## Gender Equity

### Introduction

The Institute's mission is to develop the professionals both men and women, having basic and technical competencies so that they can serve the society and industry and face the global challenges. Our future success is dependent on attracting and retaining the best people to support our vision of imparting technical education in Engineering with training, skill up gradation and research in futuristic technologies and niche areas. By empowering all staff, the Institute can better achieve its aim of creating innovative and entrepreneurial professionals. IIST takes a leading role in recognizing and valuing the diversity of its workforce.

The Institute handles gender-based challenges and its related issues by doing different activities in the campus like women's day celebration, expert lecture on gender sanitizations and Entrepreneurs. In addition to the facilities, several extracurricular activities have been organized by the IIST to transform the gender-equal society.

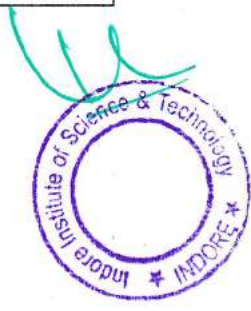

Celebrating women's day every year by different themes on empower the female students and staff.

Providing platform for representation to minority gender - Ensure visibility of women and use a range of female role models in Institute communications, events, meetings, and panels. This commitment is evident in:

### Balanced representation

Both genders are well-represented in committees, sports teams, technical activities, and cultural events.

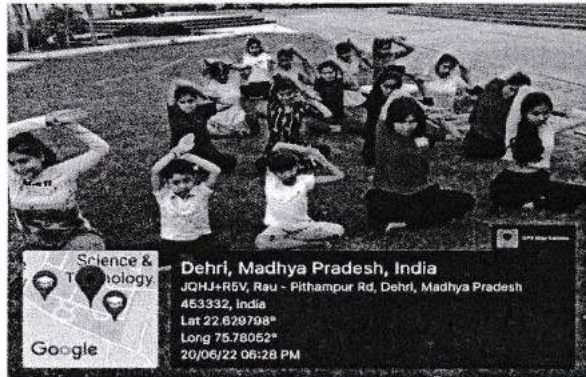

S. No.	Name of Head	Gender
1.	Dr. Samath Singh	Female
2.	Dr. Niraj Soni	Male
3.	Dr. Namrata Kaushal	Female
4.	Dr. Dheerendra Vikram Singh	Male
5.	Dr. Richa Gupta,	Female
6.	Dr. Margi Patel,	Female
7.	Dr. Satish Kumar Penchala	Male
8.	Dr. Shewta Agrawal	Female
9.	Mr. Ankit Jain	Male
10.	Mrs. Ritu Gupta	Female

From the above table it is very clear than more than 50% head of the department was female so both genders are well-represented in list of heads.

### POLICY DOCUMENT ON GENDER EQUALITY

#### Gender Equality Policy

Indore Institute of Science & Technology (IIST) is committed to the promotion of gender equality and women's empowerment, where all students, academic, administrative and support staff, female and male, enjoy equal opportunities, human rights and non-discrimination in all spheres of institute life.

#### Policy:

IIST uphold common value system of gender equality and equity as well as women's empowerment within the core functions of the Institute, namely, teaching and learning, research and innovation, knowledge transfer and networking, while specifying strategic interventions for institutional and organizational change.

#### Objectives of policy:

- a) To fulfill the National commitment to gender equality.
- b) To prevent violations of National Acts that prohibit gender injustices and to work towards the empowerment of women.
- c) To create a gender sensitive environment that respects gender diversity and the inter sectionality of other marginalities.
- d) To ensure equal opportunity to all women without any discrimination.
- e) To evolve mechanisms for the prevention and redressal of gender-based violence and discrimination, including sexual harassment at the institute.

#### Implementing guidelines:

1. Gender stereotyping will be prohibited.
2. All forms of bias and discrimination including unconscious bias against women will not be tolerated.

**Summary**

A health camp was organized in Indore Institute of Science & Technology for all the faculty, staff & students of IIST in coordination with NSS Unit IIST and Central Lab Indore to spread awareness about health check-up and maintaining a healthy life. The program started at 10 a.m with the introductory speech given by our respected Group Advisor Shri Arun S Bhatnagar Sir (IRS), Principal IIST Dr. Keshav Patidar and head of the doctor's team which came to our institute. We were all asked to make a line and get our height and weight checked to calculate BMI (body mass index) which explains whether the person is unhealthy or not. My BMI was 19.5 which comes under normal range. By 1 pm every faculty, student with staff got themselves checked for BMI, blood report and other health conditions if any. We all were advised some type of food and exercises by the doctors to maintain a healthy lifestyle. We all were happy to know about so many things which we can learn from doctors. NSS Unit of IIST organizes these kinds of campaigns every year to ensure healthy environment in the institute. The program ended with a overall report by the doctors about health of students and teachers which said we all were healthy and can improve. I thank all the doctors and nurses for their time and consideration for our school.

On "World Blood Donor Day", the NSS Unit of Indore Institute of Science & Technology organized a Blood Donation Camp on 14<sup>th</sup> June 2023. The event was held with the aim of promoting awareness about blood donation and encouraging individuals to contribute to this noble cause. The camp received overwhelming participation from students, faculty, and staff members.

The esteemed presence of Shri Arun S Bhatnagar Sir, IRS, the Honorable Group Advisor, added prestige to the event as he graced the occasion as the Chief Guest. His motivating words inspired the gathering and emphasized the significance of blood donation in saving lives.

The students of our institution enthusiastically participated in this social cause, showcasing their immense zeal and dedication. More than 70 individuals voluntarily came forward and donated their blood, demonstrating their selflessness and commitment to serving the community. The camp was efficiently managed by a team of 10 doctors and volunteers from Sri Aurobindo Medical Blood Bank in association with Nidaan, who ensured smooth operations throughout the event.

In recognition of their invaluable contribution, mementos were presented to the officials of Sri Aurobindo Medical Blood Bank (SAIMS) and Nidaan, expressing gratitude for their support and collaboration. The efforts of the NSS (National Service Scheme) Unit volunteers were

**Indore Institute of Science and Technology**  
Approved by AICTE, New Delhi & Affiliated to RGPV, Bhopal  
**National Service Scheme**

instrumental in making this program a resounding success, as they worked tirelessly to facilitate the smooth functioning of the camp.

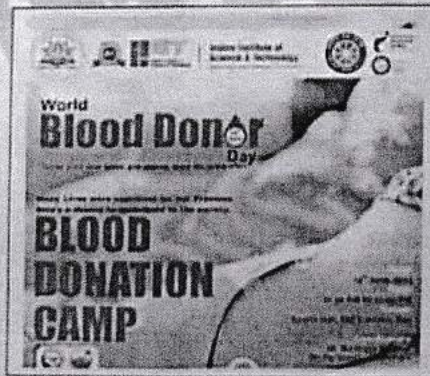

Principal Dr. Keshav Patidar was present at the camp to extend his appreciation to the donors. They distributed certificates to all the individuals who selflessly donated their blood, acknowledging their noble acts and encouraging them to continue their altruistic endeavors.

The Blood Donation Camp organized by the NSS Unit IIST Group of Educational Institutions on World Blood Donor Day was a remarkable success. The overwhelming response from participants, the support of medical professionals, and the dedication of volunteers have collectively contributed to saving numerous lives. The event served as a reminder of the importance of blood donation and showcased the spirit of compassion and generosity within our institution.

We express our heartfelt gratitude to everyone involved in making this Blood Donation Camp a resounding success and look forward to continuing our endeavors to serve society in the future.
