FACULTY COORDINATOR

MR. RAKESH JAIN

Name of the Event: Introduction to Tech clubs of IIST
Organizing department. : CSE
Session: July to Dec 2022
Date of Event: 2 September 2022

SUMMARY:

The session began with words of enlightenment by Hon.DG sir. DG sir briefed the students about the importance of technologies specifically about how learning to code can help them make a good career for themselves.

The program proceeded further with the introduction to different tech clubs of IIST. Firstly the audience was introduced to the GDSC club and its team followed by the CODECHEF IIST chapter in which PUNEET DIWEDI (cp lead) conducted a wonderful session on the importance of competitive programming and logic building. He also made the session quite interactive by explaining some concepts in an easy manner.

After CODECHEF the audience was introduced to GFG and Algozenith.

After the introduction to the tech clubs, the speaker session began and this time we had none other than ANURAG MIISHRA sir as our guest speaker.

Anurag SIR's session was the most interactive one as the complete audience got indulged in it and sir too left no stone unturned in motivating the audience. He also guided the audience by sharing his experience of what all he had learned in his 3 years of engineering degree and the activity in which he asked the students to anonymously write their doubts and interests on a piece of paper proved to be a cherry on the cake.

The session ended on a good note and with a vote of thanks by SARIKA mam.
