the competition under Entrepreneur Development Cell . The plan for the Hackathon was to “Revamp college website with artistry and elegance” where all the participants designed the website and tried to crack a predetermined challenge within a given period of time. A total of 32 teams participated in the Hackathon that started at 12:30 PM on 19 Feb 2018 and ended on 12:30 PM on 20 Feb 2018. Participants included students from first year to fourth year and were open for all branches.

The goal of this Hackathon was to provide a competitive platform to students that embrace the opportunities of digitalization among students. The announcement of the competition raised a lot of interest, with over 104 participants on 32 teams.

Before Hackathon, two days’ workshop were organized in which the delegates from industry gave hands-on training to students in order to brush up their designing skills so that they can participate in the competition. The entire competition was judged by Mr. Ankit Gupta, Mr Devendra from Syscraft and Mr.Sudarshan Verma from Ideavate. Each team presented their newly designed website to a panel of judges on February 20, 2018.The winners of the competition were given cash prize of Rs. 18000/- . “The Hackthon is an excellent opportunity to create new services and operating models,” says Director, Dr.Joy Banerjee.
