One Day workshop on, “Different types of IPR in India”

### Summary:

One day workshop has been organized by Chemical Engineering department under IPR Cell of IIST on 28/09/2017. The program started at 10.30 am with the Saraswati vandana. Principal sir Dr. Joy Benerjee addressed the audience regarding importance of having knowledge about IPR. Faculty coordinator Mr. Rahul Gupta addressed the gathering about what is the intellectual property rights? After this the stage was handed over to expert **Mr. Sanjay kumar Patel** (Founder & Principal IP Attorney at EXCELON IP). In this session he covered several types of intellectual property rights like patent, copyright, trademark, etc. He said that each industry should develop its own IPR policies, management style, strategies, and so on depending on its area of specialty. The session ended after question answer session in which Mr. Sanjay Kumar Patel answered all the queries from the audience. The vote of thanks has been given by Student coordinators.
