**All India Council For Technical Education**

**Coursera for Campus**

**Coursera's Coronavirus Response Initiative**

(Available to all higher education institutions globally at no charge till 31 July 2020)

Dear Sir/Madam,

To help and to minimize the impact of the coronavirus outbreak on students, the Coursera community has launched a global effort to assist universities and colleges to deliver courseware online. Accordingly, Coursera for Campus: Coursera's Coronavirus Response Initiative is available to all higher education institutions globally at no charge till 31 July 2020. In the last four weeks, this helped over 800 higher education institutions in India, for free programme, to support their mission of continuous and high quality learning and also to reach many more institutions so that others can benefit from this initiative.

Information on how to sign-up for the programme is mentioned below.

To activate access to Coursera for Campus, institutions or faculty members can sign-up directly at <https://www.coursera.org/coronavirus>

**Notice**

Dear Students,

Hope you and your family are doing well and keeping safe during these challenging times.

It gives me immense pleasure to inform all of you that RGPV has started "Rajiv Gandhi Pradyogiki Vishwavidyalaya - Coursera Program". Under this program selected students can opt for any number of courses from the link shared on their mail-id and after completion of the course they will get certificate from coursera. This is free (No charges). Selected student can choose any number of courses from there.

All students are advised to register and fill all the entries correct otherwise their form will be rejected. Selection will be on first come first basis. (Limited seats)

Registration Link: <https://forms.gle/vzFm9zvcByoWWHy29>

Dr. Shikha Agrawal,

Director, Centre for University Placement, Training & Corporate Affairs  
Rajiv Gandhi Pradyogiki Vishwavidyalaya, Bhopal

 for Campus

Thank you for agreeing to participate in the Coursera for Campus program.

Our team will be reaching out to you soon about setting up your Coursera account and your university's learning program. If you don't already have a Coursera account with the email address that you used to submit this request, create one quickly by clicking [here](#). This will be required to create your Coursera program.

If you have questions in the meantime, please refer to [coursera.org/learn/campus](https://coursera.org/learn/campus).

Regards,

Coursera for Campus team

Coursera helps companies and governments around the world transform their workforces through curated online learning experiences developed by global leaders in education and industry.
