## DEPARTMENT OF CIVIL ENGINEERING

### ACTION TAKEN REPORT BASED ON FEEDBACK 2020-21

Category	Questions	Action Taken by Department
Semester / Course End Feedback including Curriculum Feedback	Survey work was done effectively.	Due to Covid, no Surveying done but in next academic year ensure about survey and lab session
	Understand ethical, societal, health, safety, legal and cultural issues related to civil engineering	Faculty ensure the atleast one session on ethics of civil engineering
	Demonstrate basic knowledge in mathematics, science, engineering, and humanities.	Due to Covid-19, Physical classes not conducted but now in next academic year regular classes conducted and students are able to apply basic knowledge.
Program End Survey	Able to analyze different system by applying knowledge of surveying.	Due to Covid-19 unable to perform lab session and also field work was also negligible due to Covid-19
	Able to understand knowledge of civil engineering projects to work as a leader or member.	More focus on industry based internship and work as team in minor and major projects
	Communication skills & Writing skills	Increase the session on PDP and Mandatory the project presentation by the students
Alumni Survey	Ability to engage in independent and lifelong learning; adapt to rapid changes in civil engineering and its allied areas.	Focus on SIG and it must be based on industry need
	How would you rate the curriculum prescribed for your degree during your term in college?	To overcome Institute and Industry gap focus on SIG in upcoming academic year
	More exposure to field visits in curriculum	Formal instructions were circulated to all constituent colleges through competent authority for addressing the issue. All the teachers were notified about the issue and they were encourages to have more field visits as a part of their curriculum.
Academic	Faculty having less than 75 % feedback	HoD and Principal Counseling the such
