POLICY DOCUMENT ON GREEN CAMPUS POLICY

Green Campus Policy

A Green Campus is a place where environmental friendly practices and education system jointly promote sustainable and eco-friendly ambience in the campus. The objective of this policy is to foster a culture of self-sustainability and make the entire campus environmental friendly.

Institute protects its own environment with its green campus policy and keeps its campus pollution free. We undertake green audit to ensure balance between environment and educational performance of the institution. The college administration is having environmental consciousness. Therefore, a special focus is given on the plantation of saplings and their nourishment. Every year, tree plantation is done on the college campus during the rainy season. Thus, college undertakes environment friendly practices to maintain eco-friendly balance in the college campus.

Policy includes points related to the institutional initiatives for greening the campus is as follows:

1. Restricted entry of automobiles
2. Use of Bicycles/ Battery powered vehicles
3. Pedestrian Friendly pathways
4. Ban on use of Single use plastics
5. Landscaping with trees and plants
6. Green waves club
7. Green Audit Committee
