline.

TERM

This MOU has been executed for the purpose of organizing workshops' seminars/ training sessions at the premises of **IIST INDORE** or such other premises as may be mutually agreed upon and shall remain in force for a period of **THREE YEAR** , commencing from the date of execution. This MOU shall terminate after completion of the term of three year, without any financial obligations of Parties, except for pending reimbursements and costs as provided herein. Both the Parties may execute similar agreements for similar initiatives in future or even extend the term of this MOU for such further periods. Either party can voluntarily terminate this MOU by giving 3 months' notice in writing to the other.

It is agreed that **IIST INDORE** shall not copy or infringe upon the initiatives or programmes of **HET** in terms of its program offerings, videos, materials in any of their other individual initiatives and all copyrights shall vest with **HET.**

ASSIGNMENT

This MOU is personal to the Parties and the rights and obligations established herein shall not be assignable by the Parties, except to the extent expressly permitted under this MOU or with the prior written consent of the other party.

INDEMNITY

Except for cost reimbursements, the Services offered by **HET** are on a mutual basis and free of cost. Only willing participants for their own wellbeing / self-development are required to participate. **IIST INDORE** may for development of its students make the **HET** Programmes/Modules as part of its curriculum. The Parties therefore, agree that such services do not give rise to any kind of damage or liability to anybody who participates and therefore no damage can arise therefrom. No indemnity is therefore provided herein. It is clearly understood that **HET** programs do not guarantee success of its objectives or initiatives mentioned in the Article above.

GOVERNING LAW, JURISDICTION & ARBITRATION

This MOU shall be construed, interpreted and enforced in accordance with Laws of India. In case of any differences, both the parties, shall make all efforts to settle the disputes amicably through mutual discussion and negotiation, failing which, dispute(s) shall be referred to a sole Arbitrator appointed by both the Parties, as per provisions of Arbitration and Conciliation Act, 1996. Language of Arbitration shall be English and place of Arbitration shall be Vijayawada, Andhra Pradesh. Subject to the Arbitration Clause, the Courts of competent jurisdiction at Vijayawada shall have exclusive jurisdiction in respect of any and all matters pertaining to this MOU.

MISCELLANEOUS

i) This MOU can only be amended in writing by mutual consent of both the Parties. No modification or amendment to this MOU and no waiver of any of the terms or conditions hereof shall be valid or binding unless made in writing and duly executed by or on behalf of both the Parties.

ii) This MOU may be executed in counterparts including but not limited to MOUs, communications exchanged defining responsibilities, obligations of both the Parties for different programs, initiatives etc. under this MOU, each of which shall be deemed to be an original, and all of which, taken together, shall constitute an integral part of this MOU.

iii) If any provision of this MOU shall be invalid, illegal or otherwise unenforceable, the validity, legality and enforceability of the remaining provisions shall in no way be affected or impaired thereby.

iv)The captions of the clauses of this MOU are for convenience of reference only and in no way define, limit or affect the scope or substance of any clause of this MOU.

v) The arrangement contemplated herein being in nature of cooperative strategic alliance for general wellbeing, no monetary consideration is involved.

vi)None of the provisions of this agreement as stated above shall be deemed to constitute a partnership between **HET** and **IIST INDORE** and no party shall have any authority to bind or shall be deemed to be the agent of the other in any way, it is on principle to principle basis;

vii) Neither party shall exercise any rights in the trademarks, copyright or other intellectual property of the other party, except as expressly stipulated herein.

viii) All intellectual property rights (IPR) in "Heartfulness", The "Heartfulness" technique of Relaxation/ its connected procedures, "Heartfulness" Relaxation, Heartfulness Cleaning and other Trademarks of **HET** or of those of its associates used by **HET** under license shall always vest with **HET** or its associates and it reserves the right to use the same internally or externally at its sole discretion. **IIST INDORE** shall not have any rights over the program content/module usage which may be exploited by **IIST INDORE** only with the prior written permission of **HET** and in coordination and assistance of **HET** authorized representatives who are experts in this area. If the version of "Heartfulness" Relaxation/ its connected procedures, "Heartfulness Meditation" is modified or improved, **HET** may implement such changed versions of wellness techniques anytime during the term of this MOU.

IN WITNESS WHEREOF the parties hereto have executed this MOU, in duplicate, by their duly authorized representatives on the date, month and year first written above.

SCHEDULE- 1
Scope of Work

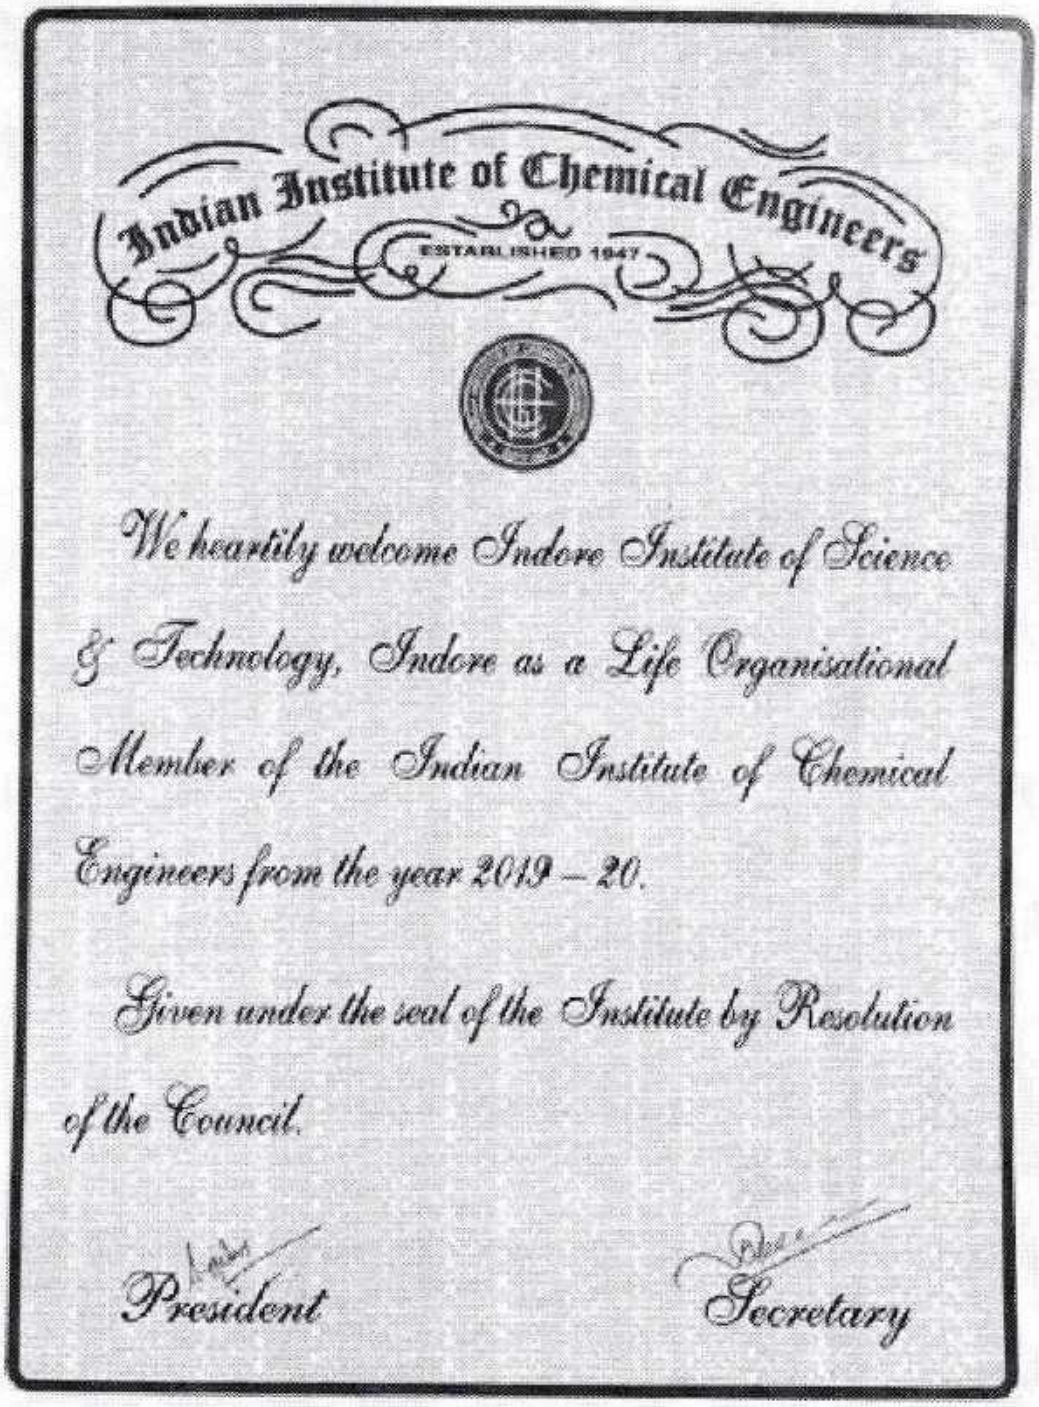

Heartfulness Education Trust (HET) shall offer the following programs specifically developed for specific needs of the University:

1. **Staff Training: HET** shall impart a training program on "Wellness at work" to all Principals, Teachers and Staff of the **IIST INDORE** institutions at its campus. **IIST INDORE** may at its sole discretion make it compulsory for their faculty/staff. Initially, this would be a three-day program to introduce the Heartfulness Meditation Practice and how it can be integrated into best education practices. This wellness program can also be offered at Kanha Shanti Vanam, the world headquarters of Heartfulness located near chegur village, RangaReddy district with a residential programme facility on mutually agreed basis.

2. **In-depth Faculty Training on Heartfulness Curricula:** Following initial introduction, interested faculty would be provided a longer duration in-depth teacher training program to further enhance and develop the Heartfulness tools and Curricula. This program would be developed suitably by Heartfulness Education Trust and made available at Kanha Shanti Vanam / Heartfulness centers or on **IIST INDORE** campus on an ongoing basis on agreed intervals during the term of this MOU.

3. **HELM (Heartfulness Enabled Leadership Mastery) curriculum for students : HET** shall choose a college on **IIST INDORE** campus to begin an in-depth training for students. This would cover a 3 day induction program and a 16-week life-skills course which will be followed by subsequent foundational leadership programs such as Discover, Develop etc which can be included as credit courses. These are core Heartfulness programs conducted by certified Heartfulness trainers which will be experiential sessions of 60-90 minutes for each student group.

Indore Institute of Science and Technology, Pithampur Road, Opposite IIM Rau Indore the First Party represented herein by its **Dr. D.V. Singh** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

HyCube Works Private Limited, 346 First floor 17th main Rd. 14th B Cross Rd. Sector 4, HSR Layout, Bengaluru Karnataka 560102, and represented herein by its Zonal / Divisional Head, **Mr. Reethan D L**, (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

   0) **Indore Institute of Science and Technology**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Startup support and Research.

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;.

E) – **HyCube Works**– , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of – ***Startup and ecosystem support focusing area 3D Printing*** - - and related fields

F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the Intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Ecosystem, Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Startup and ecosystem development in the area of 3D Printing**

2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned

sector, if available.

2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.9 There is no financial commitment on the part of the **Indore Institute of Science and Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **HyCube works**, the Second Party, as the case may be, will take effective steps for implementation of this MOU.

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority

under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Indore**

AGREED:

Date: 10 January 2015

To
Principal Investigator
e-Yantra project
IIT Bombay

Subject: Expressing Interest to participate in e-Yantra Lab Setup Initiative (eLSI)

Dear Sir/Madam,

We understand that the MHRD funded e-Yantra project is facilitating/setting up of Robotics labs at engineering colleges with the goal of spreading Embedded systems and Robotics education.

In order to achieve the desired impact, e-Yantra would provide necessary support in the following manner:

1. Conducting workshops for a team of 4 teachers identified by us.
2. Training the team of teachers through hands-on experiments in a project mode through the regional e-Yantra Robotics Teacher Competition.
3. Providing support and advice to set up a Robotics lab such that by the time the teachers are trained, a Robotics club is set up at our college.

On our part, we express our intent to participate in this nation-building effort by committing the following resources:

1. Team of teachers:
   Team leader: Prof. Kavitha Chandra
   e-mail ID of Team-leader:
   Team members:

2. Suitable space for setting up a Robotics lab: [illegible]
   Arrangement of fund for setting up: [illegible]
3. Ensuring a minimum number of students to participate in the competition

Letter of Appreciation

To,
The Principal,
Indore Institute of Science and Technology, Madhya Pradesh

This letter expresses our sincere appreciation for the involvement of your college *Indore Institute of Science and Technology, Madhya Pradesh* in the e-Yantra Lab Setup Initiative. It has been a pleasure being associated with your college and seeing the impact this initiative has had on your college, teachers and students.

On behalf of e-Yantra, we would like to express our heartfelt appreciation to your institution for your outstanding participation in the e-Yantra Lab activities and submitting a Poster regarding the same for *e-Yantra Symposium 2023*. Your college's teachers as well as student's dedication and hard work have led to your selection as one of the *top 3 best presentations* of your college's e-Yantra Lab activities in *e-Yantra Symposium 2023*.

We believe that your institution's participation in the e-Yantra Lab activities will serve as a benchmark for other colleges and inspire them to participate in this nation building initiative. We hope that your college's teachers and students will continue to display the same level of dedication and passion in future.

Once again, congratulations on your remarkable achievement, and we look forward to continuing to work together to inspire and empower the next generation of innovators.

National Program Technology Enhanced Learning (NPTEL)

MEMORANDUM OF UNDERSTANDING
BETWEEN
ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE)
AND
National Program Technology Enhanced Learning (NPTEL)

This **Memorandum of Understanding (MoU)** executed on this 3rd day of July, 2018 by and between:

All India Council for Technical Education (AICTE), through its Advisor-I (RIFD), has its office at 3rd Floor, Nelson Mandela Marg, Vasant Kunj, New Delhi - 110070, a *Statutory Body* under the Ministry of Human Resource Development, Govt. of India established under the All India Council for Technical Education Act, 1987 (hereinafter referred to as the **"AICTE")** on the **first part.**

AND

National Program Technology Enhanced Learning (NPTEL) through its Coordinator, NPTEL, CCE, IIT Madras, Chennai has its office at IIT Madras, on the **second part.**

WHEREAS, AICTE and NPTEL are desirous to execute AICTE-NPTEL Faculty Development Programmes for teachers in AICTE's approved technical institutions through NPTEL MOOCs (Massive Open Online Courses) Advanced Courses and these NPTEL courses undertaken and successfully completed by faculty shall now be considered for faculty promotions under CAS/direct recruitment.

AND WHEREAS, both AICTE and NPTEL are mutually desirous to set forth in this MoU certain terms and conditions applicable to both for executing the scheme.

1. **Purpose of Agreement**

This Agreement is entered between AICTE and NPTEL for defining terms & conditions of the NPTEL Advanced level courses, good enough to be Faculty Development Programmes, through MOOCs (Massive Open Online Courses) and role & responsibilities of both the parties.

NOW, THEREFORE, both parties agree to the following terms and conditions: -

i. NPTEL is already conducting Advance and Basic Level courses through MOOCs (Massive Open Online Courses)
ii. A large number of Advance Level Courses are being offered by NPTEL. These are 1 credit, 2 credit and 3 credit courses.
iii. Since MOOCs (Massive Open Online Courses) of NPTEL are not full time like regular FDPs, it is decided that its equivalence to regular FDP shall be considered as under.

Dr. Andrew Thangaraj
Co-ordinator, NPTEL, CCE
IIT Madras, Chennai 600 036

Institute of Science and Technology IQAC INDORE
Indore Institute of Science & Technology INDORE

Sl. No.	No. of weeks of NPTEL Courses	No. of lectures per week	Total No. of Hrs. of engagement	Equivalence of NPTEL course with regular FDP
1.	4	3	12	½ FDP of one week
2.	8	3	24	Full FDP of one week
3.	12	3	36	1½ FDP

iv. NPTEL MOOCs (Massive Open Online Courses) will have regular assignments and in person examination at the end. A test will be conducted by NPTEL and a certificate be issued to only those participants who attended the programme and qualify in the test.

2. **Role & responsibilities of NPTEL**

(i) It shall be the responsibility of NPTEL to conduct advance level courses through MOOCs, which are good enough to be FDP.
(ii) NPTEL will do the certification of these courses with AICTE.
(iii) NPTEL will act as facilitator for the operation of the programmes.
(iv) NPTEL through its Academic Affairs Council (this is the senates of the different IITs that run courses on NPTEL) and its Programme Implementation Committee (Chaired by Director, IIT Madras and all NPTEL coordinators are member) will identify the set of advanced courses that are good enough to be FDP.
(v) The list of courses will be advertised on the NPTEL portal (nptel.ac.in) and a record of courses approved every semester will be maintained on the same portal.
(vi) Online portal will be modified by NPTEL to invite applications for the conduct of advance level courses through MOOCs and the link also be provided at AICTE website.
(vii) Since the NPTEL courses are supported by MHRD, NPTEL will be accountable for finance/grants sanctioned under the scheme and shall abide by terms and conditions stipulated by MHRD for financial grants.
(viii) NPTEL will constitute a Steering Committee for effecting implementation of scheme. AICTE will provide its representative as a member on that Committee.
(ix) After conduct of each programme, NPTEL will provide to AICTE a list of participant faculty from engineering college, along with their contact details, who attended the MOOCs programme in the eligible NPTEL courses and successfully completed the same.
(x) A special joint certificate will be issued by NPTEL to the participants who attended the MOOCs programme in the eligible NPTEL courses and successfully completed the same. The specially designed joint certificate will carry AICTE logo and signatures of Advisor, AICTE and NPTEL Coordinator appended on it.
(xi) NPTEL will ensure that the above said certificate shall be issued only to those participants who qualify examinations.

Dr. Andrew Thangaraj
Coordinator, NPTEL, CDE
IIT Madras, Chennai 600 036

3. **Role & responsibilities of AICTE: -**

(i) AICTE shall nominate a representative to attend the meetings of Steering Committee for monitoring the implementation of the terms and conditions laid down in the MoU.

(ii) An appropriate advertisement shall be placed by AICTE and NPTEL and applications will be invited online on NPTEL web portal with the link on AICTE website.

(iii) AICTE shall conduct surprise visit to some centres while the conduct of test is in progress. NPTEL will provide the schedule to AICTE in advance.

4. **Validity of Agreement**

This arrangement shall be effective **up to maximum of five years**, starting from the date of signing of the Agreement and its continuance will be subject to annual review of the scheme and deliverables. The continuance of the scheme is also subject to the AICTE policy, its rules, regulations, by-laws and guidelines formulated for this purpose from time to time.

5. **Amendments & Modifications**

Any revision/modification or change to this agreement may be made by either party only by mutual consent and unless such revision/modification or change is acknowledged and accepted by both parties in writing, such revision/modification or change shall not be valid and binding on the parties to this agreement.

6. **Dispute-Resolution & Jurisdiction**

Any dispute arising out of the work assigned to the NPTEL under the scheme, which cannot be amicably settled between the parties viz., AICTE (on one part) and NPTEL (on the other) shall be referred to the Arbitration Tribunal consisting of three arbitrators, one arbitrator shall be nominated by the first party and one arbitrator shall be nominated by the second party and the third arbitrator to be mutually decided by both the arbitrators under the provisions of Indian Arbitration and Conciliation Act, 1996. The seat of the Tribunal will be at New Delhi and the proceedings shall be conducted in accordance with the provisions of the Arbitration & Conciliation Act, 1996..

This Agreement/MoU shall be enforceable within the jurisdiction of Delhi Courts only.

Dr. Andrew Thangaraj
Co-ordinator, NPTEL, CDE
IIT Madras, Chennai 600 036

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

7. **Termination**

The AICTE, in its sole discretion by giving prior notice of one month to the other party, may terminate this agreement without assigning any reason. In addition to above, AICTE may also terminate this agreement instantly and without giving notice to the other party, in case of a change of policy pertaining to the implementation of the scheme or in the event of any breach of this agreement by the other party or any irregularity or dissatisfaction noted in the implementation of the scheme.

This MoU/agreement shall come into force from the date both the parties have signed the same.

Both the parties have considered and read the T&C of this agreement and thereafter agreed to sign this MoU on 3rd July 2018.

IN WITNESS Whereof, the parties hereto have caused this agreement to be signed in their respective name as of the day and year first above written.

Ref. No: RGPV/ TEQIP-III/2018/(02)/85 Date: 04-12-2018

To,

Directors/ Principals of RGPV Affiliated Institutions

Sub: Registration of faculty for NPTEL certification course.

Dear Sir/Madam,

As you are aware that National Programme for Technology Enhanced Learning (NPTEL) is a joint initiative from IITs and IISc to offer online courses and certification in various topics. NPTEL is conducting Advance and Basic Level courses through MOOCs (Massive Open Online Courses). A large number of Advance Level Courses with 1 credit, 2 credit and 3 credit are being offered by NPTEL. Since MOOCs of NPTEL are not full time like regular FDPs, AICTE has also made its equivalence to regular FDP which shall be considered as under.

- A 4-week of NPTEL online Course is equivalent to half-week FDP.
- An 8-week of NPTEL online Course is equivalent to one-week FDP.
- A 12-week of NPTEL online Course is equivalent to one-and a half-week FDP.

NPTEL MOOCs will have regular assignments and in person examination at the end. Faculty has to enroll to courses on NPTEL portal, register for the certification exam(s) by filling the form and paying the applicable fees, appear at the designated exam centre and pass the exam by scoring marks according to criteria set by NPTEL. The certificate will be issued to only those participants who attend the programme and qualify in the test.

In this connection, as per the directives of Prof. Sunil Kumar, Hon'ble Vice Chancellor-RGPV, You are requested to circulate the information among the faculty of your institution to get registered for the online certification courses through the link https://onlinecourses.nptel.ac.in/ and ensure the compliance of above directives in your institute.

A List of advanced NPTEL online certification courses as approved for Faculty Development Programme by AICTE for Jan-April 2019 is available at https://nptel.ac.in/AICTE_FDP/

You are also requested to set up SWAYAM-NPTEL local chapter at your institute through the link https://nptel.ac.in/LocalChapterRequest_login.php so that the institute will get updated about all the latest NPTEL initiatives and can disseminate information's regarding various courses among the students.

In case any assistance required the institute may contact the undersigned.

All India Survey of National Programme on Technology Enhanced Learning (NPTEL)

Dear Students,

As you are aware that the NPTEL (National Programme on Technology Enhanced Learning) is an initiative of seven Indian Institute of Technology (IITs) and Indian Institute of Science (IISCs). NPTEL provides E-learning through online web and video courses in Engineering, Science and humanities streams and the mission of NPTEL is to enhance the quality of Engineering Education in the country by providing free online courseware.

Presently an important all India survey on NPTEL is being conducted. The main objective of this survey is to gauge your awareness, expectations and feedback about NPTEL program in particular and e-Education in general. Your honest opinion and contribution will help in improving the NPTEL program.

You are requested to participate in this survey of NPTEL by accessing the following link www.nptelsurvey.weebly.com

Note : In case you haven't come across NPTEL programme hitherto, it is advised that kindly visit NPTEL website (http://nptel.iitm.ac.in) first and get familiar with NPTEL program or you can take a look at PPT available on www.nptelsurvey.weebly.com before attempting survey.

I not only hope but also believe that you will enthusiastically participate and contribute in this useful & promising National Level Revolutionary Educational program.

Thanking you so much indeed!

With Best Wishes –

Subject – **MOU between AICTE and Internshala - Internship Day '2018 –reg.**

Sir/ Madam

As you are aware that an MOU was signed between AICTE and Internshala on 27th April, 2017 to facilitate internship to students. The MoU is available on AICTE website. Students can use Internshala platform for free internships.

This is to convey that Internshala is organizing an Internship Day in August 2018 to reward and recognize the colleges with the maximum internship selections during the summer via Internshala (April- July). The Internship Day will mark the importance of internships and the positive impact it can create on the overall employability of college students. In the event, the top performing college will be rewarded with trophies and certificates. This is an opportunity for the institutions to showcase its strong internship culture among the student & parent fraternity.

Interested institutions are encouraged to avail this opportunity for internships for students by filling the form - (internshala.com/i/10883) to register themselves for the event. The form be filled only by college authorities or training & placement team of the college only.

Internshala will provide continued support to help maximum students find an internship from your institution.

*Please note - Only internship selections through **Internshala** will be counted, therefore, colleges may fill the form to participate.*

The last day to register is 7th May 2018.

In case of any queries, point of contact :

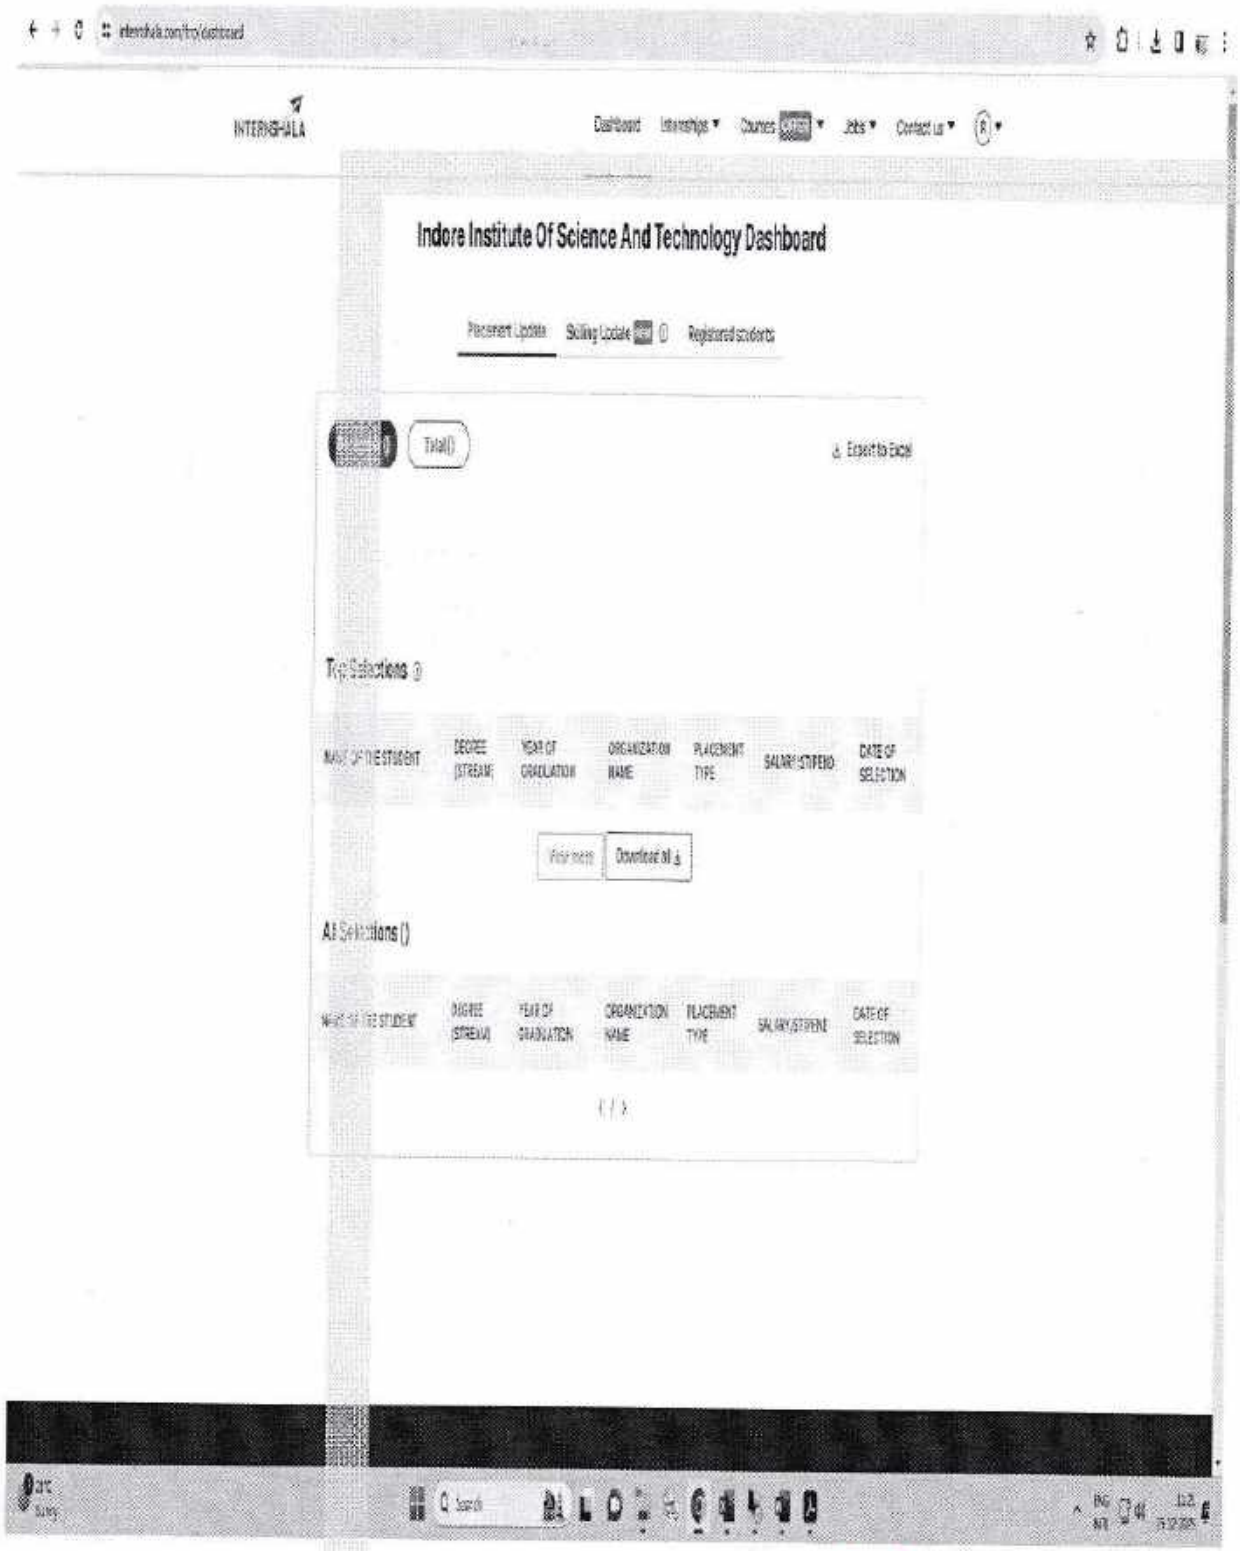

Kishalaya Kumar (kishalaya@internshala.com),

RED HAT ACADEMY
PROGRAM APPENDIX

redhat

1. **Background and Purpose.** This Program Appendix ("Appendix") establishes the terms and conditions under which Partner will participate in the Red Hat Academy Program ("RHA" or "Program") in the Territory. Under the Program, Red Hat provides Partner an Internet deployed and managed Curriculum, Software, and Services and Partner provides the facilities and Teachers and delivers the Courses to Students as set forth in this Appendix. Capitalized terms not defined in this Appendix shall have the meaning given to them in the Partner Agreement between the parties, including the Partner Terms and Conditions.

2. **Definitions.**

"**Appendix**" means this Red Hat Certified Training Partner Program Appendix, including the terms and conditions governing the relationship between the Parties as contemplated by this Appendix, and further subject to the terms and conditions of the Partner Acceptance Document ("PAD"), to which this Appendix shall be an attachment.

"**Curriculum**" means the Courses, Course Materials, Manuals, and any and all instructional content, assessments, tests, and instructional materials included therein whether in print or electronic format, provided by Red Hat as part of the Red Hat Academy Program.

"**Course**" or "**Courses**" means the specific courses or units of study that may be taught under the RHA and as set forth in Exhibit A, Exhibit C and as otherwise offered by Red Hat under the Red Hat Academy Program.

"**Course Materials**" means any and all instructional and educational content provided directly or indirectly by Red Hat, including without limitation designs, course names and numbers, course materials, Manuals, methodologies, software, scripts, processes, instructional materials, slides, notes, lab exercises, assessment tools, quizzes, tests, answer keys, scripts, files, instructor guides and/or any other materials in any format, provided in connection with the Curriculum whether distributed in print, electronic, or video format, including, without limitation, Student Kits, Exams, Exam Kits, and Exam Authorizations. Any of the foregoing may be modified by Red Hat, from time-to-time, at its sole discretion.

"**Documentation**" means user manuals, training materials, software descriptions and specifications, brochures, technical manuals, license agreements, supporting materials and other printed information provided in connection with the Learning Services, in any format.

"**Effective Date**" means the first date when both parties have fully accepted or signed the Partner Agreement including this Appendix.

"**Exam**" means a Red Hat performance based certification exam.

"**Partner**" means a qualified university, academic institution, or entity with a workforce development program that acquires the Red Hat Academy Subscription for its own use to be provided to Partner's Students and without the right to directly or indirectly sell, resell, remarket, or, in whole or in part, otherwise distribute Red Hat Academy. Eligibility of a Partner is determined at Red Hat's sole and exclusive discretion.

"**Program Subscription Fee**" means the annual subscription fee paid by Partner that provides Curriculum, Software and Services to the Partner and enables Partner to teach the Curriculum to Students as set forth herein or in separate mutually agreed order.

"**Services**" means Learning Services provided as part of the Program.

"**Student(s)**" is a person enrolled full or part-time in the Partner's school, institution of learning and admitted to a degree awarding program (e.g. diploma, or degree, program, or certificate program) and attends a Course as taught by a Teacher.

"**Student Kit**" means the individually printed and packaged, digital or online Course Materials required for one (1) Student enrolled in a single Course.

"**Software**" means Red Hat Enterprise Linux, JBoss Enterprise Middleware and other software programs branded by Red Hat, its Affiliates and/or third parties including all modifications, additions or further enhancements delivered by Red Hat.

"**Teacher**" is a Partner employee or contractor who meets all qualifications determined by Red Hat who teaches and instructs Courses for the Partner.

Indore Institute of Science & Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

"Teacher Kit" means a set of materials, including a copy of the Red Hat Academy Student Kit as well as supplemental instructor materials, assembled by Red Hat solely for use by a Red Hat Academy instructor in delivering Red Hat Academy classes.

3. License and Ownership

3.1 **License Grant.** Upon Partner paying the applicable Fee(s), Red Hat grants Partner a non-exclusive, revocable, fully paid license, with no right to sublicense (including, but not limited to, sell), to use the Curriculum and Course Materials pursuant to the Agreement as follows: (a) distribution of Course Materials is limited to one (1) copy per Teacher and one (1) copy per Student; (b) Curriculum are provided solely for the use by Teachers and Students in the Course and such Curriculum may not be copied or transferred without the prior written consent of Red Hat; and (c) Curriculum must be taught sequentially and completed by Partner in no less than eight (8) weeks. The Curriculum shall not be used to teach or instruct any person who is not officially enrolled as a Student and admitted to a degree, diploma, or certificate awarding program of Partner.

Notwithstanding the foregoing, all Curriculum is the sole property of Red Hat and its licensors, and are copyrighted by Red Hat unless otherwise indicated therein. Red Hat and its licensors will have sole ownership of any and all Curriculum, including but not limited to methodologies, software, processes, or other intellectual property developed during the performance of the Services. Red Hat will provide Software for the use by the Partner and Students in the Course. Use of the Software is subject to the End User License Agreement set forth http://www.redhat.com/licenses/rhel_rha_eula.html. The Services may only be used by Partner. Partner is solely responsible for providing prerequisite skills, assessing its Students' suitability for use of the Curriculum, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student and Teacher information. Partner hereby agrees that Software used outside of the Program is covered under terms and conditions of the Enterprise Agreement including Appendix 1, Subscription Services, set forth at www.redhat.com/licenses, which may be amended from time to time by Red Hat in its sole discretion.

3.2. **Retained Rights.** No part of the Curriculum may be photocopied or duplicated by any means, whether photographic, or electronic, or mechanical, or sold or distributed in any other delivery format whether in print or electronic, or used as the basis for any other training product or service, without written permission from Red Hat. Partner's rights in the Curriculum are limited to those license rights expressly granted under the Appendix, and Red Hat retains all rights not expressly granted. Partner will not (a) modify the Curriculum in any manner, or (b) use the Curriculum for any purpose not specifically permitted by the Appendix. Red Hat and its licensors will own and retain all right, title, and interest in the Curriculum and all intellectual property rights inherent therein, including without limitation all changes and improvements requested or suggested by Partner, notwithstanding any use of terms such as "purchase", "sale", or the like within the Agreement. Partner represents and warrants that its use of the Curriculum will be to fulfill obligations under the Appendix. Any unauthorized use of the Curriculum will be deemed a material breach of the Agreement. Prior to providing Students with access to Curriculum, Partner will require each Student to sign or otherwise assent (in a binding manner) to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at http://www.redhat.com/licenses/, which may be amended from time to time by Red Hat in its sole discretion. Partner's internal use of Courses or Exams is subject to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at http://www.redhat.com/licenses/, which may be amended from time to time by Red Hat in its sole discretion.

3.3 **Permitted Marks.** Partner may only use the logo(s) set forth in Exhibit B to the Program in conjunction with the promotion of Partner providing Red Hat Academy Courses to Students. Partner may not use the logo(s) in general advertisements or marketing materials that do not specifically address or support the sale of Courses under the Program.

3.4 **Copyright Notices.** Partner will ensure that all copies of the Curriculum in Partner's possession or control incorporate copyright and other proprietary notices in the same manner that Red Hat incorporates such notices in the Curriculum or in any manner reasonably requested by Red Hat. Partner will promptly notify Red Hat in writing upon its discovery of any unauthorized use of the Curriculum or infringement of the Curriculum or Red Hat's proprietary rights in the Curriculum.

3.5 **Use of Red Hat Software.** Any use of Red Hat Software is subject to Red Hat's standard agreements including the Enterprise Agreement set forth at www.redhat.com/licenses, the applicable Red Hat End User Agreement(s) set forth at www.redhat.com/licenses/index and/or any other mutually signed written agreement with Red Hat as applicable.

4. Fees and Payment

4.1 **General.** Any fees or charges ("Fees") will be due and payable by Partner in accordance with the Agreement. Partner may purchase from Red Hat directly, or through an Authorized Red Hat Reseller Partner. If Partner acquires Subscriptions, Courses and/or Services through a Red Hat Academy Program Reseller, the Fees for such Subscriptions, Courses and/or Services will be determined by such Reseller and may vary from the Red Hat Fees.

Red Hat India Pvt. Ltd. Mumbai
Indore Institute of Science & Technology
Indore Institute of Science and Technology IQAC INDORE
Indore Institute of Science & Technology INDORE

4.2 **Direct.** If Partner purchases directly from Red Hat, Fees will be identified by Red Hat in an Order Form and are (a) due upon Red Hat's acceptance of an Order Form, and (b) payable in accordance with this section. All Fees are stated in United States Dollars. Partner must pay all Fees within thirty (30) days from the date of invoice, without regard for when, and whether, Partner collects payment from a Student. Fees do not include out-of-pocket expenses or shipping costs. Partner agrees to reimburse Red Hat for its reasonable expenses incurred in performing the Services including travel, lodging and non-routine supplies, in accordance with Red Hat's travel and expense policies. All Fees are non-refundable. Red Hat will invoice Partner upon Red Hat's receipt of a purchase order for any amounts due to Red Hat pursuant to this Agreement; provided, however, that the terms of such purchase order will not amend, supplement or modify the terms of this Agreement or be binding on Red Hat. Red Hat reserves the right to change the credit terms or terminate the Agreement if Red Hat has not received payment within five (5) days of when it is due. Renewal Fees will be the same price listed in the Order Form.

5. **Publicity.** Red Hat and Partner shall each have the right to identify Partner as a Red Hat Academy partner, provided, however, that for any press release, media alert, or other public communication, each party shall obtain the other party's review and written consent before publishing such information in any form.

6. **Term, Termination, Mandatory Disclosure and Public Officials**

6.1 **Term.** Unless otherwise specified in writing by the parties, the initial term of this Appendix shall be one (1) year (the "**Initial Term**"). Thereafter, the term for this Appendix shall renew for successive terms of one (1) year each (each, a "**Renewal Term**"), with each Renewal Term beginning on the anniversary of the Initial Term unless either party gives written notice to the other of its intention not to renew at least sixty (60) days prior to the commencement of the next term. As used herein, the Initial Term and each Renewal Term individually refer to a "**Term**" and collectively the "**Appendix Term.**"

6.2 **Termination.**

6.2.1 **Termination for Breach.** Notwithstanding anything to the contrary Red Hat may terminate this Appendix as provided for under Section 13.2 of the **Partner Terms and Conditions Appendix**, or in the event (a) Partner fails to pay an invoice when due, (b) Partner commits a breach of this Agreement and fails to remedy that breach within 30 days of receipt of notice of breach, or (c) as otherwise provided in the Agreement. Partner may terminate the Appendix in the event Red Hat commits a material breach of the Appendix and fails to remedy such breach within 30 days of receipt of notice of material breach.

6.2.2 **Termination for Convenience.** Either Party may terminate this Appendix, without prejudice to any other right or remedy, for any reason upon sixty (60) days notice in writing to the other Party.

6.3 **Survival.** Upon expiration or termination, all rights and obligations of the Parties under this Appendix will terminate immediately except, Section 3.2, 3.4, 4.2, Section 3 of Exhibit A, and Exhibit C will survive such termination or expiration. Termination of this Agreement shall not affect any agreements between Red Hat and any Students.

6.4 **Mandatory Disclosure.** For the avoidance of doubt, Partner may disclose the existence of this agreement and relevant terms, if it is required to do so by applicable law or regulation, before disclosing the information, to the extent reasonably practical, Partner shall first notify Red Hat of the disclosure requirement (if it can provide notice without breaching any legal or regulatory requirement).

6.5 **Public Officials.** The Parties acknowledge that, if Partner is a public university or public education institution, notwithstanding the warranty to the contrary in Section 14.3.2 of the Red Hat Partner Terms and Conditions, Partner Officials may be government or public officials.

EXHIBIT A
RED HAT ACADEMY SUBSCRIPTION

redhat

1. Red Hat Academy Subscription. Red Hat Academy Subscriptions contain the following:

(a) Authorization and access to, and use of, the Curriculum in accordance with the terms set forth herein. The Program Fee includes Curriculum and Fees for the initial two hundred (200) Students. Additional Student Curriculum access may be purchased on a per Student basis;

(b) Exams and exam delivery are not included in the Red Hat Academy Subscription and may be purchased separately; and
(c) A list of standard Course offerings in the Red Hat Academy Program is available from Red Hat or a Red Hat Academy Reseller.

2. Partner Requirements.

(a) Partner is solely responsible for providing pre-requisite skills, assessing Student's suitability for use of the Course(s) and Curriculum, appropriate use of any internet access, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student information.

(b) Partner must notify Red Hat of the number of Students in each Course within one business day after the Course begins.

(c) Partner will provide Students with access to Student software labs. Access to such labs may be purchased through a Red Hat Lab Partner, through a third party cloud hosting provider authorized to provide such software lab access, or may be provided by the Partner through its own resources.

(d) Partner shall maintain at least one (1) Red Hat Certified Professional during the Appendix Term. Partner will notify Red Hat upon appointment or replacement of Red Hat Certified Professionals.

3. Red Hat Academy Subscription Fees. Partner shall pay the Program Fee, if applicable, annually, before the beginning of the Initial Term and each Renewal Term. Courses and additional services can be ordered by Partner from a Red Hat Academy Reseller. All Red Hat Services purchased during the Appendix Term must be used within each one (1) year Term in which it was purchased or such Red Hat Services shall be forfeited.

AWS Academy

Dear Alpana,

Your AWS Academy Accredited Instructor Candidate nomination has been accepted. You should receive a separate email with instructions on how to sign into the AWS Academy Portal to read and acknowledge the AWS Academy Program Guide and review the AWS Academy Instructor accreditation process.

An AWS Academy Technical Program Manager will contact you soon to answer any questions you may have.

Good luck on your journey. We are excited to have you as part of the AWS Academy program!

Sincerely,
The AWS Academy Team

Hello Dr. Raghuveer,

Pleased to share that your request to grant AWS Academy membership is approved. You will soon receive an email with a link.

The link will take you to online Terms and conditions.

Once you acknowledge the T&C, you will further receive an email with User Id , it will prompt you to nominate the educator details. You kindly fill details of Veena and select – Academy Cloud Foundation from the drop down menu.

That submission will help Veena receive access to online course content.

Let's connect again to discuss the next roadmap.

Wishing you and your team a Very Happy New Year!

Regards

Amit Rawal PMP®

Coursera's Coronavirus Response Initiative

(Available to all higher education institutions globally at no charge till 31 July 2020)

Dear Sir/Madam,

To help and to minimize the impact of the coronavirus outbreak on students, the Coursera community has launched a global effort to assist universities and colleges to deliver courseware online. Accordingly, Coursera for Campus: **Coursera's Coronavirus Response Initiative** is available to all higher education institutions globally at no charge till 31 July 2020. In the last four weeks, this helped over 800 higher education institutions in India, for free programme, to support their mission of continuous and high quality learning and also to reach many more institutions so that others can benefit from this initiative.

Information on how to sign-up for the programme is mentioned below.

To activate access to Coursera for Campus, institutions or faculty members can sign-up directly at https://www.coursera.org/coronavirus

Programming World

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE

&

PROGRAMMING WORLD

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 5th day of - January - Two Thousand Twenty One **(05-01-21)**,

BETWEEN

Indore Institute of Science and Technology, Indore Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh, the First Party represented herein by its **Principal IIST Indore** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Programming World, 182, Greater Vaishali Nagar, Indore, Madhya Pradesh 452009, and represented herein by its **Director, Pankaj Wadhwani**, (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

   i) **Indore Institute of Science and Technology, Indore**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their

Principal
Indore Institute of Science and Technology, Indore

resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Internship, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

E) **Programming World** – the Second Party is engaged in Industrial Training, Student Internship, Software Development, Skill Development, Education and R&D Services in the fields of -***Software development and Information Technology.***

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and

documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The

Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of – **Artificial Intelligence, Machine Learning, Cloud Computing, Data Mining, and IoT.**

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.10 There is no financial commitment on the part of the **Indore Institute of Science and Technology, Indore** the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be deal separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-

how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Programming World**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Programming World**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Hello,

Welcome to edX Online Campus Essentials! We're happy to have you on board and we look forward to working with you. Please find herein your Digital Welcome Packet including instructions for getting started with subscriptions.

We'd like to start by offering you access to our Administrator Dashboard, where you will be able to begin assigning subscription licenses to your learners and access your regularly updated learner progress data report.

- Please **click here** to create your edX account and configure your admin account.
- Then you may log into the dashboard at **portal.edx.org** to get started.
- Find a short video on how to navigate the Dashboard here.

Also, please find both a quick start as well as a detailed guide for assigning subscription licenses to your learners and helping them access their courses. This new tool simplifies the most common license management activities such as Assigning license to learners (and sending an automated email), Reminding learners to activate their license and Tracking activations. We are also including materials you can share with learners via your internal LMS or other platforms.

CISCO Networking Academy

Cisco Academy Membership Agreement

Welcome to the Cisco Networking Academy. This agreement governs your Academy's participation in the Cisco Networking Academy.

The Networking Academy Membership Guide for Cisco Academies ("NAMGCA") describes the benefits, roles and responsibilities of Cisco Systems, Inc. or its subsidiary responsible for distribution in the country in which you are located ("Cisco") and your Academy. The NAMGCA forms part of this agreement, and will be made available to your Academy by Cisco. Your Academy should review the NAMGCA carefully before agreeing to participate in the Cisco Networking Academy. By accepting this agreement your Academy agrees to comply with the NAMGCA. As the Cisco Networking Academy evolves, changes to the NAMGCA may be appropriate. Cisco will exercise reasonable efforts to provide advance notice to your Academy of any major changes to the NAMGCA.

Cisco provides all resources, course materials, services, websites or other deliverables "as is", without warranty of any kind (as far as Cisco is permitted to do so by law). Further details are set out in the NAMGCA.

The following provisions (a)-(c) govern your treatment of personal information of Academy and Cisco Networking Academy participants (i.e. employees, students, instructors, administrators, or any other of your Cisco Networking Academy participants) ("Cisco Networking Academy Participants") provided to or otherwise obtained by Cisco from your Academy in connection with the Cisco Networking Academy:

(a) By entering into this agreement, your Academy will ensure that Cisco Networking Academy Participants have given their unambiguous consent, to the processing of their personal information by Cisco: (i) from within and outside of the European Economic Area and those countries deemed to have adequate data protection laws in connection with processing the personal information; and (ii) in accordance with Cisco Networking Academy Privacy Policy, as amended from time to time and located here.

(b) Your Academy agrees to comply with: (i) applicable data protection laws and regulations, including your Academy's obligations as data controller under those laws and regulations; and (ii) Cisco's Networking Academy Privacy Policy located here.

(c) To the maximum extent permitted by law, your Academy shall defend, indemnify and hold harmless Cisco and its officers, directors, employees, shareholders, customers, agents, successors and assigns from and against any and all loss, damages, liabilities, settlement, costs or expense (including legal expenses and the expenses of other professionals) as incurred, resulting from or arising out of your Academy's breach of applicable laws relating to the treatment of personal information including any claim for the unauthorized solicitation, collection, storage, forwarding, or use of personal information. As a condition to such defense and indemnification, Cisco will provide your Academy with prompt written notice of the claim and permit your Academy to control the defense, settlement, adjustment or compromise of any such claim. Cisco may employ counsel at its own expense to assist it with respect to any such claim; provided, however, that if such counsel is necessary because of a conflict of interest of either your Academy or your Academy's counsel or because your Academy does not assume control, your Academy will bear the expense of such counsel. Cisco shall have no authority to settle any claim on behalf of your Academy.

Your term of membership in the Cisco Networking Academy is three years (36 months), commencing on the date when Cisco executes this agreement. The term shall be automatically renewed for additional twelve (12) month terms unless (i) sixty (60) days prior to the end of the then-current term one party gives written notice to the other party of its election not to renew this agreement. Notwithstanding the foregoing, either Cisco or your Academy may terminate this agreement without any liability to the other party for any reason or for no reason by providing at least thirty (30) days' written notice to the other. Either party may refuse to extend or renew the three year- term for any reason or no reason.

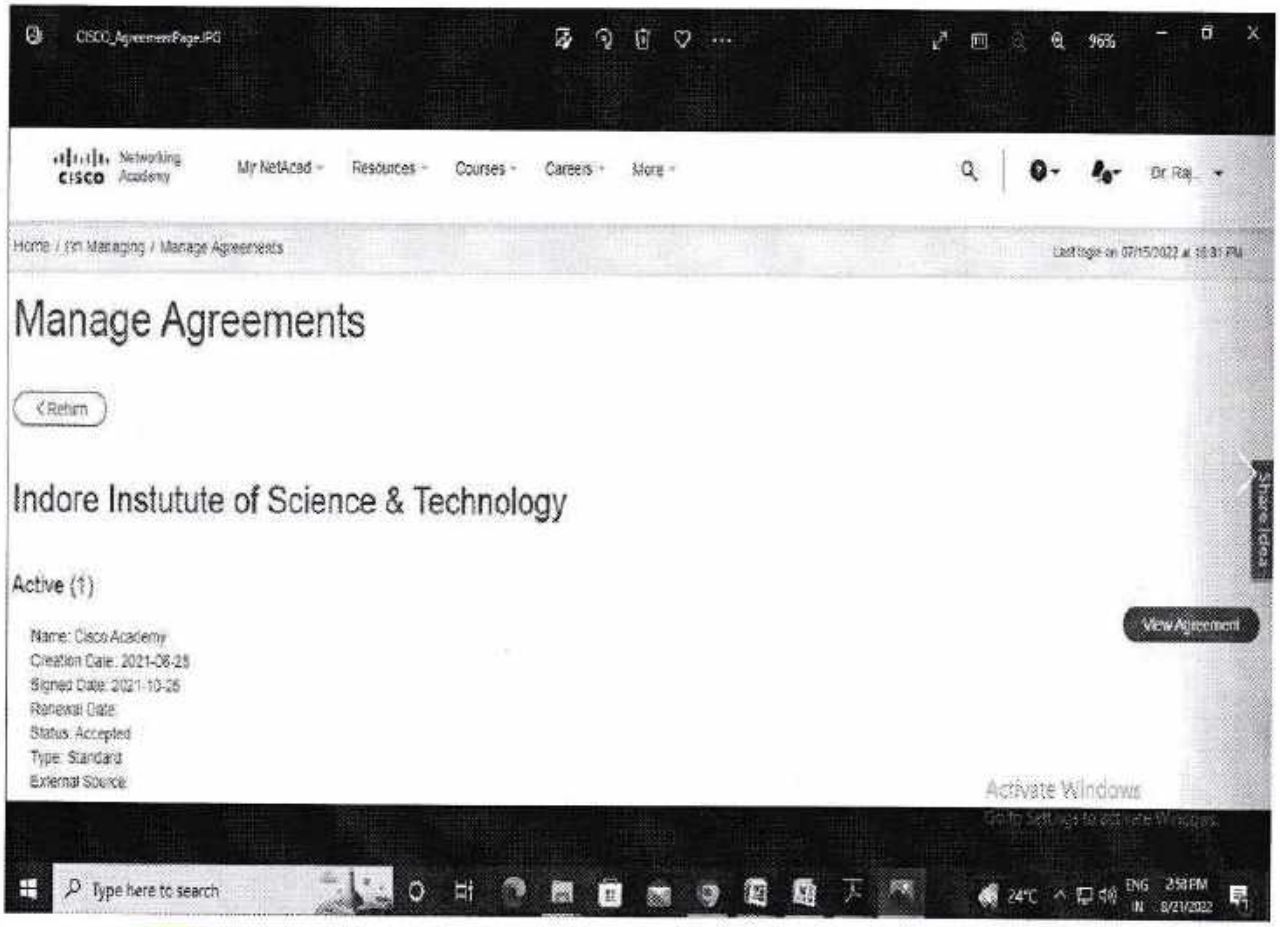

By clicking "Accept", you represent that you are authorized to enter into this agreement (including the NAMGCA) on behalf of your Academy.

On behalf of the Cisco Networking Academy global community, Welcome! By signing this agreement your Academy is taking an important step in bringing new opportunities and knowledge to your students, the future architects of the networked economy!

ORC Electronics India Pvt Ltd

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

Indore Institute of Science & Technology, Indore

&

ORC Electronics India Pvt. Ltd.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 19th day of – May – Two Thousand Twenty Three (19th May, 2023).

BETWEEN

Indore Institute of Science & Technology, the First Party represented herein by its **Mr.Ankit Jain HoD - ECE** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

ORC Electronics India Pvt. Ltd., the Second Party, and represented herein by its Zonal / Divisional Head, **Mr.Abhinav Singh Chouhan Director**, (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

ω **Indore Institute of Science & Technology,Indore**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;.

E) **– ORC Electronics India Pvt. Ltd.–** , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of – ***Drone Development and Industrial applications*** - - and related fields

F) **– ORC Electronics India Pvt. Ltd –** ,the Second Party is promoted by **Mr. Abhinav singh chouhan** From Jabalpur;

G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs,as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - - **Drone Industries and Industrial services** - -.

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.10 There is no financial commitment on the part of the **Indore Institute of Science & Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY & INDUSTRIAL RELATIONS

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period – **ORC Electronics India Pvt. Ltd.** the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or – **ORC Electronics India Pvt. Ltd.** the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

4.3 Both parties are mutually agreed to setup and establish Drone lab in First party premise.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Dear Sirs

You will be happy to know that IIT Delhi has designated Indore Institute of Science and Technology as the nodal center for their Virtual Labs.

Broad areas which will be covered under the ambit of Virtual Labs are:

a. Electronics and Communication Engineering
b. Computer Science and Engineering
c. Electrical Engineering
d. Mechanical Engineering
e. Civil Engineering
f. Chemical Engineering
g. Bio Medical Engineering
h. Physical Science
i. Chemical Science

Shortly a team of faculty from IIT Delhi will be visiting us to brief and train our faculty and students on the Virtual Labs. Nodal coordinator (Dr. Joy Banerjee) along

with two faculty member will also be given training at IIT Delhi on operation of Virtual Labs. Subsequently our nodal center will become operative and will organize workshops for students and faculty members of nearby institutions for their undergraduate, post graduate and research programmes. Virtual Labs will enable the students at their own pace, provide a complete management system and enable them to perform experiments remotely as an on – demand service over the web.

There is not financial liability for using Virtual Lab and it is free to use.

Thanks

Chattopadhyay

Dear Mr. Deepak Vishwakarma,

Greetings from the Developer Student Clubs (DSC) Program Team!

This year, we witnessed unprecedented response and excitement for the DSC program – with over 500 applications from some of the brightest minds in the country vying for the position of Developer Student Club Lead. The competition was very tough – but, the students from your institution stood out impressively during the application and the interview process. We are therefore extremely excited to let you know that we have selected Ms. Prachi Gupta as the Lead for the Developer Student Club on your campus.

We would like to take this opportunity to seek your support in helping the lead plan and drive the Student Club focused on technical skills development initiatives within your campus – so that the student community can leverage the benefits of your association with this program.

To know more about the DSC Program, please visit: http://developers.google.com/programs/dsc/

WHAT DOES A DSC LEAD DO?

- SET UP A CLUB
  - Identify and a select a core team.
- LEAD WORKSHOPS
  - This is any training activity: Study jam, Hackathons or Codelabs; speaker session where content on developer technologies is covered.
- BUILD PROJECTS
  - This is a tested prototype of a tech based solution that is built to solve a problem faced in the community by a local organization or business.
- HOST SHOWCASES
  - This is an event where Leads share the projects the club has worked on (one or many). This can be at the university, in your city, or in partnership with other Google communities like GDG, GBG or even at DevFests!

Please feel free to contact us at: dsclndia@googlegroups.com if you have any questions regarding the DSC program.

Thank you yet again for your support, and looking forward to a deeper and meaningful ongoing partnership!

Sincerely,

Komal Sandhu

Dear Team CodeChef IIST Chapter,

Hope you're in good health!

I am Hemshree Madaan, your Community Manager, and we will be going forward together from here, holding hands and making your journey as a CodeChef College Chapter, even better! We'll be catching up more in the coming days as I'll be your go-to person for anything-CodeChef! :D

Now before we proceed, let me give you a quick update on what next. From here on, all the chapters are divided into 3 different zones to receive dedicated support from the CodeChef team. Your team is going to be a part of the **Zone 3** where I will be your CM and here are a few things to do to get yourself added to the zonal communication channel:

- Go to this link and react to the message with the **number 3**. You will be automatically added to our zonal channel. (P.S.: Avoid joining other random zones :D)
- If you haven't done already, please change your nickname for the server in the format: **"[Your First Name] | [Your College Short Form]"**
  - **for e.g.:** Hamshree | IIITD
    For more information on how to change your nickname, check the Discord blog here.

Let me know if you have any questions or queries and I will be happy to address them.

Until then,

Deepak Vishwakarma <deepak.vishwakarma@indoreinstitute.com>

Dear team CodeChef IIST Chapter,

Congratulations!

It gives us great pleasure to inform you that your team has been selected to start a CodeChef College Chapter at Indore Institute Of Science And Technology!

We're inspired by your drive, achievements, and leadership skills that made us feel confident to consider you a great fit to take up this responsibility. We are certain that your focus and enthusiasm will help us further our vision of improving the Competitive Programming scenario in colleges. Together, we can create a strong culture of peer learning on your campus.

To give you a warm welcome, we have an induction session planned for you on the coming **Sunday** ie. **1st November 2020**. It is **mandatory** for your entire team *(optional for the faculty advisor)* to be present for the session. The agenda and further details about the same are as below:

- Timings:**11:00 AM - 12:30 PM**
- #N/A
- Link to join the Communication channel: https://discord.gg/SfjSpJH
  - Note: When you login to Discord, keep your name as "Your Name | College Short Name". For Eg: Smruti | XYZ

We request you to confirm your presence for the session by accepting the calendar invite that you should have received along with this email before **31st October 2020 5:00 PM.**

Your Institute INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY is now is now a part of the NDLI Club

Dear Mr. Sachin,

The request of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY to set up NDLI Club at the institute has been approved. All interested students, faculty members and employees of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY can now enroll themselves as members of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY NDLI Club, using the passkey given below:

Passkey: – fb567697-7c9f-48e8-a33f-fc36e6a8fa61

Club Registration Number : INMPNCGPDF8O93C

You are requested to share the Passkey with all your students, faculty members and employees via e-mail and advise them to visit https://club.ndl.iitkgp.ac.in/Sign-up to enroll themselves as member of the NDLI Club using their e-mail id and the Passkey. You may also take a printout of the enclosed document and paste it on the notice boards of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY so that the students, faculty members and employees can view the details about the NDLI Club and enroll themselves as members of the Club by scanning the QR Code indicated in the page.

You will be able to download a Certificate of Registration for NDLI Club of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY from the NDLI Club portal club.ndl once you conduct 1st event of your NDLI Club (which may be NDLI User Awareness Session) within the next 30 days and that is attended by at least 100 members of the NDLI Club of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY.

This NDLI Club Certificate of Registration is valid for 12 Month and will be renewed every 12 Month, subject to the NDLI Club of INDORE INSTITUTE OF SCIENCE AND TECHNOLOGY conducting at least 6 reading/knowledge related Events and 4 Global Events conducted by others online within the next 12 months and at least 100 members of your Club attending.

The best performing NDLI Clubs at District/ State/ National level will be recognized appropriately.

We look forward to your continued support.

GitHub Education

Hello DEEPAK,

We're happy to inform you that your licenses have been provisioned!

1. Using GitHub Enterprise Cloud? Your license was applied to the Organization URL you provided.
2. Using GitHub Enterprise Server? You can find instructions for downloading your license in our help docs.

A quick reminder on the terms of the program:

- **Department Admins** - Please have every administrator at your school complete the Administrator Contact Form.
- **Designated Administrators and Support** - Limited support is only available to your designated administrators - `your cod users may not contact GitHub Support.` Designated admins may submit an inquiry through our form if you have any questions about your account.

- **Distribution of GitHub Products** - All departments must be informed of the available products and any department interested must be provided access.
- **Qualified User Communications** - Channels of communication must be provided in order for the qualified users to receive information about GitHub products from the Designated Admin.
- **Logo usage** - We have the right to use your logo.

Take advantage of the benefits available to GitHub Campus Program partner schools:

- Check out the GitHub Education Community page! There, you can ask questions, share resources, tell your story, collaborate, and help others.
- Order GitHub Campus Program swag for your school. Please note that only you or your Admins can place swag requests.
- Take advantage of free developer tools from GitHub partners, by completing the partnership offers form.
- Enterprise owners can create *NEW* Cloud Organizations that will be automatically added to your Enterprise account. You can find instructions in our help documentation. If you need to add *existing* organizations to your account, please submit a request.

We'll check in periodically to ensure we're meeting your needs. You can contact us if you have any questions!

Have an Octotastic day!

- The GitHub Education Team

Please do not reply to this email. If you would like to contact the GitHub Campus Program you can reach us here

GitHub

GitHub, Inc. 88 Colin P Kelly Jr Street, San Francisco, CA 94107

You have received this email because your academic status has been verified by GitHub Education.

Geeks for Geeks

Deepak Vishwakarma <deepak.vishwakarma@indoreinstitute.com>

Regarding the establishment of a GeeksforGeeks student chapter in our College

7 messages

Anurag Mishra <anurag.mishracs2019@indoreinstitute.com> Mon, May 24, 2021 at 8:05 PM
To: "Dr. Rajkumar Jain" <rajkumar.jain@indoreinstitute.com>, Deepak Vishwakarma <deepak.vishwakarma@indoreinstitute.com>

Respected H.O.D Sir & Deepak Sir,

I am Anurag Mishra, a Computer Science 2023 batch student at Indore Institute of Science and Technology, Indore. Sir, *I want to establish a GeeksforGeeks student chapter with the vision of uplifting the spirit of coding and development in our campus.* It will not only help 1st year & 2nd-year students for enhancing programming skills but will also help final and pre-final year students in campus selection and interview preparation.
I have applied for the same and as per official procedure, I require your permission to open the campus chapter.

Here are the answers to the questions you might get before giving permission:-

1) What is a GeeksforGeeks Student Chapter?
-> GeeksforGeeks student Chapters are university-based community chapters for students interested in Computer Science and who want to make their career in this field. By joining a GeeksforGeeks student Chapters, students grow their knowledge in a peer-to-peer learning environment and build effective and optimized solutions for local businesses and their community.

2) How will GeeksforGeeks student Chapters help students?
- GeeksforGeeks student Chapters will provide students with various events and webinars on coding or placements.
- Students may get internship opportunities at GeeksforGeeks.
- Along with all this, students can get exclusive discounts on GFG courses
- We will get an opportunity to organize your competition on a PAN India level.
- It will help students to grow a network among 145+ colleges.

3) How is it beneficial for my college?
If we have a GeeksforGeeks student Chapters on our campus, your campus will be in direct contact with Geeksforgeeks hence in the future, the college may get offers from GFG or other companies for placement drives and other available opportunities.

4) Is this a kind of promotional marketing scheme?
No, It aims at building a community in every college that can produce the best techno-crates and industry-ready professionals.

6) How will GFG support us?
- You will get expert mentors for webinars/workshop sessions through GFG.
- You will get your events sponsored by GFG.
- You can interact and seek help from experts at GFG.

7) There are many other clubs as well in my college. Why should I make a new one?
- There might be other clubs but this one will be backed by GFG, which separates it from the rest, as GeeksforGeeks is famous for placement preparation and will definitely extend the support to all the students associated with the student chapter.
- Students from CS / IT know about geeks for geeks from a very early stage.

8) Role of the Faculty Coordinator?
- The faculty advisor will be the link between the GeeksforGeeks student Chapters and the College Management
- They will be one whom the GeeksforGeeks student Chapters will report its progress.

Along with the above-mentioned points, there are a lot of benefits of opening a GFG chapter on campus as GFG is a brand on its own and also they frequently provide goodies in events and contests for the motivation and encouragement of students.

7/5/2021 Indore Institute Mail - Regarding the establishment of a GeeksforGeeks student chapter in our College

To know more about GeeksforGeeks, you may refer: https://www.geeksforgeeks.org/

I need your permission for the same Sir.
I also request Mr. Deepak Vishwakarma Sir (deepak.vishwakarma@indoreinstitute.com) to become the Faculty Advisor for the same.

Looking forward to hearing from you soon.
Thank You.

Yours Sincerely,
Anurag Mishra

GeeksforGeeks

We are delighted to inform you that Mr. Anurag Mishra of CSE third year has been appointed as the chapter lead for the year 2021-22.

GeeksforGeeks has established a college chapter at the Indore Institute of Science and Technology in the academic year 2021-22 with the help of his initiative.

We look forward to doing informative & productive work together in the near future, which would help the students to grow & learn.

Indore Institute of Science & Technology, Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh 453331, the First Party represented herein by its **Dr. Keshav Paridar, Principal IIST Indore** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Manish Shah & Associates, E-2403, Sector E, Sudama Nagar, Indore, Madhya Pradesh 452009, the Second Party, and represented herein by its Zonal / Divisional Head, **Manish Shah, Manish Shah & Associates**, (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

   (i) **Name of Institution: INDORE INSTITUE OF SCIENCE & TECHNOLOGY**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

Principal
Indore Institute of Science
and Technology, Indore

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;.

E) **– Manish Shah & Associates –** , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of – Design, production, erection commissioning, maintenance and consultant service under the industry concerned and related fields

F) **– Manish Shah & Associates –** ,the Second Party is promoted by **Er. Manish Shah**; E-2403, Sector E, Sudama Nagar, Indore, Madhya Pradesh 452009;

G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and

Principal

documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into Internships/jobs, as per AICTE internship Policy.

Principal

Enviroessential Pvt. Ltd

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding is entered into on the 7th Day of September, 2021

between

Indore Institute of Science and Technology, Indore formed under the laws of India and having its registered College at Shail Group of Institutions, Opposite IIM, Pithampur Road, Rau, Indore. Madhya Pradesh (0731) 4010555

and

Enviroessential Pvt. Ltd formed under the laws of India and having its registered company Head Office 38/8, Shop No.2, Wing-A, Ramnagari, Behind D-Mart, Ambegaon Bk, Pune - 411 046. (MH) India and branch office at 31, Brijeshwari Main, Behind Arpit Hospital, Bengali - Pipliyahana Service Road , Indore (MP) India.

Indore Institute of Science & Technology (IIST) is amongst the Top 10 Engineering Colleges of Madhya Pradesh (MP) and amongst the best engineering colleges of India, located in a plush 50 acre campus opposite IIM Indore. Set up in 2003 under the Shail Education and Welfare Society, IIST has quickly ascended to this position by ensuring a high focus on quality education and effective as well as holistic development that further translates into high placements.

With the vision of providing the best technical education, IIST started with a humble number of disciplines but soon expanded to include a wide range of courses in Mechanical, Electronics & Communication, Computer Science, Information Technology, Computer Engineering, Civil and Chemical Engineering. It also runs post graduate courses in Mechanical, CS and EC. The institute also offers Masters Degree in Business Administration to meet the growing requirements of management professionals.

Enviro Essentials established in 2015 at Pune, deals with environmental engineering and services in Water & Wastewater Treatment solutions to our esteemed customers in Indian market.

We are a company totally committed to achieve the best Quality and Innovation. This has granted us widespread recognition and has been our guiding motto ever since our inception. We have a team of young engineers and technocrats who enter the industry at the level best and committed to meet all the requirements of a customer along with on time delivery schedule.

At Enviro Essentials, we work as a Team, to understand our customer's requirement and meet their expectations. In a volatile market place, we are constantly upgrading our skills and provide high quality solutions to cater our customer's inherent needs.

Principal
Indore Institute of Science
and Technology, Indore

For Enviro Essentials

Proprietor

We are supported by world class international companies in Aeration, Filtration, and Separation, Online robotic cleaning system. We have Tie-up with Environmental Dynamics Inc., USA and Sureflo Techon Pvt. Ltd. for their products range and Services. We do provide extended range of sewage treatment plant, effluent treatment plant & water treatment plant. In addition we also engage in offering operation & maintenance services along with the consents and environmental clearances from the concerned Government Authorities.

Moreover, we have appointed a defi team of professionals to carry out our trade activities. These experts are update with the handling and operating knowledge of advanced machines, which helps us in providing remarkable products and services to the patrons.

Having a young team, we have advantage of implementing new & creative ideas. We always focus on betterment of our products and services.

Wherras, **Indore Institute of Science and Technology** and **Enviroessential Pvt. Ltd.** are desirous of exploring opportunities for collaborating with each other on the terms set out in this MoU.

Enviroessential Pvt. Ltd. will be providing Free Training/ Workshop on "Industrial application of chemical engineering in the environmental field" at the Indore Institute of Science and Technology College once in Semester. After the successful completion of the training, selected students will get chance to work with Enviroessential Pvt. Ltd. as Interns on Live Projects and get real Industry exposure.

Indore Institute of Science and Technology will be providing technical assistance to Enviroessential Pvt. Ltd. such as providing access for LAB related work experiment whenever it is required.

Enviroessential Pvt. Ltd. will provide industrial samples to IIST for water analysis and IIST may charge for sample analysis and testing.

Indore Institute of Science and Technology will also provide technical assistance related to chemical projects if required.

Enviroessential Pvt. Ltd. will provide placement assistance to students upon successful completion of the training program.

Until the execution of such formal agreement, **Indore Institute of Science and Technology** and **Enviroessential Pvt. Ltd.** will collaborate on mutually agreed terms mentioned in this MoU.

This MoU shall terminate on execution of formal agreement between both parties or on mutual agreement to exit this MoU or after a period of one calendar year from the date of the MoU.

Curtin University Malaysia

Memorandum of Understanding

Between

Curtin University Malaysia

And

Indore Institute of Science and Technology Indore India

THIS MEMORANDUM OF UNDERSTANDING (hereinafter called 'MOU') dated 1 October 2021 is made on the Academic Exchange between:

Curtin University Malaysia incorporated as a University pursuant to the Universities and University Colleges Act of 1971, located at Lot 2160, Kuala Baram Land District, Lutong, CDT 250, 98009 Miri, owned and managed by Curtin (Malaysia) Sendirian Berhad (Company No. 464213-M), a company incorporated and registered under the Companies Act, 1965 in Malaysia with its registered address at Lot 986, 1st Floor, Jalan Bandahara, 98000 Miri, Sarawak Miri, Sarawak, Malaysia (hereinafter referred to as 'CURTIN' or 'Party' or 'University', collectively referred to herein as the 'Parties' or 'Universities'); and

Indore Institute of Science and Technology is a premier institution in the central India established in 2003 located at Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh 453331 (hereinafter referred to as 'IIST Indore' or 'Party', collectively referred to herein as the 'Parties').

WHEREAS:

1. The Parties recognise the value of international cooperation and have agreed to continue their common interest in promoting the mutual cooperation in the area of education and research;

THUS:

2. The Parties agree to implement the MOU under the terms and conditions hereinafter set forth, and
3. The Parties agree that while the educational cooperation proposed in this document is concentrating on the institutional level, in the future it may be extended to other content of specific disciplines by mutual agreement.

The terms and conditions of the MOU are as follows:

General Provisions:

1. Both parties will make every reasonable effort to encourage educational and research cooperation to the extent that they are able under the provisions of this agreement and endeavor to cooperate in areas of mutual interest. Within domains that are mutually agreed to, both institutions agree on the following general forms of cooperation:

1.1. Joint education and research activities
1.2. Exchange of faculty members for research, and discussion
1.3. Exchange of students for study and research
1.4. Exchange of academic materials and academic publications
1.5. Organization of joint academic and scientific conferences

Principles:

1. The aim of both institutions is to develop and offer higher education of the highest quality that effectively addresses human resources needs in society, by applying innovative student-centered outcome-based learning methodologies. Parties intend to share knowledge, experiences and educational research results and to support each other in further educational development.

2. Both the parties intend to collaborate in research activities following the research ethics policy and procedure of both the universities.

3. Visits by academic staff members will be encouraged for the mutual benefit of both parties. Suitable arrangements will be made for the exchange of visiting scholars for collaboration in teaching and in research.

4. A student programme may include student exchanges, joint supervision of postgraduate students, and the provision of library access and academic assistance for doctoral research

students. Such activities shall be negotiated and agreed to by the parties on a case-by-case basis.

5. The two parties will seek opportunities to cooperate in research. The details of specific proposals will be determined by the mutual agreement of relevant faculties of both parties. The form of cooperation may vary with the goal of each project.

6. To facilitate academic and cultural interchange, the exchange of research materials, publications and information will be encouraged. Each university will invite the other, when appropriate, to participate in conferences, symposia and short visits. Joint educational programs and joint curriculum development are encouraged as well.

7. Any proposals for any form of cooperative work under this MOU between the Parties shall be detailed under separate agreements to be signed by both Parties.

8. Any expenses or operational budget arising as a result of this MOU shall be addressed on case-by-case basis under a separate agreement and shall be based on the responsibilities of each Parties involved in the cooperative work.

9. The protection of intellectual property rights shall be enforced in conformity with the IP policy and procedures of both the universities, and the respective national laws, rules and regulations of the Parties and with other international agreements signed by both parties.

10. Notwithstanding anything in paragraph No. 8 above, the intellectual property rights in respect of any technological development, and any products and services development, carried out

    (i) jointly by the Parties or research results obtained through the joint activity effort of the Parties, shall be jointly owned by the Parties in accordance with the terms to be mutually agreed upon; and

    (ii) solely and separately by the Party or the research results obtained through the sole and separate effort of the Party shall be solely owned by the party concerned

11. The use of name, logo and/or official emblem of any of the Parties on any publication, document and/or paper is prohibited without the prior written approval of either Party.

12. Each Party shall undertake to observe the confidentiality and secrecy of documents, information and other data received from or supplied to, the other Party during the period of the implementation of this MOU or any other agreements made pursuant to this MOU.

13. For purpose of paragraph No. 11 above, such documents, information and data include any documents, information and data which is disclosed by a Party (the Disclosing Party) to the other Party (the Receiving Party) prior to, or after, the execution of this MOU, involving technical, business, marketing, policy, know-how, planning, project management and other documents, information data and/or solutions in any form, including but not limited to any document, information or data which designated in writing to be confidential or by its nature intended to be for the knowledge of the Receiving Party or if orally given, is given in the circumstances of confidence.

14. Both Parties agree that the provisions of these paragraphs No. 11 and 12 shall continue to be binding between the Parties notwithstanding the termination of this MOU.

15. This MOU shall remain in force for a period of 5 years from the date of the last signature. The MOU may be extended by mutual consent of both parties; and may be terminated by either party by written notice at least six months in advance. Termination of the MOU will not affect participants from completing their activities at the host institution.

16. Any amendments to this MOU can only be made in writing and after consultation and mutual consent of the two parties. Such amendments, once approved by both institutions, will become part of this MOU and are incorporated by reference.

17. Any differences of opinion and interpretations of this MOU shall be settled by mutual consultation or negotiation between CURTIN and IIST Indore.

18. Every university participated in this agreement should mention the other partner university website (hyperlink) on their own official website.

19. Each party will assign a key contact person to be responsible for the execution of this memorandum of understanding.

Key contact person for **CURTIN**:
Assoc. Prof. Dr. Lenin Gopal
Head of Department, Electrical & Computer Engineering
Email: lenin@curtin.edu.my

Key contact person for **IIST Indore**:
Assoc. Prof. Dr. Sathish Kumar Panchala
Head of Department: IT & AIML
Email: sathish.panchala@indoreinstitute.com

Authorized representatives of CURTIN and IIST Indore shall sign two original Memorandum of Understanding documents. Each university shall hold one original signed MOU, with both documents being equally authentic.

IN WITNESS WHEREOF, the parties hereto have caused this MoU to be executed by their duly authorized representatives with the intent that it is effective as of the date signed by the Parties.

i) Heartfulness Education Trust ("**HET**") is a Public Charitable Trust registered under the Indian Trust Act, 1882 *inter alia* with an objective to impart an Heartfulness approach to various wellness programmes including relaxation, meditation, values based educational programmes for schools, colleges, government organizations, corporates etc., made available to all who are willingly interested in individual development and wellbeing. HET is also engaged in conducting various Teachers' training programmes in collaboration with Certain State Governments/ Education Institutions.

ii) **IIST INDORE**, located at INDORE DISTRICT- 453331 of MADHYA PRADESH State is one of the leading groups of educational institutions in MP and NCR region. The Institute established in the year (2003), offers variety of courses in Engineering, both at UG and PG levels. The Institute is approved by AICTE (New Delhi) and affiliated to RGPV Bhopal .IIST INDORE believes that the core purpose of education should be the holistic development of student and to unearth the priceless treasure lying dormant in them by providing fair opportunities, space & environment to blossom the seed to its fullest potential. Education can be said conclusive if we attain twin objectives i.e prepare the students to take care of his inner self as well as how to meet out the expectation of outer world. With this view, IIST Indore has initiated समग्र समउत्कर्ष योजना under which, "**know thyself, to be thyself, willing to evolve**"

with 360 degree Holistic Development approach is implemented. The institute not only combines the formal education with best practices but also prepare the students for better standard of living as well as better standard of life by applying academic, interpersonal and academia- industry efforts to enhance IQ, EQ, SQ as well as HQ (Happiness quotient) by taking care of his inner self i.e. body, mind and soul.

iii) **HET** through its 'Heartfulness' initiatives offers a way for balanced living through various meditation techniques. These simple and effective techniques gradually imbibes feelings of discipline, empathy, brotherhood, leading to mental, spiritual and psychological well-being, helping an individual to transform not only inwardly but also his/ her attitudes, and dealings with society at large.

iv) In order to stimulate and facilitate the development of programmes/modules which serve to enhance educational, social, spiritual & emotional development of students through a collaborative approach with **HET** through training and experiential learning **IIST INDORE** has agreed on the terms mentioned herein in support of its interest in the field of education and is desirous of promoting mutual cooperation by organizing and conducting educational workshops for mental, spiritual and psychological well-being of its students, and desires to extend the basis for friendly and cooperative collaboration by way of this MOU.

NOW THEREFORE, THE PARTIES HEREBY AGREE AS UNDER:

PURPOSE AND OBJECTIVES

IIST INDORE desires to create an example for its University by offering the best for its students so as to enable them to lead lives with purpose and help the society at large. **IIST INDORE** has represented that it is a leading institute that offers high quality education and its priority is to provide its students values, inner development so as to perform better in studies & be leaders in nation building. It seeks to provide basic life skills to manage challenges in relationship, avoid intoxicating abuses, digital addiction and dealing with stress of modern life. It aims to enable it's students and staff to de-stress, manage life's challenges in healthy ways and find joy, purpose and fulfilment. This will directly enhance their academic and work performance and create a harmonious environment within the institute.

HET has agreed to be helpful in such mission through its offerings and in addition to the above, conduct a thorough teacher and administrative staff training program in "Heartfulness" approach for their inner development so as to enable them to encourage students in this program.

Both the Parties, by executing this MOU express their commitment to collaborate with each other to conduct Educational, Relaxation, Meditation and other connected Wellness workshops which will help students, teachers in regulation of mind, moderation of tendencies, concentration, sharpening the use of will, self-analysis and acceptance of people and situations. In terms of skills and competencies, it will help the students to have improved learning skills, improved behaviour, humility, emotional maturity, and confidence, stress management, self-awareness and most importantly, develop purpose towards life.

FACILITATORS

Both the Parties shall nominate one or more representatives, who shall be the point of contact/ facilitator for the purposes of this MOU. The facilitators of both the Parties shall maintain regular contact with the other Party as well as propose and review the response received for the workshops and other activities in furtherance of objectives of the purpose and objectives envisioned under this MOU.

RESOURCES

i) **IIST INDORE** shall make arrangements at its agreed venue(s) with required reference reading material, through a heartfulness corner in the library, meditation practice room, audio-visual and other facilities and equipment required for conduct of the programmes.

ii) **HET** shall nominate teachers, trainers and support staff, for conducting, providing training as envisaged in this MOU to participants at these workshops.

iii) **HET** shall provide support to orient their teachers to conduct these **HET** sessions for their students and will provide full external support. **HET** will make students of institutions conducted by **IIST INDORE** understand values and their role in improving the quality of life and enable them to impart spiritual training as an Extension Activity in its institutions and when feasible.

iv) The Parties shall agree to distribute reading materials/ promotional/ literature to the participants, through any means including video recordings. **HET** shall share the content of such reading materials/ literature/ video recordings etc., with **IIST INDORE**, before distributing such materials to the participants.

v) They shall agree to distribute Promotional items like 'T' shirts, memento and other merchandise or articles at the venue of the programme and at **HET's** discretion set-up stalls for distribution of such Promotional items and details of the programme etc.

vi) The detailed Scope of Service to be rendered by **HET** are listed out in Schedule 1 to this MOU which will be adhered to by **HET** during the term of this MOU.

OTHER OBLIGATIONS OF IIST INDORE

IIST INDORE shall extensively promote **HET** programs so that greater populace of students shall benefit out of the initiative. As indicated elsewhere in this MOU, being value-based model of education, **IIST INDORE** can make the initiatives/ programs/ Modules of **HET** as part of curriculum for the students on a mutually agreed basis.

IIST INDORE shall:

i) Take initiatives such that its students shall attend the sessions taken by **HET** with an objective to help them achieve / inculcate the desired value systems to make them global citizens;

ii) Facilitate students integrate the values imbibed into their lesson plans;

iii) Jointly conduct surveys to find the effectiveness of the program carried out at regular intervals.

FINANCIAL UNDERSTANDING

HET shall provide its services in Heartfulness meditation practices on **free of charge** basis at all times as agreed. However, it is agreed that certain expenses relating to the training program, faculty etc. shall be on a chargeable basis as under:

Expenses relating to the program in terms of material (recommended reading, library heartfulness corner, meditation room would be set up as per Heartfulness Education Trust recommendations at the institute to be used by students and faculty as per the course requirements).

For training programs for faculty and students organised at the centres of Heartfulness Education trust an appropriate per diem expense would be undertaken by the institute for boarding and lodging.

Logistic:

Reimbursement of actual travel expenses for HET trainers and special guests who are invited to **IIST INDORE** Campus for conducting sessions/programmes. Actual to & fro airfare & taxi fair from place of residence, food and miscellaneous expenses shall be reimbursed. Stay facilities shall be to the account of **IIST INDORE**. We would provide a guideline.

TERM

This MOU has been executed for the purpose of organizing workshops/ seminars/ training sessions at the premises of **IIST INDORE** or such other premises as may be mutually agreed upon and shall remain in force for a period of **THREE YEAR** , commencing from the date of execution. This MOU shall terminate after completion of the term of three year, without any financial obligations of Parties, except for pending reimbursements and costs as provided herein. Both the Parties may execute similar agreements for similar initiatives in future or even extend the term of this MOU for such further periods. Either party can voluntarily terminate this MOU by giving 3 months' notice in writing to the other.

It is agreed that **IIST INDORE** shall not copy or infringe upon the initiatives or programmes of **HET** in terms of its program offerings, videos, materials in any of their other individual initiatives and all copyrights shall vest with **HET**.

ASSIGNMENT

This MOU is personal to the Parties and the rights and obligations established herein shall not be assignable by the Parties, except to the extent expressly permitted under this MOU or with the prior written consent of the other party.

INDEMNITY

Except for cost reimbursements, the Services offered by **HET** are on a mutual basis and free of cost. Only willing participants for their own wellbeing / self-development are required to participate. **IIST INDORE** may for development of its students make the **HET** Programmes/Modules as part of its curriculum. The Parties therefore, agree that such services do not give rise to any kind of damage or liability to anybody who participates and therefore no damage can arise therefrom. No indemnity is therefore provided herein. It is clearly understood that **HET** programs do not guarantee success of its objectives or initiatives mentioned in the Article above.

GOVERNING LAW, JURISDICTION & ARBITRATION

This MOU shall be construed, interpreted and enforced in accordance with Laws of India. In case of any differences, both the parties, shall make all efforts to settle the disputes amicably through mutual discussion and negotiation, failing which, dispute(s) shall be referred to a sole Arbitrator appointed by both the Parties, as per provisions of Arbitration and Conciliation Act, 1996. Language of Arbitration shall be English and place of Arbitration shall be Vijayawada, Andhra Pradesh. Subject to the Arbitration Clause, the Courts of competent jurisdiction at Vijayawada shall have exclusive jurisdiction in respect of any and all matters pertaining to this MOU.

MISCELLANEOUS

i) This MOU can only be amended in writing by mutual consent of both the Parties. No modification or amendment to this MOU and no waiver of any of the terms or conditions hereof shall be valid or binding unless made in writing and duly executed by or on behalf of both the Parties.

ii) This MOU may be executed in counterparts including but not limited to MOUs, communications exchanged defining responsibilities, obligations of both the Parties for different programs, initiatives etc. under this MOU, each of which shall be deemed to be an original, and all of which, taken together, shall constitute an integral part of this MOU.

iii) If any provision of this MOU shall be invalid, illegal or otherwise unenforceable, the validity, legality and enforceability of the remaining provisions shall in no way be affected or impaired thereby.

iv)The captions of the clauses of this MOU are for convenience of reference only and in no way define, limit or affect the scope or substance of any clause of this MOU.

v) The arrangement contemplated herein being in nature of cooperative strategic alliance for general well being, no monetary consideration is involved.

vi)None of the provisions of this agreement as stated above shall be deemed to constitute a partnership between **HET** and **IIST INDORE** and no party shall have any authority to bind or shall be deemed to be the agent of the other in any way, it is on principle to principle basis.

vii) Neither party shall exercise any rights in the trademarks, copyright or other intellectual property of the other party, except as expressly stipulated herein.

viii) All intellectual property rights (IPR) in "Heartfulness", The "Heartfulness" technique of Relaxation/ its connected procedures, "Heartfulness" Relaxation, Heartfulness Cleaning and other Trademarks of **HET** or of those of its associates used by **HET** under license shall always vest with **HET** or its associates and it reserves the right to use the same internally or externally at its sole discretion. **IIST INDORE** shall not have any rights over the program content/module usage which may be exploited by **IIST INDORE** only with the prior written permission of **HET** and in coordination and assistance of **HET** authorized representatives who are experts in this area. If the version of "Heartfulness" Relaxation/ its connected procedures, "Heartfulness Meditation" is modified or improved, **HET** may implement such changed versions of wellness techniques anytime during the term of this MOU.

IN WITNESS WHEREOF the parties hereto have executed this MOU, in duplicate, by their duly authorized representatives on the date, month and year first written above.

SCHEDULE- 1
Scope of Work

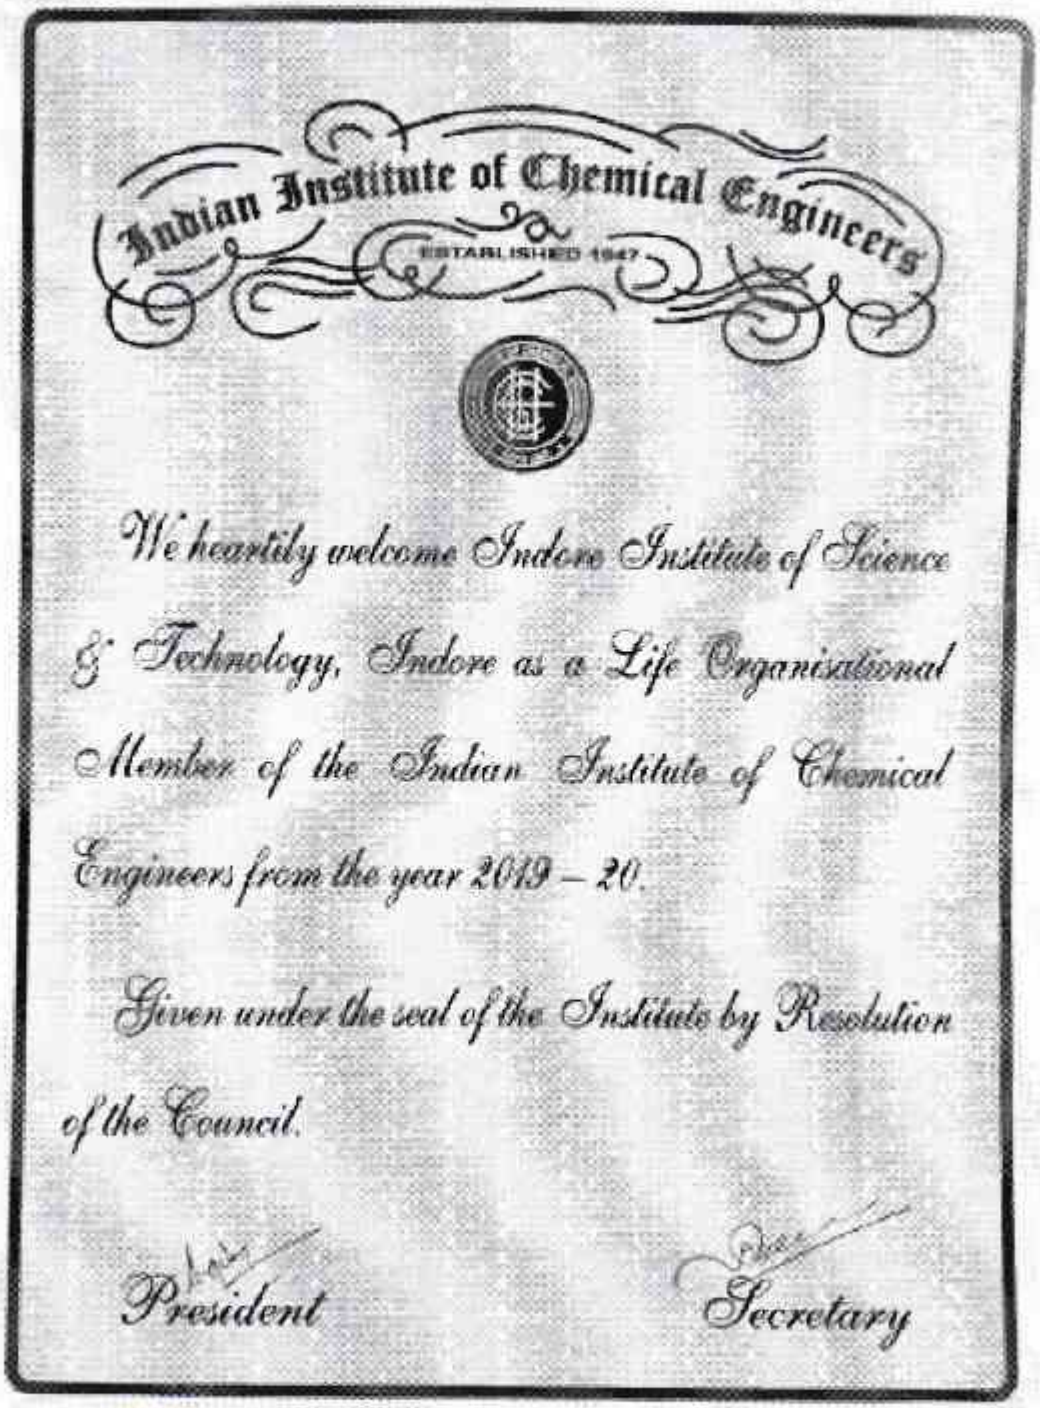

Heartfulness Education Trust (HET) shall offer the following programs specifically developed for specific needs of the University:

1. **Staff Training: HET** shall impart a training program on "Wellness at work" to all Principals, Teachers and Staff of the **IIST INDORE** institutions at its campus. **IIST INDORE** may at its sole discretion make it compulsory for their faculty/staff. Initially, this would be a three-day program to introduce the Heartfulness Meditation Practice and how it can be integrated into best education practices. This wellness program can also be offered at Kanha Shanti Vanam, the world headquarters of Heartfulness located near chegur village, RangaReddy district with a residential programme facility on mutually agreed basis.

2. **In-depth Faculty Training on Heartfulness Curricula:** Following initial introduction, interested faculty would be provided a longer duration in-depth teacher training program to further enhance and develop the Heartfulness tools and Curricula. This program would be developed suitably by Heartfulness Education Trust and made available at Kanha Shanti Vanam / Heartfulness centers or on **IIST INDORE** campus on an ongoing basis on agreed intervals during the term of this MOU.

3. **HELM (Heartfulness Enabled Leadership Mastery) curriculum for students : HET** shall choose a college on **IIST INDORE** campus to begin an in-depth training for students. This would cover a 3 day induction program and a 16-week life-skills course which will be followed by subsequent foundational leadership programs such as Discover, Develop etc which can be included as credit courses. These are core Heartfulness programs conducted by certified Heartfulness trainers which will be experiential sessions of 60-90 minutes for each student group.

Hycube Work Private Limited

MEMORANDUM OF UNDERSTANDING(MOU)

BETWEEN

Indore Institute of Science and Technology

&

HyCube Works Private Limited

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 27 day of – August – 2022.

BETWEEN

Indore Institute of Science and Technology, Pithampur Road, Opposite IIM Rau Indore the First Party represented herein by its **Dr. D.V. Singh** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

HyCube Works Private Limited, 346 First floor 17th main Rd. 14th B Cross Rd. Sector 4, HSR Layout, Bengaluru Karnataka 560102, and represented herein by its Zonal / Divisional Head, **Mr. Reethan D L**, (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

   0) **Indore Institute of Science and Technology**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Startup support and Research.

Indore Institute of Science & Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;.

E) – **HyCube Works**– , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of – ***Startup and ecosystem support focusing area 3D Printing*** – - and related fields

F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Ecosystem, Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Startup and ecosystem development in the area of 3D Printing**

2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned

sector, if available.

2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.9 There is no financial commitment on the part of the **Indore Institute of Science and Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **HyCube works**, the Second Party, as the case may be, will take effective steps for implementation of this MOU.

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as Independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Indore**

eYantra IIT Bombay

eYantra Aims to create the next generation of embedded systems engineers and awareness in nearby communities by conducting training with a practical outlook to help provide practical solutions to some of the real-world problems.

Indore Institute of Science and Technology

Date: 30 January 2019

To,
Principal Investigator
e-Yantra project
IIT Bombay

Subject: Proposing Indore Institute of Science and Technology as Yantra Lab Setup Institute (YLSI)

Dear Sir/Madam,

We understand that the MHRD Project e-Yantra project is facilitating setup of all Robotics labs in engineering colleges with the goal of spreading Embedded systems and Robotics education.

In order to achieve the desired impact, e-Yantra would require active support in the following manner:

1. Conducting a workshop/ demonstration of e-Yantra Robotics Competition
2. Training the faculty members through hands-on experience in a project mode through the e-Yantra Robotics Training Programme
3. Providing support and advice to set up a Robotics Lab in our college such that the teachers can conduct a Robotics lab in their college

We also plan to organize a Robotics Club in our college to promote robotics among the students by conducting the following activities:

1. Open house
2. Robotics Competition

Letter of Appreciation

To,
The Principal,
Indore Institute of Science and Technology, Madhya Pradesh

This letter expresses our sincere appreciation for the involvement of your college *Indore Institute of Science and Technology, Madhya Pradesh* in the e-Yantra Lab Setup Initiative. It has been a pleasure being associated with your college and seeing the impact this initiative has had on your college, teachers and students.

On behalf of e-Yantra, we would like to express our heartfelt appreciation to your institution for your outstanding participation in the e-Yantra Lab activities and submitting a Poster regarding the same for *e-Yantra Symposium 2023*. Your college's teachers as well as student's dedication and hard work have led to your selection as one of the *top 3 best presentations* of your college's e-Yantra Lab activities in *e-Yantra Symposium 2023*.

We believe that your institution's participation in the e-Yantra Lab activities will serve as a benchmark for other colleges and inspire them to participate in this nation building initiative. We hope that your college's teachers and students will continue to display the same level of dedication and passion in future.

Once again, congratulations on your remarkable achievement, and we look forward to continuing to work together to inspire and empower the next generation of innovators.

National Program Technology Enhanced Learning (NPTEL)

MEMORANDUM OF UNDERSTANDING
BETWEEN
ALL INDIA COUNCIL FOR TECHNICAL EDUCATION (AICTE)
AND
National Program Technology Enhanced Learning (NPTEL)

This **Memorandum of Understanding (MoU)** executed on this 3rd day of July, 2018 by and between

All India Council for Technical Education (AICTE), through its Advisor-I (RIFD), has its office at 3rd Floor, Nelson Mandela Marg, Vasant Kunj, New Delhi - 110070, a *Statutory Body* under the Ministry of Human Resource Development, Govt. of India established under the All India Council for Technical Education Act, 1987 (hereinafter referred to as the **"AICTE"**) as the **first part.**

AND

National Program Technology Enhanced Learning (NPTEL) through its Coordinator, NPTEL, CCE, IIT Madras, Chennai has its office at IIT Madras, on the **second part.**

WHEREAS, AICTE and NPTEL are desirous to execute AICTE-NPTEL Faculty Development Programmes for teachers in AICTE's approved technical institutions through NPTEL MOOCs (Massive Open Online Courses) Advanced Courses and these NPTEL courses undertaken and successfully completed by faculty shall now be considered for faculty promotions under CAS/direct recruitment.

AND WHEREAS, both AICTE and NPTEL are mutually desirous to set forth in this MoU certain terms and conditions applicable to both for executing the scheme.

1. **Purpose of Agreement**

This Agreement is entered between AICTE and NPTEL for defining terms & conditions of the NPTEL Advanced level courses, good enough to be Faculty Development Programmes, through MOOCs (Massive Open Online Courses) and role & responsibilities of both the parties.

NOW, THEREFORE, both parties agree to the following terms and conditions: -

i. NPTEL is already conducting Advance and Basic Level courses through MOOCs (Massive Open Online Courses)
ii. A large number of Advance Level Courses are being offered by NPTEL. These are 1 credit, 2 credit and 3 credit courses.
iii. Since MOOCs (Massive Open Online Courses) of NPTEL are not full time like regular FDPs, it is decided that its equivalence to regular FDP shall be considered as under.

Co-ordinator, NPTEL, CCE
IIT Madras, Chennai

Sl. No.	No. of weeks of NPTEL Courses	No. of lectures per week	Total No. of Hrs. of engagement	Equivalence of NPTEL course with regular FDP
1.	4	3	12	½ FDP of one week
2.	8	3	24	Full FDP of one week
3.	12	3	36	1½ FDP

(iv) NPTEL MOOCs (Massive Open Online Courses) will have regular assignments and in person examination at the end. A test will be conducted by NPTEL and a certificate be issued to only those participants who attended the programme and qualify in the test.

2. **Role & responsibilities of NPTEL**

(i) It shall be the responsibility of NPTEL to conduct advance level courses through MOOCs, which are good enough to be FDP.

(ii) NPTEL will do the certification of these courses with AICTE.

(iii) NPTEL will act as facilitator for the operation of the programmes.

(iv) NPTEL through its Academic Affairs Council (this is the seniors of the different IITs that run courses on NPTEL) and its Programme Implementation Committee (Chaired by Director, IIT Madras and all NPTEL coordinators are member) will identify the set of advanced courses that are good enough to be FDP.

(v) The list of courses will be advertised on the NPTEL portal (nptel.ac.in) and a record of courses approved every semester will be maintained on the same portal.

(vi) Online portal will be modified by NPTEL to invite applications for the conduct of advance level courses through MOOCs and the link also be provided at AICTE website.

(vii) Since the NPTEL courses are supported by MHRD, NPTEL will be accountable for finance/grants sanctioned under the scheme and shall abide by terms and conditions stipulated by MHRD for financial grants.

(viii) NPTEL will constitute a Steering Committee for effecting implementation of scheme. AICTE will provide its representative as a member on that Committee.

(ix) After conduct of each programme, NPTEL will provide to AICTE a list of participant faculty from engineering college, along with their contact details, who attended the MOOCs programme in the eligible NPTEL courses and successfully completed the same.

(x) A special joint certificate will be issued by NPTEL to the participants who attended the MOOCs programme in the eligible NPTEL courses and successfully completed the same. The specially designed joint certificate will carry AICTE logo and signatures of Advisor, AICTE and NPTEL Coordinator appended on it.

(xi) NPTEL will ensure that the above said certificate shall be issued only to those participants who qualify examinations.

Coordinator, NPTEL
IIT Madras, Chennai

Indore Institute of Science and Technology IOAC INDORE
Indore Institute of Science & Technology INDORE

3. **Role & responsibilities of AICTE: -**

(i) AICTE shall nominate a representative to attend the meetings of Steering Committee for monitoring the implementation of the terms and conditions laid down in the MoU.

(ii) An appropriate advertisement shall be placed by AICTE and NPTEL and applications will be invited online on NPTEL web portal with the link on AICTE website.

(iii) AICTE shall conduct surprise visit to some centres while the conduct of test is in progress. NPTEL will provide the schedule to AICTE in advance.

4. **Validity of Agreement**

This arrangement shall be effective **up to maximum of five years**, starting from the date of signing of the Agreement and its continuance will be subject to annual review of the scheme and deliverables. The continuance of the scheme is also subject to the AICTE policy, its rules, regulations, by-laws and guidelines formulated for this purpose from time to time.

5. **Amendments & Modifications**

Any revision/modification or change to this agreement may be made by either party only by mutual consent and unless such revision/modification or change is acknowledged and accepted by both parties in writing, such revision/modification or change shall not be valid and binding on the parties to this agreement.

6. **Dispute-Resolution & Jurisdiction**

Any dispute arising out of the work assigned to the NPTEL under the scheme, which cannot be amicably settled between the parties viz., AICTE (on one part) and NPTEL (on the other) shall be referred to the Arbitration Tribunal consisting of three arbitrators, one arbitrator shall be nominated by the first party and one arbitrator shall be nominated by the second party and the third arbitrator to be mutually decided by both the arbitrators under the provisions of Indian Arbitration and Conciliation Act, 1996. The seat of the Tribunal will be at New Delhi and the proceedings shall be conducted in accordance with the provisions of the Arbitration & Conciliation Act, 1996..

This Agreement/MoU shall be enforceable within the jurisdiction of Delhi Courts only.

Indore Institute of Science and Technology IQAC INDORE

Indore Institute of Science & Technology INDORE

7. **Termination**

The AICTE, in its sole discretion by giving prior notice of one month to the other party, may terminate this agreement without assigning any reason. In addition to above, AICTE may also terminate this agreement instantly and without giving notice to the other party, in case of a change of policy pertaining to the implementation of the scheme or in the event of any breach of this agreement by the other party or any irregularity or dissatisfaction noted in the implementation of the scheme.

This MoU/agreement shall come into force from the date both the parties have signed the same.

Both the parties have considered and read the T&C of this agreement and thereafter agreed to sign this MoU on 3rd July 2018.

IN WITNESS Whereof, the parties hereto have caused this agreement to be signed in their respective name as of the day and year first above written.

To,

Directors/ Principals of RGPV Affiliated Institutions

Sub: Registration of faculty for NPTEL certification course.

Dear Sir/Madam,

As you are aware that National Programme for Technology Enhanced Learning (NPTEL) is a joint initiative from IITs and IISc to offer online courses and certification in various topics. NPTEL is conducting Advance and Basic Level courses through MOOCs (Massive Open Online Courses). A large number of Advance Level Courses with 1 credit, 2 credit and 3 credit are being offered by NPTEL. Since MOOCs of NPTEL are not full time like regular FDPs, AICTE has also made its equivalence to regular FDP which shall be considered as under.

- A 4-week of NPTEL online Course is equivalent to half-week FDP.
- An 8-week of NPTEL online Course is equivalent to one-week FDP.
- A 12-week of NPTEL online Course is equivalent to one-and a half-week FDP.

NPTEL MOOCs will have regular assignments and in person examination at the end. Faculty has to enroll to courses on NPTEL portal, register for the certification exam(s) by filling the form and paying the applicable fees, appear at the designated exam centre and pass the exam by scoring marks according to criteria set by NPTEL. The certificate will be issued to only those participants who attend the programme and qualify in the test.

In this connection, as per the directives of Prof. Sunil Kumar, Hon'ble Vice Chancellor-RGPV, You are requested to circulate the information among the faculty of your institution to get registered for the online certification courses through the link https://onlinecourses.nptel.ac.in/ and ensure the compliance of above directives in your institute.

A List of advanced NPTEL online certification courses as approved for Faculty Development Programme by AICTE for Jan-April 2019 is available at https://nptel.ac.in/AICTE_FDP/

You are also requested to set up SWAYAM-NPTEL local chapter at your institute through the link https://nptel.ac.in/LocalChapter/request_login.php so that the institute will get updated about all the latest NPTEL initiatives and can disseminate information's regarding various courses among the students.

In case any assistance required the institute may contact the undersigned.

Thanks and Regards

All India Survey of National Programme on Technology Enhanced Learning (NPTEL)

Dear Students,

As you are aware that the NPTEL (National Programme on Technology Enhanced Learning) is an initiative of seven Indian Institute of Technology (IITs) and Indian Institute of Science (IISCs). NPTEL provides E-learning through online web and video courses in Engineering, Science and humanities streams and the mission of NPTEL is to enhance the quality of Engineering Education in the country by providing free online courseware.

Presently an important all India survey on NPTEL is being conducted. The main objective of this survey is to gauge your awareness, expectations and feedback about NPTEL program in particular and e-Education in general. Your honest opinion and contribution will help in improving the NPTEL program.

You are requested to participate in this survey of NPTEL by accessing the following link www.nptelsurvey.weebly.com

Note : In case you haven't come across NPTEL programme hitherto, it is advised that kindly visit NPTEL website (http://nptel.iitm.ac.in) first and get familiar with NPTEL program or you can take a look at PPT available on www.nptelsurvey.weebly.com before attempting survey.

I not only hope but also believe that you will enthusiastically participate and contribute in this useful & promising National Level Revolutionary Educational program.

Thanking you so much indeed!

With Best Wishes –

To

All Principals/Directors
AICTE approved Technical Institutions

Subject – **MOU between AICTE and Internshala - Internship Day '2018 –reg.**

Sir/ Madam

As you are aware that an MOU was signed between AICTE and Internshala on 27th April, 2017 to facilitate internship to students. The MoU is available on AICTE website. Students can use Internshala platform for free internships.

This is to convey that Internshala is organizing an Internship Day in August 2018 to reward and recognize the colleges with the maximum internship selections during the summer via Internshala (April- July). The Internship Day will mark the importance of internships and the positive impact it can create on the overall employability of college students. In the event, the top performing college will be rewarded with trophies and certificates. This is an opportunity for the institutions to showcase its strong internship culture among the student & parent fraternity.

Interested institutions are encouraged to avail this opportunity for internships for students by filling the form - (internshala.com/i/10883) to register themselves for the event. The form be filled only by college authorities or training & placement team of the college only.

Internshala will provide continued support to help maximum students find an internship from your institution.

Please note - Only internship selections through ***Internshala*** *will be counted, therefore, colleges may fill the form to participate.*

The last day to register is 7th May 2018.

In case of any queries, point of contact :

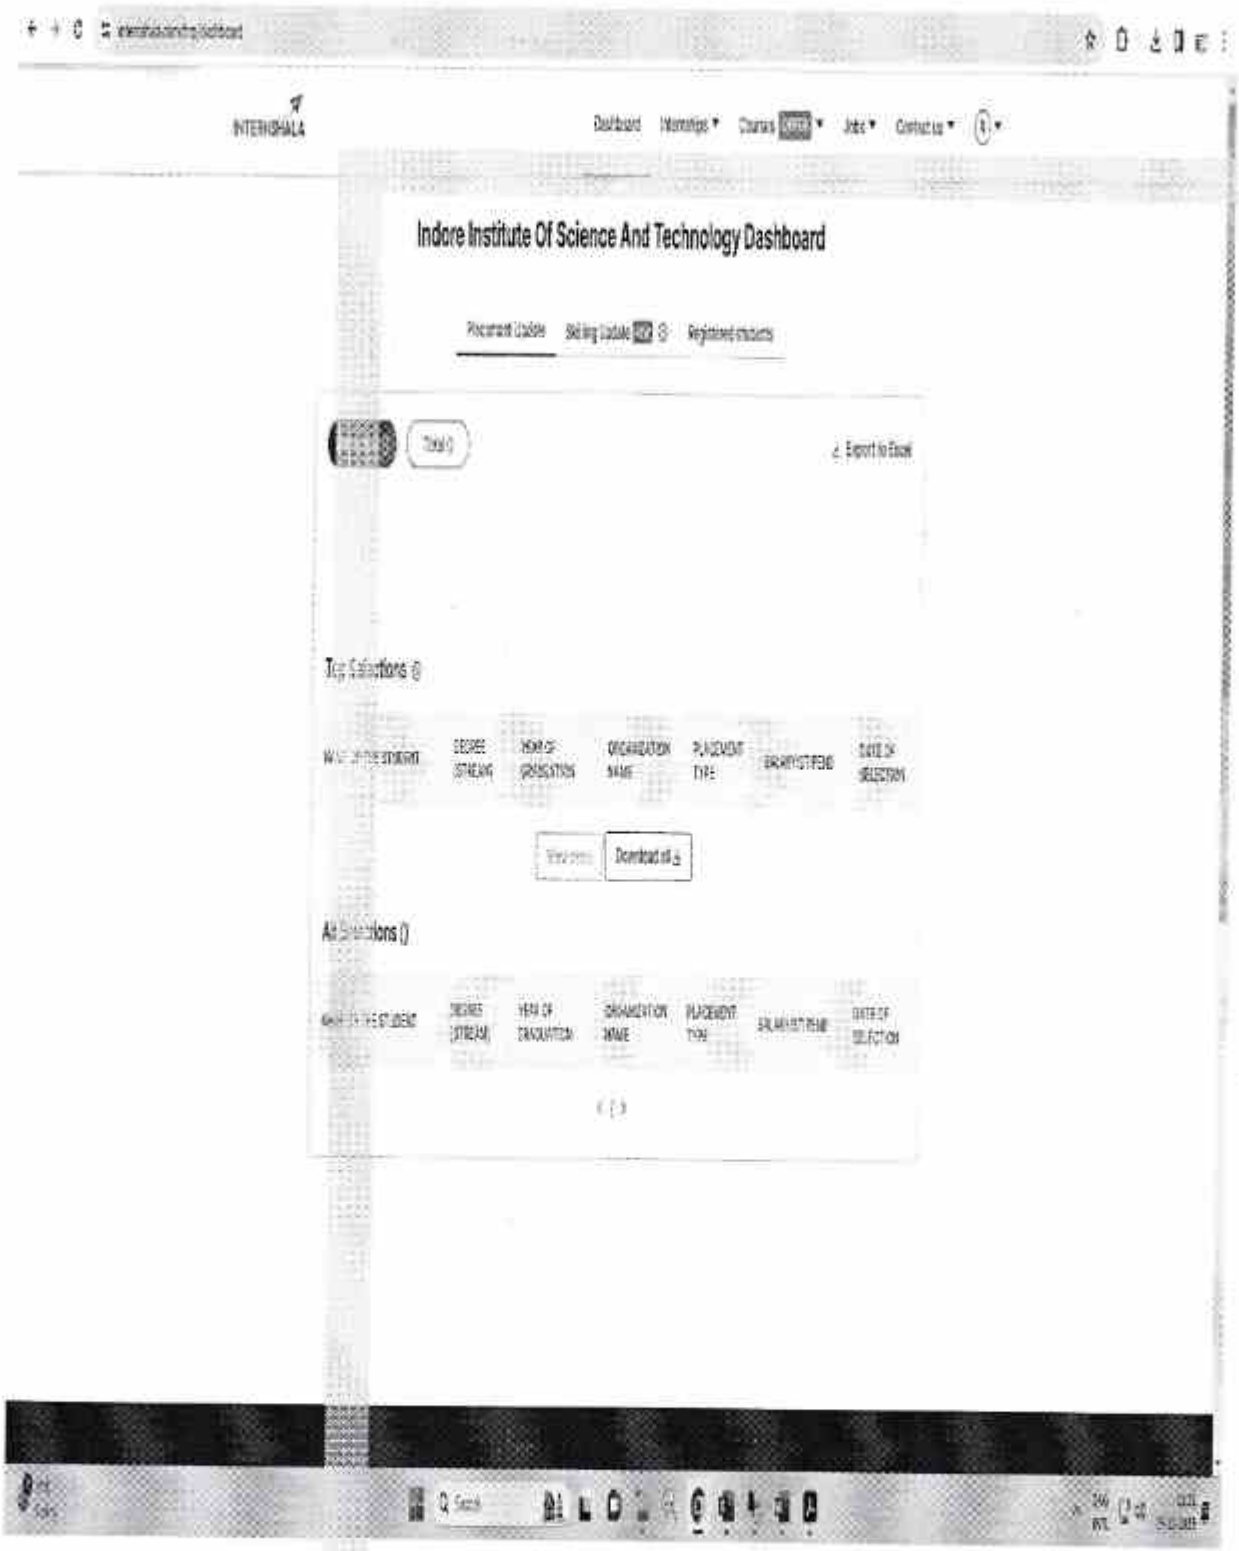

Kishalaya Kumar (kishalaya@internshala.com),
Internshala representative - at + 91 - 9050847917.

RED HAT ACADEMY
PROGRAM APPENDIX

redhat.

1. **Background and Purpose.** This Program Appendix ("**Appendix**") establishes the terms and conditions under which Partner will participate in the Red Hat Academy Program ("**RHA**" or "**Program**") in the Territory. Under the Program, Red Hat provides Partner an internet deployed and managed Curriculum, Software, and Services and Partner provides the facilities and Teachers and delivers the Courses to Students as set forth in this Appendix. Capitalized terms not defined in this Appendix shall have the meaning given to them in the Partner Agreement between the parties, including the Partner Terms and Conditions.

2. **Definitions.**

"**Appendix**" means this Red Hat Certified Training Partner Program Appendix, including the terms and conditions governing the relationship between the Parties as contemplated by this Appendix, and further subject to the terms and conditions of the Partner Acceptance Document ("PAD"), to which this Appendix shall be an attachment.

"**Curriculum**" means the Courses, Course Materials, Manuals, and any and all instructional content, assessments, tools, and instructional materials included therein whether in print or electronic format, provided by Red Hat as part of the Red Hat Academy Program.

"**Course**" or "**Courses**" means the specific courses or units of study that may be taught under the RHA and as set forth in Exhibit A, Exhibit C and as otherwise offered by Red Hat under the Red Hat Academy Program.

"**Course Materials**" means any and all instructional and educational content provided directly or indirectly by Red Hat, including without limitation designs, course names and numbers, course materials, Manuals, methodologies, software, scripts, processes, instructional materials, slides, books, lab exercises, assessment tools, quizzes, tests, answer keys, scripts, files, instructor guides and/or any other materials in any format, provided in connection with the Curriculum whether distributed in print, electronic, or video format, including, without limitation, Student Kits, Exams, Exam Kits, and Exam Authorizations. Any of the foregoing may be modified by Red Hat, from time-to-time, at its sole discretion.

"**Documentation**" means user manuals, training materials, software descriptions and specifications, brochures, technical manuals, license agreements, supporting materials and other printed information provided in connection with the Learning Services, in any format.

"**Effective Date**" means the first date when both parties have fully accepted or signed the Partner Agreement including this Appendix.

"**Exam**" means a Red Hat performance-based certification exam.

"**Partner**" means a qualified university, academic institution, or entity with a workforce development program that acquires the Red Hat Academy Subscription for its own use to be provided to Partner's Students and without the right to directly or indirectly sell, resell, remarket, or, in whole or in part, otherwise distribute Red Hat Academy. Eligibility of a Partner is determined at Red Hat's sole and exclusive discretion.

"**Program Subscription Fee**" means the annual subscription fee paid by Partner that provides Curriculum, Software and Services to the Partner and enables Partner to teach the Curriculum to Students as set forth herein or in separate mutually agreed order.

"**Services**" means Learning Services provided as part of the Program.

"**Student(s)**" is a person enrolled full or part-time in the Partner's school, institution of learning and admitted as a degree awarding program (e.g. diploma, or degree, program, or certificate program) and attends a Course as taught by a Teacher.

"**Student Kit**" means the individually priced and packaged, digital or online Course Materials required for one (1) Student enrolled in a single Course.

"**Software**" means Red Hat Enterprise Linux, JBoss Enterprise Middleware and other software programs branded by Red Hat, its Affiliates and/or third parties including all modifications, additions or further enhancements delivered by Red Hat.

"**Teacher**" is a Partner employee or contractor who meets all qualifications determined by Red Hat who teaches and instructs Courses for the Partner.

Red Hat India Pvt. Ltd. Mumbai

Institute of Science & Technology INDORE

Indore Institute of Science & Technology INDORE

"**Teacher Kit**" means a set of materials, including a copy of the Red Hat Academy Student Kit as well as supplemental instructor materials, assembled by Red Hat solely for use by a Red Hat Academy instructor in delivering Red Hat Academy classes.

3. License and Ownership

3.1 **License Grant.** Upon Partner paying the applicable Fee(s), Red Hat grants Partner a non-exclusive, revocable, fully paid license, with no right to sublicense (including, but not limited to, add), to use the Curriculum and Course Materials pursuant to the Agreement as follows: (a) distribution of Course Materials is limited to one (1) copy per Teacher and one (1) copy per Student; (b) Curriculum are provided solely for the use by Teachers and Students in the Course and such Curriculum may not be copied or transferred without the prior written consent of Red Hat; and (c) Curriculum must be taught sequentially and completed by Partner in no less than eight (8) weeks. The Curriculum shall not be used to teach or instruct to any person who is not officially enrolled as a Student and admitted to a degree, diploma, or certificate awarding program of Partner.

Notwithstanding the foregoing, all Curriculum is the sole property of Red Hat and its licensors, and are copyrighted by Red Hat unless otherwise indicated therein. Red Hat and its licensors will have sole ownership of any and all Curriculum, including but not limited to methodologies, software, processes, or other intellectual property developed during the performance of the Services. Red Hat will provide Software for the use by the Partner and Students in the Course. Use of the Software is subject to the End User License Agreement set forth http://www.redhat.com/licenses/rhel_rha_eula.html. The Services may only be used by Partner. Partner is solely responsible for providing prerequisite skills, assessing its Students' suitability for use of the Curriculum, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student and Teacher information. Partner hereby agrees that Software used outside of the Program is covered under terms and conditions of the Enterprise Agreement including Appendix 1, Subscription Services, set forth at www.redhat.com/licenses, which may be amended from time to time by Red Hat in its sole discretion.

3.2 **Retained Rights.** No part of the Curriculum may be photocopied or duplicated by any means, whether photographic, or electronic, or mechanical, or sold or distributed in any other delivery format whether in print or electronic, or used as the basis for any other training product or service, without written permission from Red Hat. Partner's rights in the Curriculum are limited to those license rights expressly granted under this Appendix, and Red Hat retains all rights not expressly granted. Partner will not (a) modify the Curriculum in any manner; or (b) use the Curriculum for any purpose not specifically permitted by this Appendix. Red Hat and its licensors will own and retain all right, title, and interest in the Curriculum and all intellectual property rights (always) therein, including, without limitation all changes and improvements requested or suggested by Partner, notwithstanding any use of terms, such as "purchase", "sale", or the like within the Agreement. Partner represents and warrants that its use of the Curriculum will be to fulfill obligations under this Appendix. Any unauthorized use of the Curriculum will be deemed a material breach of the Agreement. Prior to providing Students with access to Curriculum, Partner will require each Student to sign or otherwise assent (in a binding manner) to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at http://www.redhat.com/licenses/, which may be amended from time to time by Red Hat in its sole discretion. Partner's internal use of Courses or Exams is subject to the Enterprise Agreement with Appendix 2, Training, Training Units, and Consulting Units set forth at http://www.redhat.com/licenses/, which may be amended from time to time by Red Hat in its sole discretion.

3.3 **Permitted Marks.** Partner may only use the logo(s) set forth in Exhibit B to the Program in conjunction with the promotion of Partner providing Red Hat Academy Courses to Students. Partner may not use the logo(s) in general advertisements or marketing materials that do not specifically address or support the sale of Courses under the Program.

3.4 **Copyright Notices.** Partner will ensure that all copies of the Curriculum in Partner's possession or control incorporate copyright and other proprietary notices in the same manner that Red Hat incorporates such notices in the Curriculum or in any manner reasonably requested by Red Hat. Partner will promptly notify Red Hat in writing upon its discovery of any unauthorized use of the Curriculum or infringement of the Curriculum or Red Hat's proprietary rights in the Curriculum.

3.5 **Use of Red Hat Software.** Any use of Red Hat Software is subject to Red Hat's standard agreements including the Enterprise Agreement set forth at www.redhat.com/licenses, the applicable Red Hat End User Agreement(s) set forth at www.redhat.com/licenses/eulas, and/or any other mutually signed written agreement with Red Hat as applicable.

4. Fees and Payment

4.1 **General.** Any fees or charges ("**Fees**") will be due and payable by Partner in accordance with the Agreement. Partner may purchase from Red Hat directly, or through an Authorized Red Hat Reseller Partner. If Partner acquires Subscriptions, Courses and/or Services through a Red Hat Academy Program Reseller, the Fees for such Subscriptions, Courses and/or Services will be determined by such Reseller and may vary from the Red Hat Fees.

Red Hat India Pvt. Ltd. Mumbai
Indore Institute of Science and Technology IQAC INDORE
Indore Institute of Science & Technology INDORE

4.2 **Direct.** If Partner purchases directly from Red Hat, Fees will be identified by Red Hat in an Order Form and are (a) due upon Red Hat's acceptance of an Order Form, and (b) payable in accordance with this section. All Fees are stated in United States Dollars. Partner must pay all Fees within thirty (30) days from the date of invoice, without regard for when, and whether, Partner collects payment from a Student. Fees do not include out-of-pocket expenses or shipping costs. Partner agrees to reimburse Red Hat for its reasonable expenses incurred in performing the Services including travel, lodging and non-routine supplies, in accordance with Red Hat's travel and expense policies. **All Fees are non-refundable.** Red Hat will invoice Partner upon Red Hat's receipt of a purchase order for any amounts due to Red Hat pursuant to this Agreement; provided, however, that the terms of such purchase order will not amend, supplement or modify the terms of this Agreement or be binding on Red Hat. Red Hat reserves the right to change the credit terms or terminate the Agreement if Red Hat has not received payment within five (5) days of when it is due. Renewal Fees will be the same price listed in the Order Form.

5. **Publicity.** Red Hat and Partner shall each have the right to identify Partner as a Red Hat Academy partner, provided, however, that for any press release, media alert, or other public communication, each party shall obtain the other party's review and written consent before publishing such information in any form.

6. **Term, Termination, Mandatory Disclosure and Public Officials**

6.1 **Term.** Unless otherwise specified in writing by the parties, the initial term of this Appendix shall be one (1) year (the "**Initial Term**"). Thereafter, the term for this Appendix shall renew for successive terms of one (1) year each (each, a "**Renewal Term**"), with each Renewal Term beginning on the anniversary of the Initial Term unless either party gives written notice to the other of its intention not to renew at least sixty (60) days prior to the commencement of the next term. As used herein, the Initial Term and each Renewal Term individually refer to a "**Term**" and collectively the "**Appendix Term.**"

6.2 **Termination.**

6.2.1 **Termination for Breach.** Notwithstanding anything to the contrary Red Hat may terminate this Appendix as provided for under Section 13.2 of the **Partner Terms and Conditions Appendix**, or in the event (a) Partner fails to pay an invoice when due, (b) Partner commits a breach of this Agreement and fails to remedy that breach within 30 days of receipt of notice of breach, or (c) as otherwise provided in this Agreement. Partner may terminate this Appendix in the event Red Hat commits a material breach of the Appendix and fails to remedy such breach within 30 days of receipt of notice of material breach.

6.2.2 **Termination for Convenience.** Either Party may terminate this Appendix, without prejudice to any other right or remedy, for any reason upon sixty (60) days notice in writing to the other Party.

6.3 **Survival.** Upon expiration or termination, all rights and obligations of the Parties under this Appendix will terminate immediately except: Section 3.2, 3.4, 4.2; Section 5 of Exhibit A; and Exhibit C will survive such termination or expiration. Termination of this Agreement shall not affect any agreements between Red Hat and any Students.

6.4 **Mandatory Disclosure.** For the avoidance of doubt, Partner may disclose the existence of this agreement and relevant terms if it is required to do so by applicable law or regulation. Before disclosing this information, to the extent reasonably practical, Partner shall first notify Red Hat of the disclosure requirement (if it can provide notice without breaching any legal or regulatory requirement).

6.5 **Public Officials.** The Parties acknowledge that if Partner is a public university or public education institution, notwithstanding the warranty to the contrary in Section 14.2.2 of the Red Hat Partner Terms and Conditions, Partner Officials may be government or public officials.

RED HAT ACADEMY SUBSCRIPTION

redhat

1. Red Hat Academy Subscription. Red Hat Academy Subscriptions contain the following:

(a) Authorization and access to, and use of, the Curriculum in accordance with the terms set forth herein. The Program Fee includes Curriculum and Fees for the initial ten hundred (200) Students. Additional Student Curriculum access may be purchased on a per Student basis;

(b) Exams and exam delivery are not included in the Red Hat Academy Subscription and may be purchased separately; and
(c) A list of standard Course offerings in the Red Hat Academy Program is available from Red Hat or a Red Hat Academy Reseller.

2. Partner Requirements.

(a) Partner is solely responsible for providing pre-requisite skills, assessing Student's suitability for use of the Course(s) and Curriculum, appropriate use of any Internet access, delivery of all instruction to Students, all grading and assessment of Students, and handling of all Student information.

(b) Partner must notify Red Hat of the number of Students in each Course within one business day after the Course begins.

(c) Partner will provide Students with access to Student software labs. Access to such labs may be purchased through a Red Hat Lab Partner, through a third party cloud hosting provider authorized to provide such software lab access, or may be provided by the Partner through its own resources.

(d) Partner shall maintain at least one (1) Red Hat Certified Professional during the Appendix Term. Partner will notify Red Hat upon appointment or replacement of Red Hat Certified Professionals.

3. Red Hat Academy Subscription Fees. Partner shall pay the Program Fee, if applicable, annually, before the beginning of the Initial Term and each Renewal Term. Courses and additional services can be ordered by Partner from a Red Hat Academy Reseller. All Red Hat Services purchased during the Appendix Term must be used within each one (1) year Term in which it was purchased or such Red Hat Services shall be forfeited.

4/5/2021 Indore Institute Mail - Nomination Status Change

Dear Alpana,

Your AWS Academy Accredited Instructor Candidate nomination has been accepted. You should receive a separate email with instructions on how to sign into the AWS Academy Portal to read and acknowledge the AWS Academy Program Guide and review the AWS Academy Instructor accreditation process.

An AWS Academy Technical Program Manager will contact you soon to answer any questions you may have.

Good luck on your journey. We are excited to have you as part of the AWS Academy program!

Sincerely,
The AWS Academy Team

Hello Dr. Raghuveer,

Pleased to share that your request to grant AWS Academy membership is approved. You will soon receive an email with a link.

The link will take you to online Terms and conditions.

Once you acknowledge the T&C, you will further receive an email with User Id , it will prompt you to nominate the educator details. You kindly fill details of Veena and select – Academy Cloud Foundation from the drop down menu.

That submission will help Veena receive access to online course content.

Let's connect again to discuss the next roadmap.

Wishing you and your team a Very Happy New Year!

Regards

Amit Rawal PMP®

Coursera's Coronavirus Response Initiative

(Available to all higher education institutions globally at no charge till 31 July 2020)

Dear Sir/Madam,

To help and to minimize the impact of the coronavirus outbreak on students, the Coursera community has launched a global effort to assist universities and colleges to deliver courseware online. Accordingly, Coursera for Campus: Coursera's Coronavirus Response Initiative is available to all higher education institutions globally at no charge till 31 July 2020. In the last four weeks, this helped over 800 higher education institutions in India, for free programme, to support their mission of continuous and high quality learning and also to reach many more institutions so that others can benefit from this initiative.

Information on how to sign-up for the programme is mentioned below.

To activate access to Coursera for Campus, institutions or faculty members can sign-up directly at https://www.coursera.org/coronavirus

Programming World

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE

&

PROGRAMMING WORLD

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 5th day of - January - Two Thousand Twenty One **(05-01-21)**,

BETWEEN

Indore Institute of Science and Technology, Indore Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh, the First Party represented herein by its **Principal IIST Indore** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

Programming World, 182, Greater Vaishali Nagar, Indore, Madhya Pradesh 452009, and represented herein by its **Director, Pankaj Wadhwani**, (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

   (i) **Indore Institute of Science and Technology, Indore**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their

Principal
Indore Institute of Science and Technology, Indore

resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Internship, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

E) **Programming World** – the Second Party is engaged in Industrial Training, Student Internship, Software Development, Skill Development, Education and R&D Services in the fields of -***Software development and Information Technology.***

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and

documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into Internships/Jobs, as per AICTE Internship Policy. The

Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of – **Artificial Intelligence, Machine Learning, Cloud Computing, Data Mining, and IoT.**

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.10 There is no financial commitment on the part of the **Indore Institute of Science and Technology, Indore** the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be deal separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-

how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Programming World**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Programming World**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 **CO-OPERATION**

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **IIST, INDORE** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties.

Hello,

Welcome to edX Online Campus Essentials! We're happy to have you on board and we look forward to working with you. Please find herein your Digital Welcome Packet including instructions for getting started with subscriptions.

We'd like to start by offering you access to our Administrator Dashboard, where you will be able to begin assigning subscription licenses to your learners and access your regularly updated learner progress data report.

- Please **click here** to create your edX account and configure your admin account.
- Then you may log into the dashboard at **portal.edx.org** to get started.
- Find a short video on how to navigate the Dashboard here.

Also, please find both a quick start as well as a detailed guide for assigning subscription licenses to your learners and helping them access their courses. This new tool simplifies the most common license management activities such as Assigning license to learners (and sending an automated email), Reminding learners to activate their license and Tracking activations. We are also including materials you can share with learners via your internal LMS or other platforms.

- Admin Resources

edX High-quality online learning opportunities from the world's best universities

CISCO Networking Academy

Networking Academy

Cisco Academy Membership Agreement

Welcome to the Cisco Networking Academy. This agreement governs your Academy's participation in the Cisco Networking Academy.

The Networking Academy Membership Guide for Cisco Academies ("NAMGCA") describes the benefits, roles and responsibilities of Cisco Systems, Inc. or its subsidiary responsible for distribution in the country in which you are located ("Cisco") and your Academy. The NAMGCA forms part of this agreement, and will be made available to your Academy by Cisco. Your Academy should review the NAMGCA carefully before agreeing to participate in the Cisco Networking Academy. By accepting this agreement your Academy agrees to comply with the NAMGCA. As the Cisco Networking Academy evolves, changes to the NAMGCA may be appropriate. Cisco will exercise reasonable efforts to provide advance notice to your Academy of any major changes to the NAMGCA.

Cisco provides all resources, course materials, services, websites or other deliverables "as is", without warranty of any kind (as far as Cisco is permitted to do so by law). Further details are set out in the NAMGCA.

The following provisions (a)-(c) govern your treatment of personal information of Academy and Cisco Networking Academy participants (i.e. employees, students, instructors, administrators, or any other of your Cisco Networking Academy participants) ("Cisco Networking Academy Participants") provided to or otherwise obtained by Cisco from your Academy in connection with the Cisco Networking Academy:

(a) By entering into this agreement, your Academy will ensure that Cisco Networking Academy Participants have given their unambiguous consent, to the processing of their personal information by Cisco: (i) from within and outside of the European Economic Area and those countries deemed to have adequate data protection laws in connection with processing the personal information; and (ii) in accordance with Cisco Networking Academy Privacy Policy, as amended from time to time and located here.

(b) Your Academy agrees to comply with: (i) applicable data protection laws and regulations, including your Academy's obligations as data controller under those laws and regulations; and (ii) Cisco's Networking Academy Privacy Policy located here.

(c) To the maximum extent permitted by law, your Academy shall defend, indemnify and hold harmless Cisco and its officers, directors, employees, shareholders, customers, agents, successors and assigns from and against any and all loss, damages, liabilities, settlement, costs or expenses (including legal expenses and the expenses of other professionals) as incurred, resulting from or arising out of your Academy's breach of applicable laws relating to the treatment of personal information including any claim for the unauthorized solicitation, collection, storage, forwarding, or use of personal information. As a condition to such defense and indemnification, Cisco will provide your Academy with prompt written notice of the claim and permit your Academy to control the defense, settlement, adjustment or compromise of any such claim. Cisco may employ counsel at its own expense to assist it with respect to any such claim; provided, however, that if such counsel is necessary because of a conflict of interest of either your Academy or your Academy's counsel or because your Academy does not assume control, your Academy will bear the expense of such counsel. Cisco shall have no authority to settle any claim on behalf of your Academy.

Your term of membership in the Cisco Networking Academy is three years (36 months), commencing on the date when Cisco executes this agreement. The term shall be automatically renewed for additional twelve (12) month terms unless (i) sixty (60) days prior to the end of the then-current term one party gives written notice to the other party of its election not to renew this agreement. Notwithstanding the foregoing, either Cisco or your Academy may terminate this agreement without any liability to the other party for any reason or for no reason by providing at least thirty (30) days' written notice to the other. Either party may refuse to extend or renew the three year-term for any reason or no reason.

By clicking "Accept", you represent that you are authorized to enter into this agreement (including the NAMGCA) on behalf of your Academy.

On behalf of the Cisco Networking Academy global community, Welcome! By signing this agreement your Academy is taking an important step in bringing new opportunities and knowledge to your students, the future architects of the networked economy!

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

INDORE INSTITUTE OF SCIENCE & TECHNOLOGY, INDORE

&

CODENSCIOUS TECHNOLOGIES PVT. LTD.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the **28th day of- September –Two thousand twenty two (28-09-2022).**

BETWEEN

Indore Institute of Science & Technology, Indore, Rau - Pithampur Rd, Opposite Indian Institute of Management, Rau, Indore, Madhya Pradesh 453331 the First Party represented herein by its **Principal, IIST Indore** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Codenscious Technologies Pvt. Ltd., 206, Goldcoin Plaza, Tower Square Indore 452001 and represented herein by its **Managing Director, Shivang Trivedi**, (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

ω **Indore Institute of Science & Technology, Indore**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

E) **Codenscious Technologies Pvt. Ltd.**, the Second Party is engaged in Software Engineering, Development of AI Based enabled Web and Mobile App Development, Software Training, Skill Development and EdTech Services.

F) **Codenscious Technologies Pvt. Ltd.**, the Second Party is promoted by **Shivang Trivedi , 206 Goldcoin Plaza, Tower Square Indore 452001.**

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs

for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Artificial Intelligence, natural Language Processing, AI Enabled Web application & Mobile Application, Computer Vision, Augmented and Virtual Reality.**

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the

terms specified herein

2.10 There is no financial commitment on the part of the **Indore Institute of Science & Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **CODENSCIOUS TECHNOLOGIES PVT LTD**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Name of Industry**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied,

on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party.
